

1,881

residents completed at least one segment of the survey from March 5-April 14, 2025.

5 or higher

The survey included 58 rating questions. Respondents rated all but one of these items, or 98%, as 5 or higher on a 0-10 scale.

trends

Of the 50 performance measures that could be compared to the 2023 survey, 42 of those ratings remained comparable, while six decreased and two increased.

priorities

Residents were asked to rank potential Town priorities. Their top seven answers in rank order:

1. Managing growth/quality of life
2. Protecting natural resources/preserving open space
3. Securing the Town's water future
4. Ensuring outstanding public safety
5. Maintaining the Town's unique character
6. Improving transportation connectivity
7. Providing park/recreation amenities

growth

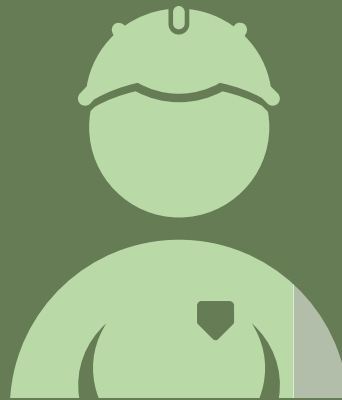

Residents were asked to rank potential priorities surrounding quality growth. Their top answers in rank order:

1. Preserve open space
2. Execute on long-term water plans
3. Obtain public input on development
4. Execute on long-range plans for other Town services (public safety, parks)
5. Ensure growth pays for growth
6. Require benefits for new development
7. Widen roads within Town

9/10

residents said the quality of life in Castle Rock exceeds or greatly exceeds expectations. About 25% said the quality of life "greatly exceeds" their expectations. The mean rating remained comparable to 2023.

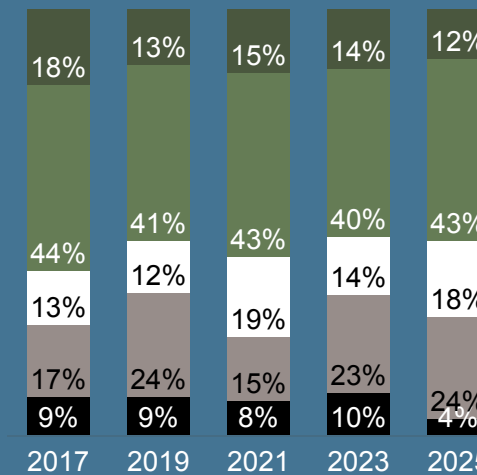

84%

of residents said the quality of Town services exceeds or greatly exceeds expectations. This is an improvement from the 2023 survey and is similar to earlier surveys.

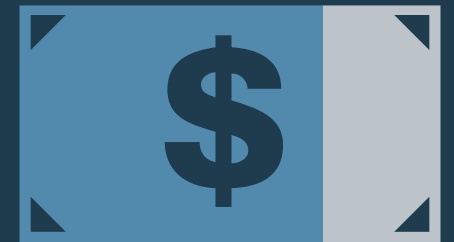

9/10

residents said they believe Castle Rock is a better place to live than other communities. The mean rating remained comparable to 2023.

55%

of respondents believe the Town is headed in the right direction. This rating increased for the first time since 2019.

2/3

of respondents believe they are getting their money's worth for their tax dollars. The mean rating remained comparable to 2023.
