

List of sister cities in Colorado

This is a **list of sister states, regions, and cities in the U.S. state of Colorado**. *Sister cities*, known in Europe as town twins, are cities which partner with each other to promote human contact and cultural links, although this partnering is not limited to cities and often includes counties, regions, states and other sub-national entities.

Many New York State jurisdictions partner with foreign cities through *Sister Cities International*, an organization whose goal is to, "Promote peace through mutual respect, understanding, and cooperation."^[1] Sister cities interact with each other across a broad range of activities, from health care and education to business and the arts.^[2]
