

**Resolution supporting
a Yes vote on questions
2A, 2B, 2C and 2D**

To address longer-term funding needs – particularly in the Fire and Police departments – the Town explored alternative revenues:

- property tax
- sales tax
- reallocating existing taxes
- tobacco tax
- marijuana tax
- consumers use tax
- occupational privilege tax
- admissions tax
- other options

**Exploring our
revenue alternatives**

Revenue assumptions

Assume 8% sales tax increase in 2021, 4.5% in 2022 and 3% in 2023-2026

2022 revenue includes one-time revenues – a \$2 million grant and \$1.3 million in developer contributions – for construction of the Colorado Front Range Trail

Funding all requests with base revenues

	2022	2023	2024	2025	2026
Revenue	\$64,278,243	\$62,642,023	\$64,586,111	\$66,566,208	\$67,361,070
Expenditures	\$61,344,704	\$64,792,194	\$68,310,446	\$76,758,082	\$80,348,466

Funding all requests with \$7/square foot new home construction tax added to revenues

	2022	2023	2024	2025	2026
Revenue	\$78,166,243	\$76,093,783	\$76,700,031	\$78,929,728	\$79,974,190
Expenditures	\$60,666,780	\$63,842,666	\$67,368,705	\$75,447,980	\$79,312,107
Net change in fund balance	\$17,499,463	\$12,251,117	\$9,331,325	\$3,481,748	\$662,083

Funding scenarios

Voters have not approved an increase to Town tax rates since 1994. Sales tax revenue is not sufficient to meet operational needs as the community grows.

To ensure those building new homes in Castle Rock are paying their fair share Town Council is asking voters this fall to approve new revenue streams or increase existing ones. Here's what's on the ballot:

- **new home construction tax of \$7/square foot** – amounting to \$15,400 on the average new home in Castle Rock – to add 75 Fire and Police positions between 2022 and 2026
- **0.1% sales tax increase** – adding \$.01 to every \$10 taxable purchase – to fund acquisition and maintenance of open space and trails
- **6% lodging tax** – amounting to \$7.50 on a \$125/night room stay – to support parks and recreation services
- **a 10-year "timeout" from revenue restrictions of the State's TABOR law** – this does not increase taxes but, rather, allows the Town to maximize existing resources

2021 ballot questions

These ballot measures focus on those building new homes in and visiting Castle Rock paying more to maintain the great quality of life that exists within the community.

Shall Castle Rock taxes be increased by \$13,900,000 annually in the first full year of such increase, and by whatever additional amounts are raised annually thereafter, for the sole purpose of providing police, fire protection, and emergency medical services from a new housing construction tax imposed and paid upon issuance of a building permit at a rate up to and including \$7.00 per square foot of new residential construction; provided that:

(I) commencing January 1, 2023, the maximum rate shall be adjusted for inflation in future years in accordance with the Consumer Price Index for all urban consumers in the Denver-Aurora-Lakewood statistical area;

(II) the rate of such tax may be increased or decreased without further voter approval so long as the rate does not exceed \$7.00 per square foot as adjusted for inflation; and

(III) all revenues from such tax shall be collected, retained, and spent as a voter-approved revenue change and as an exception to the limits that would otherwise apply under Article X, Section 20 of the Colorado Constitution or any other applicable law?

2023

2

1 parks resource specialist
1 parks planner

Castle Rock residents and visitors love our Gold Medal-winning Parks and Recreation system.

Older parks age and need additional maintenance and refurbishment. As new Parks and Recreation locations come online, they require maintenance as well. Whether replacing dormant trees and vegetation, updating parks or improving entryways into Town, additional resources are needed to keep up with these needs.

Maintaining our Parks and Recreation services

Shall Castle Rock taxes be increased by \$1,870,000 annually in the first full year of such increase, and by whatever additional amounts are raised annually thereafter, from a 0.1% sales and use tax, to be used solely for the purpose of acquiring, developing and maintaining open space and trails, and shall all revenues from such tax be collected, retained, and spent as a voter-approved revenue change and as an exception to the limits that would otherwise apply under Article X, Section 20 of the Colorado Constitution or any other applicable law?

Without creating new taxes or raising current taxes and solely to pay for the following:

- Police;
- Fire protection;
- Emergency medical services;
- Roads and other transportation purposes, including, but not limited to, the Crystal Valley/I-25 interchange,

Shall Castle Rock be authorized:

(I) to retain and spend all Town revenues, including, but not limited to, grants and contributions from other governments for interchanges and other transportation projects, in excess fo the constitutional limitation on Town fiscal year spending for the next ten fiscal years, beginning with the 2021 fiscal year; and

(II) to retain and spend an amount of Town revenues in excess of such limitation for the 2031 fiscal year and thereafter up to an amount equal to the highest total Town revenues for any fiscal year from the 2021 fiscal year through and including the 2030 fiscal year, adjusted each year as provided for by Article X, Section 20(7) of the Colorado Constitution?

Yes ___ No ___

Question 2D: Use of all excess revenues solely for police, fire and roads

Roads

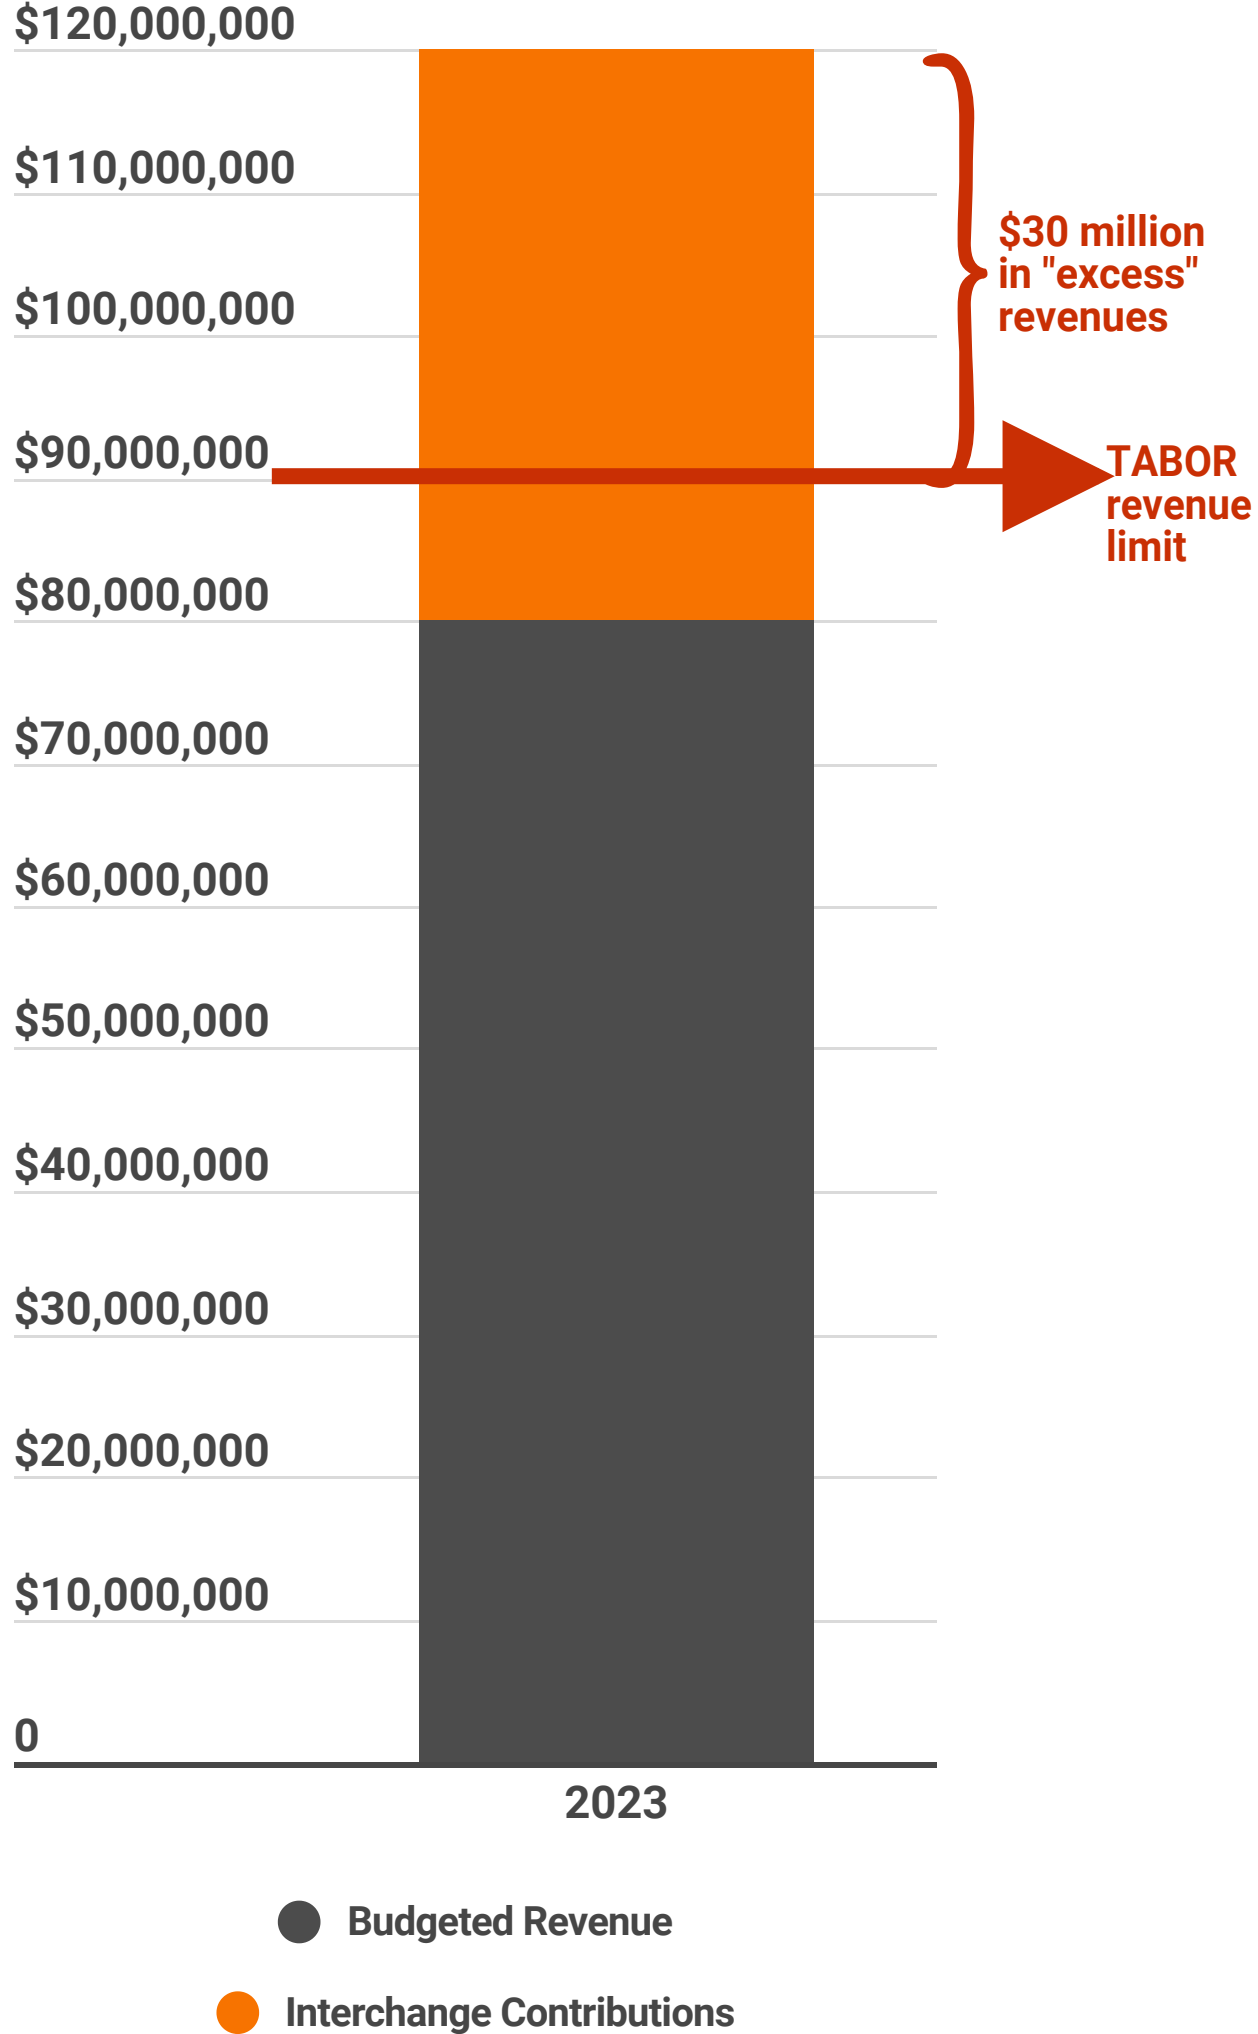

The Town is anticipating receiving grants and other financial contributions to construct the I-25/Crystal Valley Parkway interchange. This chart shows how, if the Town is successful in obtaining \$40 million in intergovernmental and developer contributions toward the interchange, total TABOR revenues for 2023 could be about \$120 million, or roughly \$30 million over the Town's TABOR revenue limit for the year.

In the absence of a TABOR timeout, that means the Town would have to stop the interchange and return the contributions or cut expenses elsewhere – like in fire, police, parks and rec, or roads – by \$30 million so it could issue TABOR refunds.

Fire and Police

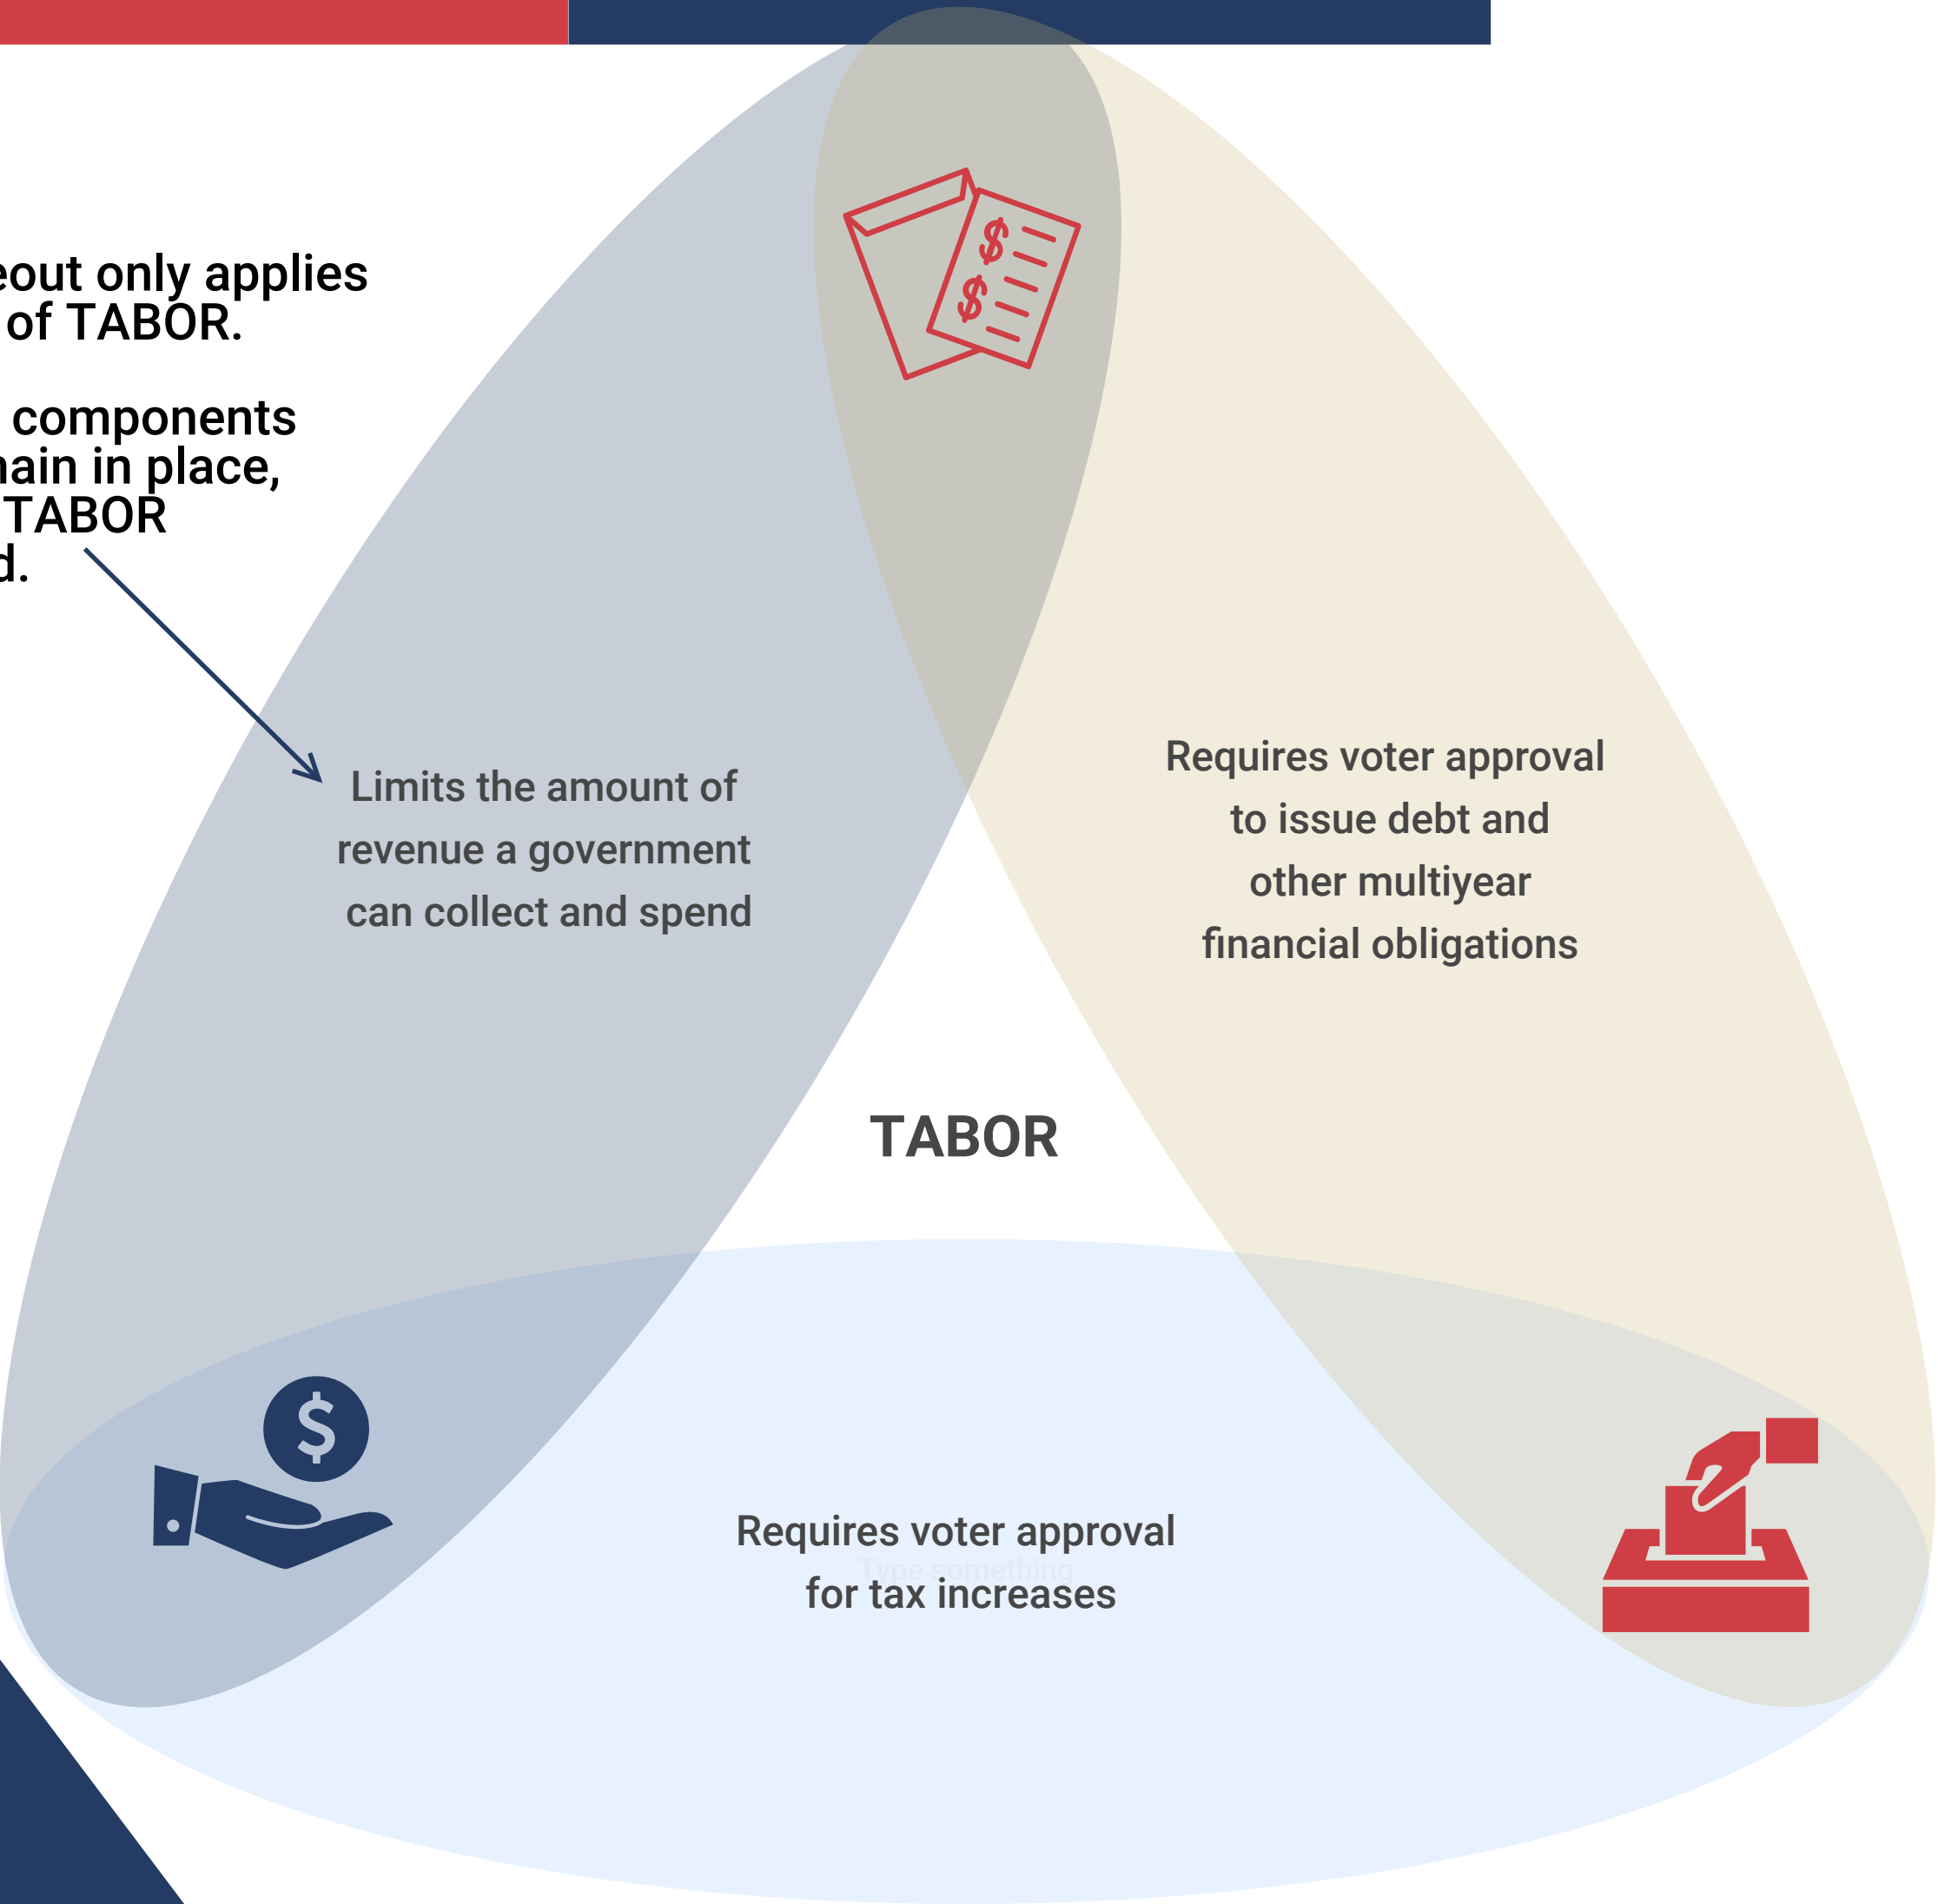

Further, strong sales tax revenue thus far in 2021 has created the possibility that the Town will exceed its TABOR revenue cap for this year. Granting the TABOR timeout would allow the Town to use all funds collected in 2021 – and in any year through 2030 where financial performance is strong – to meet needs while still preserving other aspects of TABOR that require voters' approval for tax increases or multiyear financial obligations.

Why is a temporary, 10-year TABOR timeout needed?

A TABOR timeout only applies to this aspect of TABOR.

The other two components of TABOR remain in place, even during a TABOR timeout period.

What would a TABOR timeout do?
