## FROM THE DESK OF THE CRIME ANALYST

### LICENSE PLATE TIPS

We sometimes get so used to things being where they are supposed to be that we don't realize when they're missing. License plates are one of those things. When they go missing they could simply be lost, but sometimes they are stolen.

By glancing at the area of your car where your license plates should be attached, each time you drive your car, you will have a better time line of when they are discovered missing.

What's important in observing that your license plates are missing is to report the missing plates to the Castle Rock Police Department as soon as possible. The sooner the better so your plates can be entered into a statewide law enforcement data base. The missing license plates could have been stolen and placed on a car that was used in a crime.

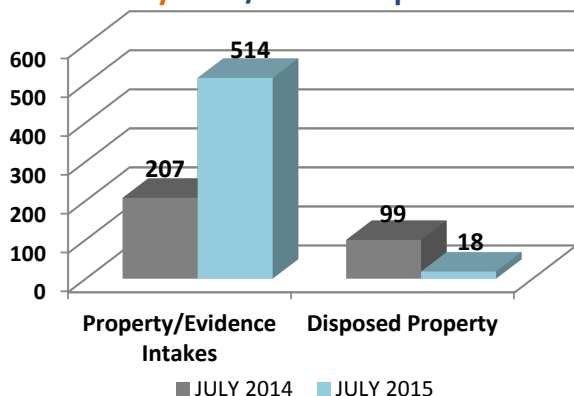

*You don't want to get a visit by the police asking where you were last night when you could have been the first to know your plates were missing.*

RECORDS REQUESTS

**JULY 2014-2015 COMPARISON**

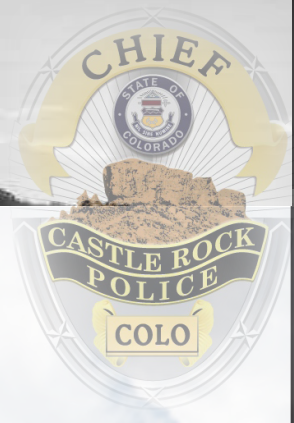

**Reminder:** Text to 911 went live for all Public Safety Answering Points (PSAPs) in Douglas County with the four major carriers. Texting to 9-1-1 provides accessibility to the hearing and speech impaired population and provides an alternative to reach help in dangerous situations when a voice call is not possible.

\*Enter the numbers "911" in the "To" field. The first text message should be brief and contain the location of emergency and type of help needed. Push the "Send" button. Keep messages brief and concise.

## MISSION

The Castle Rock Police Department is dedicated to excellence through community safety, innovation, and public trust. Our goal is to provide for the safety and welfare of both the citizens and visitors of the Town of Castle Rock utilizing effective community-policing philosophies, including crime prevention, traffic enforcement, criminal investigation, crime-analysis and community involvement.

## VISION

We are committed to partnering with the community to improve the quality of life, prevent and reduce crime, and provide excellence in police service.

## Courteous/Professional/ Flashing Pedestrian Lights

Recently, I was stopped by Officer Fellows of your department because one of the taillights on our vehicle was not functioning. The discussion we had was constructive and informative...I was impressed positively by Officer Fellows. He was very courteous and professional. I am requesting that you let him know a local resident complimented his handling of his duties in such a positive manner.

Chief, I want to thank you, Officer Morrissey and the Castle Rock Police Department for installing the flashing signs adjacent to the Grange last week. With so many residents walking to the pool on a daily basis it is truly beneficial. Additionally, Wine Fest is a large event for the Meadows Community and was this past weekend. A majority of the residents in the area walk to the event... it was great to see flashing signs at the crosswalk that reminds drivers it is the state law to yield to pedestrians. We truly appreciate that the Castle Rock Police Department is pro-actively working to ensure that their citizens are safe...We are fortunate as a community to have Officer Morrissey and the CRPD to work with..
