IN THE SPOTLIGHT

Our department provides opportunities for high school students to learn about the police department through an internship program. For the past nine weeks, Emily Wilson, a student from Castle View High School, has spent time with several of our divisions/units including Dispatch, Records, Patrol, Traffic, COPPS and Investigations.

Emily is a senior who has been involved with the police department in the past as a COPS Camp Alumni Instructor. During her high school career, Emily was also involved in the athletics program playing both softball and basketball. She is also an honor student and was awarded academic letters in her freshman and sophomore year as well as CHSAA Academic All State Honorable Mention. After completing high school, Emily plans to attend college and is interested in studying Criminology and Sociology.

Good luck in your endeavors, Emily!

Traffic Stop Thanks

I just wanted to send a quick note commending Officer Lewis on his professional and courteous demeanor and handling of a traffic stop with me the other day. His attention to detail, professional manner and conscientious attitude during the traffic stop was much appreciated. I hope I don't get on the wrong side of a traffic violation in the future, but if I do, I sincerely hope that the officer conducts themselves as well as Officer Lewis did. Small, seemingly insignificant interactions like this one, and how they are handled, are some of the reasons that Castle Rock is one of the "Best Places to Live."
