

Meeting Date: March 24, 2026

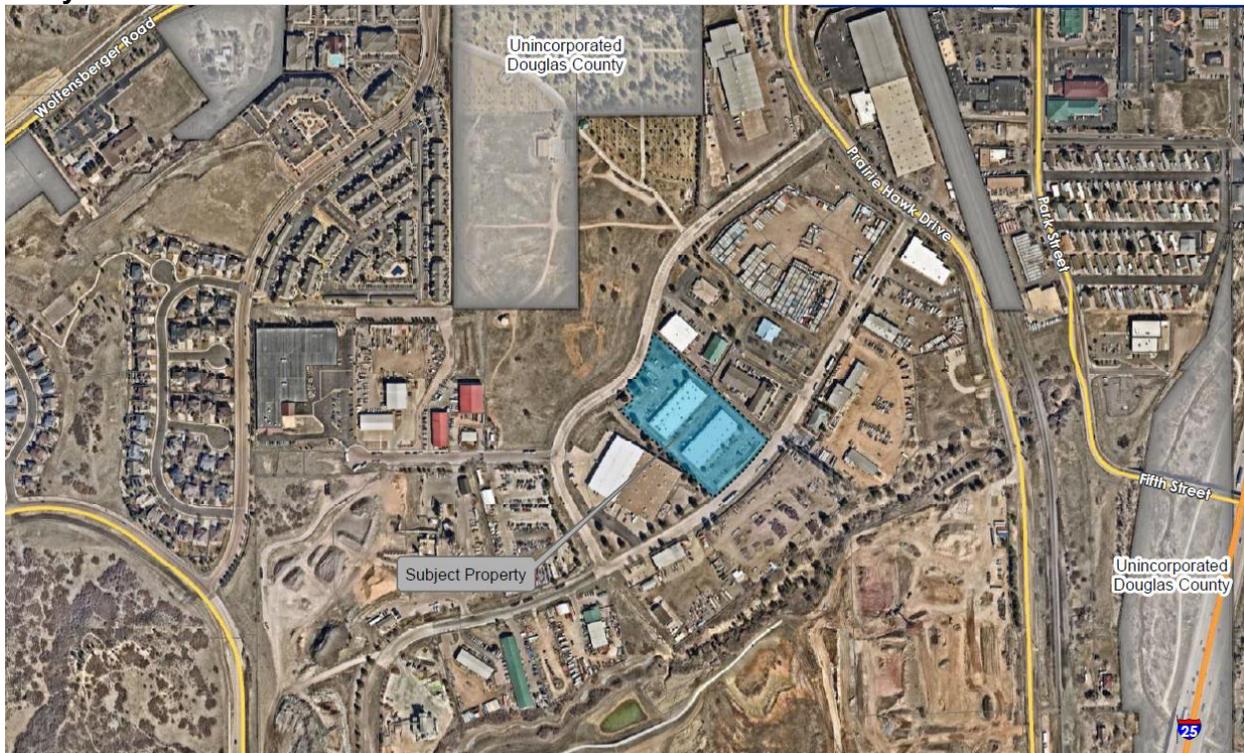

AGENDA MEMORANDUM

To: David L. Corliss, Town Manager
From: Tara Vargish, PE, Director of Development Services
Title: Town Manager Report – Development Project Updates

This report contains development updates and new submittals or requests submitted to staff since the last update to Town Council. The high-growth nature of Castle Rock results in numerous and diverse questions from individuals seeking information about existing conditions and future plans and formal applications for development. More information on community development activity and formal land use applications are located on the Town website under the Development Activity Map link, which can be accessed at CRGov.com/DevelopmentActivityMap.

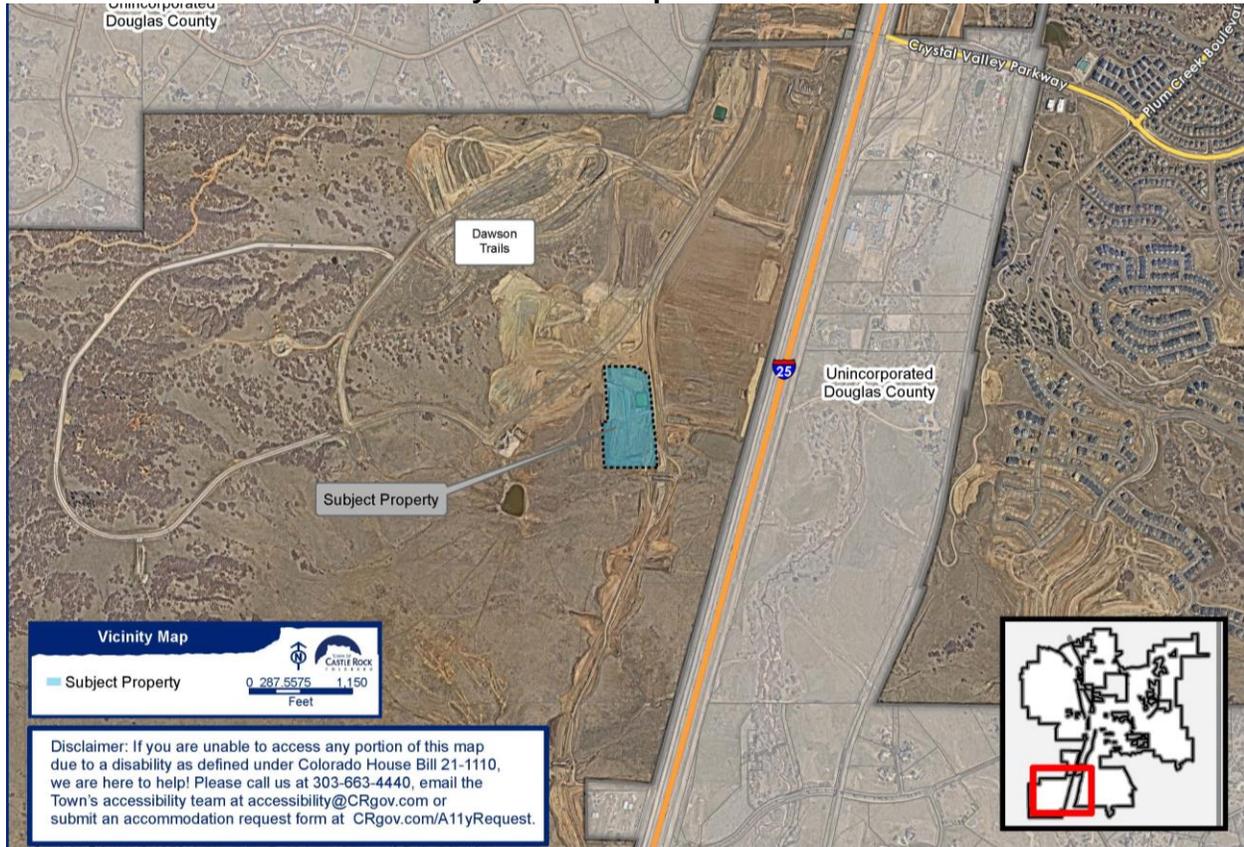

New Quasi-Judicial Applications Requiring Public Hearings

Abby Dew for You

A new Quasi-judicial application was submitted by Abby Dew for You for a Use by Special Review. The applicant is proposing to lease an existing space at 651 Topeka Way and use it for an adult day care facility. The proposed project is generally located northeast of the intersection of Topeka Way and Atchison Way. The Use by Special Review will require a public hearing before the Planning Commission for review and final decision because it is an existing building with only a tenant use change. This project is located in Councilmember Bracken's district.

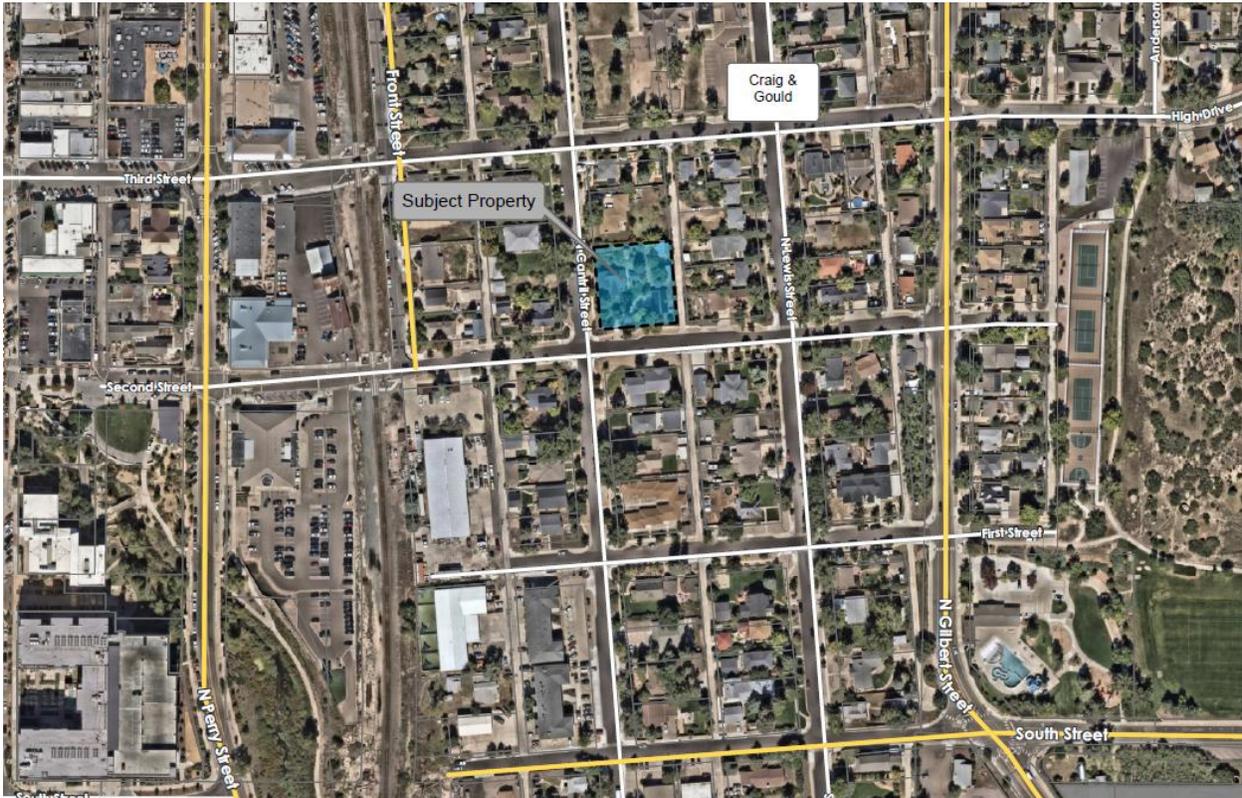

Garrett Dawson Trails Multi-Family Site Development Plan

Garrett Co. has submitted a Site Development Plan application for a 324-unit apartment complex on 12.6 acres in Dawson Trails, located southwest of Dawson Trails Boulevard and Blanca Peak Parkway. Onsite amenities to include a clubhouse, pool, games lawn, dog park and dog wash. The clubhouse will include a co-working space, fitness center, leasing office and mail kiosk. The site is located in Councilmember Dietz's district.

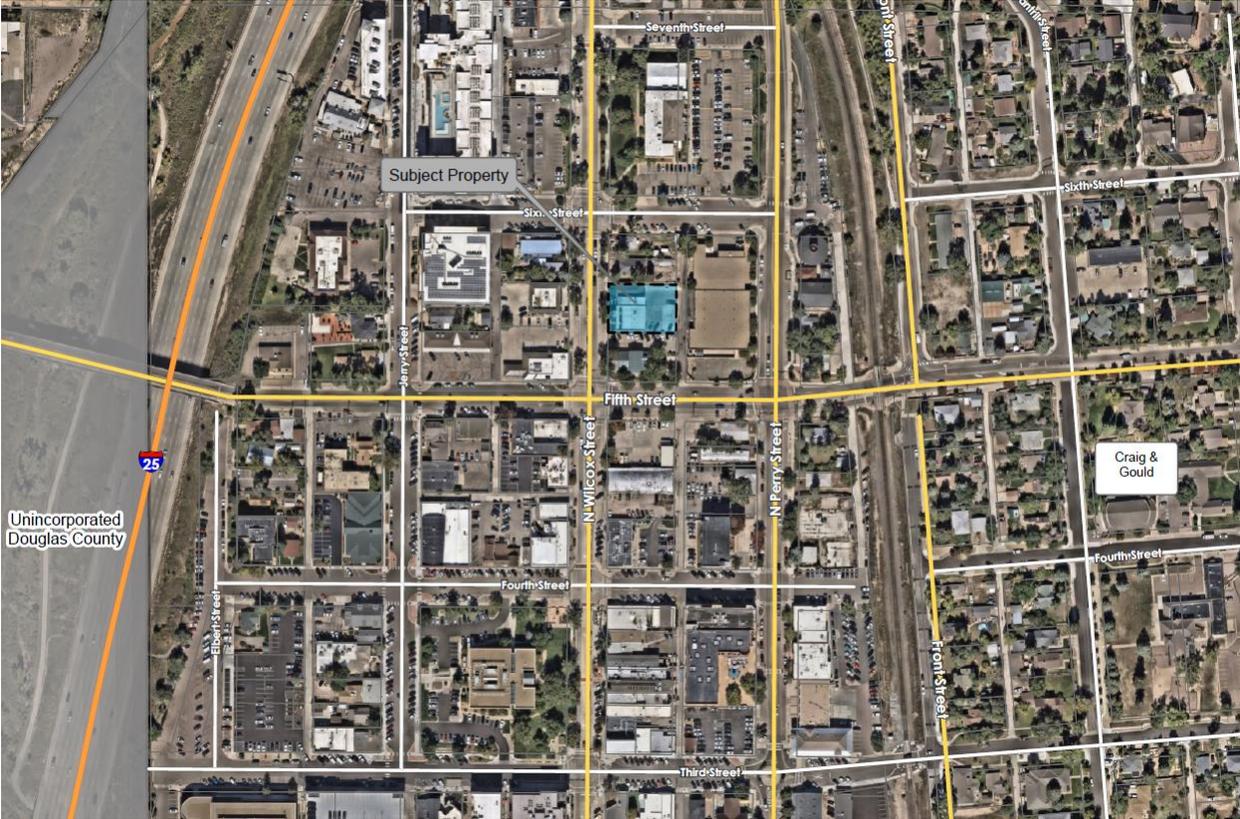

New Pre-Application Meeting Requests

208 North Cantril Street

A pre-application meeting request was submitted seeking information on application and submittal requirements to construct a new residential house in the general location of the existing garage on Second St. The existing home would remain on a separate lot. The proposed project is located at the northeast corner of Cantril Street and Second Street, in Councilmember Davis' district.

512 N. Wilcox Street

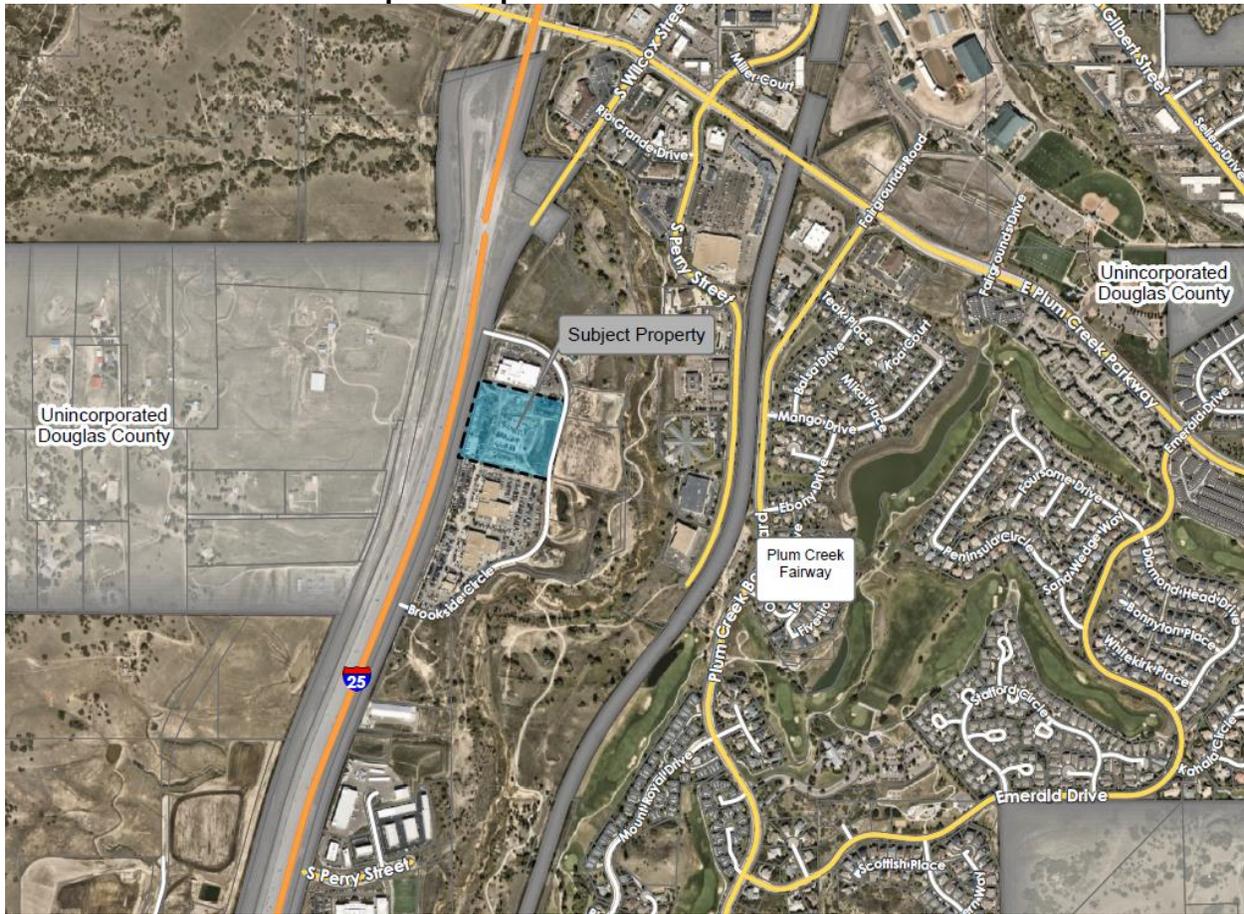

A pre-application meeting request was submitted seeking information on application and submittal requirements to renovate the existing structure located at 512 N. Wilcox Street. The proposed renovation includes façade changes, as well as interior enhancements. The proposed project is located northeast of the intersection of N. Wilcox Street and Fifth Street, in Councilmember Davis' district.

Brickyard SDP Amendment

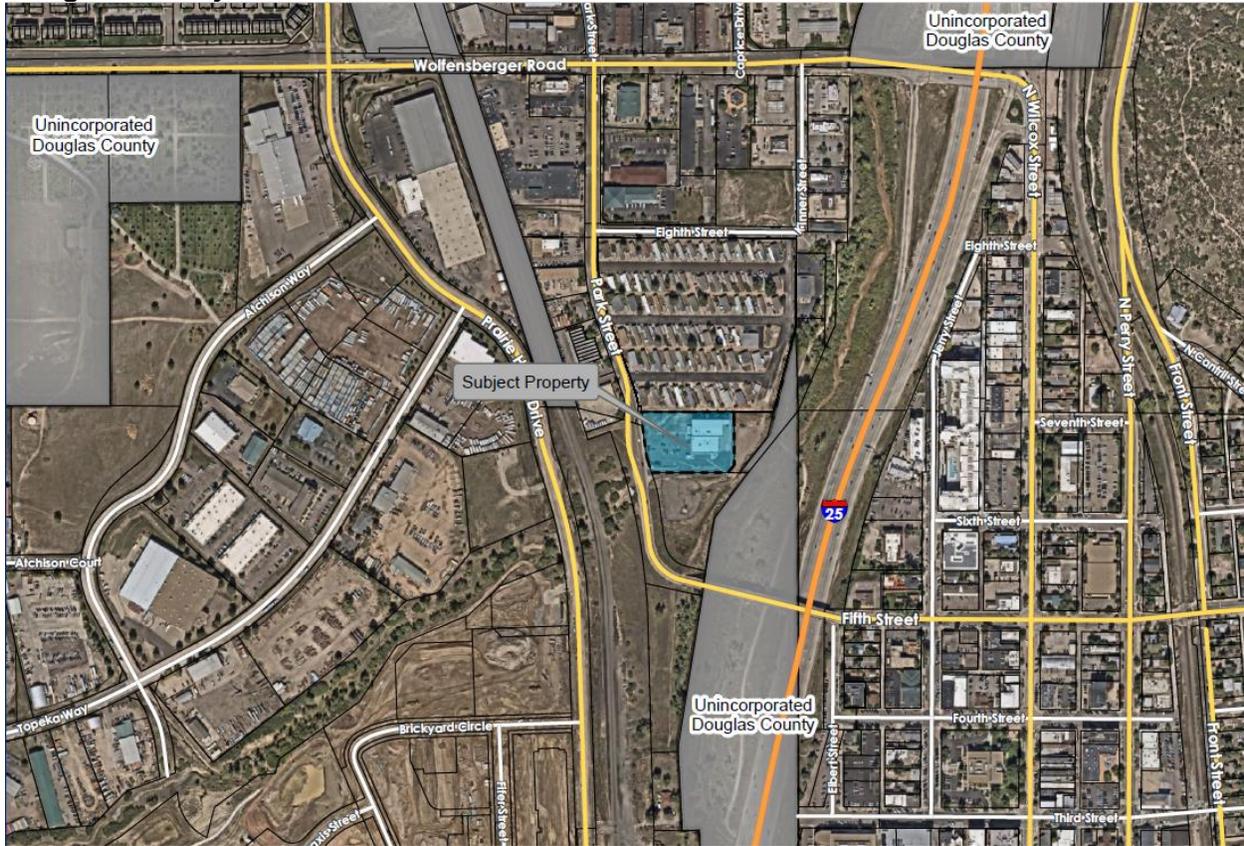

A pre-application meeting request was submitted seeking information on application and submittal requirements to amend the current Brickyard Mixed-Use Site Development Plan. The proposed amendment includes changes to building elevations, modifying the hotel to 100 rooms and adjusting the hotel building footprint, and site lighting. The proposed project is located southwest of the intersection of Topeka Way and Prairie Hawk Drive, in Councilmember Bracken's district.

Castle Rock Ford Dealership Lot Expansion

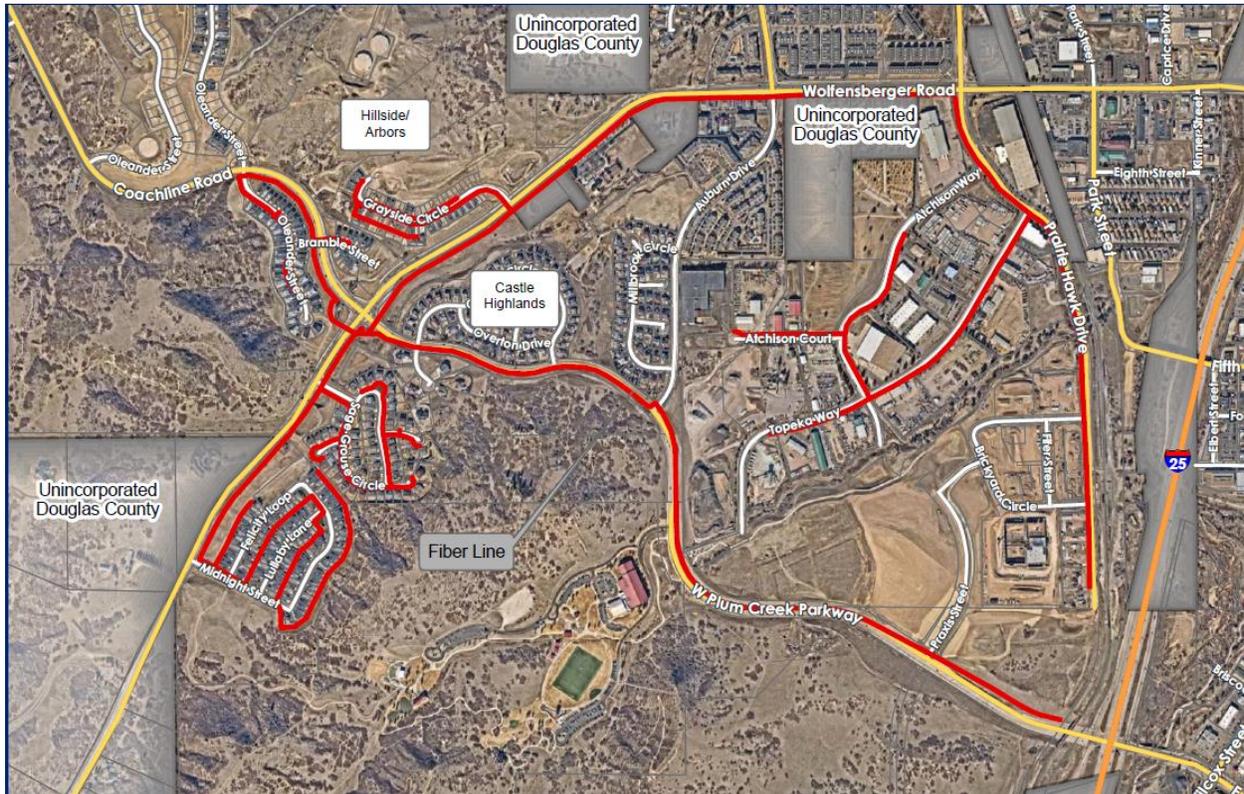

A pre-application meeting request was submitted seeking information on application and submittal requirements to utilize the vacant parcel north of the existing Castle Rock Ford dealership for overflow parking. The proposed overflow lot will exclusively showcase customer-facing, sale-ready inventory for up to approximately two hundred vehicles. The proposed project is located southeast of the intersection of Brookside Circle and South Wilcox Street, in Councilmember Dietz's district.

Douglas County Election Addition

A pre-application meeting request was submitted seeking information on application and submittal requirements to build a new 8,750-square-foot extension to the existing Douglas County Elections Building located at 125 Stephanie Place. The proposed extension would ease ballot processing, recording protocols, and overall operational efficiency while also providing public viewing transparency and facility security. The proposed project is located southeast of the intersection of Kinner Street and Park Street, in Councilmember Davis' district.

Metronet Fiber

A pre-application meeting request was submitted seeking information on application and submittal requirements to install new underground Fiber-to-the-Home infrastructure. The proposed project scope will include approximately 38,800 linear feet of new conduit, vaults, handholes and associated fiber pathways in accordance with Town standards and utility guidelines. The proposed project construction will occur within public right-of-way or approved easements located generally along the Wolfensberger corridor, between Prairie Hawk Drive and Midnight Street. In Councilmember Bracken and Councilmember Hollingshead's districts

Ocedon Vehicle Storage

A pre-application meeting request was submitted seeking information on application and submittal requirements to improve the site and establish a vehicle storage lot. The intended improvement consists of installing a security fence along the north and east side property lines to control and secure access to the site. The proposed project is located west of the intersection of South Gilbert Street and Ash Avenue, in Councilmember Dietz's district.

Sam's Club Renovation

A pre-application meeting request was submitted seeking information on application and submittal requirements to make exterior renovations to the existing Sam's Club, to include installing new bollards across the entrance, replacement of the main exit and entrance door utilizing existing opening, and update building and fuel station signage. The proposed installation would provide safety for members and employees. The proposed project is located west of I-25 and south of the Castle Rock Parkway ramp, in Councilmember Davis' district.

Walmart Expansion

A pre-application meeting request was submitted seeking information on application and submittal requirements to expand the Walmart Supercenter by 6,680-square-feet to accommodate online pickup operations. In addition to the expansion, proposed site improvements such as parking modifications, circulation adjustments, and pedestrian access enhancements are included. The proposed project is located northeast of the intersection of Front Street and Sam Walton Lane, in Councilmember Davis' district.

Ongoing Development Activity:
