**From:** Tara Vargish, PE, Director of Development Services

**Title:** Town Manager Report – Development Project Updates

This report contains development updates and new submittals or requests submitted to staff since the last update to Town Council. The high-growth nature of Castle Rock results in numerous and diverse questions from individuals seeking information about existing conditions and future plans and formal applications for development. More information on community development activity and formal land use applications are located on the Town website under the Development Activity Map link, which can be accessed at [CRGov.com/DevelopmentActivityMap](http://CRGov.com/DevelopmentActivityMap)

### New Quasi-Judicial Applications Requiring Public Hearings

#### Territorial Road Annexation

A new Quasi-Judicial application was received for the annexation of several parcels of land, totaling 2.9 acres, to be known as the Territorial Road Annexation. ACM Dawson Trails VIII JV LLC and the Town of Castle Rock are co-petitioners on the proposed annexation and zoning of the parcels that are within, or adjacent to, the current Territorial Road right-of-way. Most of the parcels will be zoned for mixed use development within the Dawson Trails Planned Development and will be assimilated into the adjacent planning area. Parcels remaining in future right-of-way will be zoned as public land. The property is adjacent to Councilmember Dietz' district.
