### Executive Summary

In November of 2020, Town Council adopted a new Downtown Historic Preservation Grant Policy. The purpose of the Town's ***Downtown Historic Preservation Grant Program*** is to provide monetary assistance with rehabilitation and restoration of historic properties within the Downtown Overlay District (DOD) for exterior improvements. These grants are available up to 50% of the project cost up to \$25,000. These funds are awarded to property owners within the DOD on a two-round, competitive basis as recommended by the Historic Preservation Board and approved by Town Council. Staff received no applications for the first round of 2022, and received only one application for the second round, which closed on August 1, 2022.

The Castle Rock Chamber Foundation, located at 420 Jerry Street (**Attachment A**), are requesting a downtown historic preservation grant to assist with the cost of siding replacement with like materials (**Attachment B**). The Chamber of Commerce building, also known as the Christensen House and Victoria's House, is locally landmarked. This downtown historic preservation grant request is for \$25,000.

### Background

#### *Matching Historic Preservation Grant – June, 1995*

A \$10,000 grant from the Town of Castle Rock and the Colorado Historical Society for interior and exterior renovations including cleaning the stone, tuck pointing masonry and roofing.

### Discussion

The Chamber of Commerce building is located at 420 Jerry Street, at the south east corner of 4<sup>th</sup> Street and Jerry St. The building is also known as the Christenson House and/or Victoria's House was built in 1889. The most prominent owner of the house was Victoria Christenson, who lived in the house from sometime in the 1910's until her death in 1942. In 1995, a landmark alteration certificate was approved for the east addition of the building.

## **Analysis**

When Town Council adopted the resolution creating the downtown historic preservation grant program, Council also adopted the policy to which the grant applications should be considered (**Attachment C**). This application met the eligibility requirements, deadline to submit, and included all of the required submittal documents (**Attachment B**). This independent staff analysis takes into account the representations made in the application and attachments submitted to date.

### *Grant Criteria and Prioritization (per the Downtown Historic Preservation Grant Policy)*

The Historic Preservation Board and Town Council will consider grant applications based on the following priorities:

- Whether the property already has a Landmark Designation
  - Properties with National or State Landmark Designation take priority over Locally Landmarked properties
- The request is for matching funds for an already-awarded State Historic Fund grant or other National grant for historic preservation
- The property is not landmarked but is in need of restoration/rehabilitation, as determined by the Historic Preservation Board
- The building faces Courthouse Square (Douglas County building at 301 N. Wilcox Street, surround by Fourth Street, Wilcox Street, Third Street, and Jerry Street)
- The property is within Downtown Core District, as defined in CRMC 17.42.070.B, Downtown Overlay District
- Whether the property is owned or leased by a non-profit organization
- The project meets the Secretary of Interior Standards for historic preservation
- The applicant's ability to provide the required matching funds and to complete the project

*Analysis: The grant request meets this criterion and is the only grant application submitted for the 2022 funding cycle. The property is locally landmarked. The property is within the Downtown Core District of the Downtown Overlay District. The Chamber of Commerce is a non-profit organization. The applicant is providing the required matching funds to complete the project. Lastly, the project meets the Secretary of Interior Standards for historic preservation.*

## **Budget Impact**

Staff has not received any other downtown historic preservation grant applications for 2022 consideration. Therefore, the total 2022 budget of \$50,000 is available.

## **Recommendation**

Staff believes this grant application meets the goals of the Downtown Historic Preservation Grant Policy. Therefore, staff recommends that the Historic Preservation Board recommends approval to Town Council of this downtown historic preservation grant application.

### **Proposed Motion**

I move to recommend that Town Council approve a Downtown Historic Preservation Grant for \$25,000 to assist with the siding replacement for the Chamber of Commerce, located at 420 Jerry Street, per the grant application submitted by the property owner.
