

Your Sales Tax Dollars at Work

When you see an officer performing a traffic stop, a street sweeper cleaning the road, or a firefighter extinguishing a blaze, that's your tax dollars at work. When a broken swing at your neighborhood park is repaired, or the snow is cleared from your road; when trails are maintained and the Recreation Center and MAC are sparkling clean - that's your tax dollars at work. Property tax and sales tax revenue work together

to fund the services that make Castle Rock special. For more information please visit: CRgov.com/YourTaxes

Festival Park Grand Opening

Festival Park is the heart of Downtown Castle Rock and is home to some of the community's most treasured events. Now, this central gathering space has been transformed into a vibrant urban center. This project was planned through a collaborative effort of residents, the Downtown Development Authority, Downtown Merchants Association and the Town. From June 1st-3rd, the grand opening celebration weekend gave the reimagined Festival Park the welcome it deserves.

Upcoming Events at Festival Park include Downtown After 5 - Tusk the Ultimate Fleetwood Mac Tribute on Friday, June 22, 5:30-9 p.m. Learn more about what's happening in Festival Park at: CRgov.com/FestivalPark.

Meadows Parkway Reconstruction

The Town is investing in a full reconstruction of Meadows Parkway between Prairie Hawk Drive and U.S. Highway 85. Crews will completely remove the concrete pavement and replace it with asphalt. When work is done, your drive will be much smoother.

Work is expected to last through August. During that time, we're asking for your patience. **Please consider leaving extra time during your commute, or following one of the following alternate routes:**

- **North Meadows Drive** connects to U.S. 85 and then to I-25 as Castle Rock Parkway. It's also a good route to the Outlets at Castle Rock and the Promenade at Castle Rock
- **Coachline Road** connects to Wolfensberger Road and then to I-25. It can also take you to Plum Creek Parkway and on to I-25
- **Prairie Hawk Drive** to Wolfensberger or Red Hawk Drive to Wolfensberger will also get you to I-25

WISE Water Celebration Festival

For years, Castle Rock Water has made providing long term, renewable water a priority. Now, a major milestone has been reached and the first drops of WISE water are headed to Town. This celebration commemorated this accomplishment and offered a look at what's coming up next for water in Castle Rock.

After stakeholders officially cut the ribbon, the community was invited for a festival full of games, food trucks, bump soccer, bounce houses, a foam party, giant bubbles, water colors and more. Plus, a chance to meet the Most Hydrated Man in Castle Rock. Learn more about WISE Water at CRgov.com/WISEWater.
