

Meeting Date: April 6, 2021

AGENDA MEMORANDUM

To: David L. Corliss, Town Manager

From: Tara Vargish, PE, Director of Development Services

Title: **Town Manager Report – Development Project Updates**

This report contains development updates and new submittals or requests that have been submitted to staff since the last update to Town Council. The high growth nature of Castle Rock results in numerous and diverse questions from individuals seeking information about existing conditions and future plans, as well as formal applications for development. More information on community development activity and formal land use applications are located on the Town website under the Development Activity Map link, which can be accessed at CRGov.com/DevelopmentActivityMap

1. New Quasi-Judicial Applications Requiring Public Hearings

No new quasi-judicial applications have been received since the previous report.

2. New Pre-Application Meeting Requests

6 South Cantril Street

A pre-application meeting request was submitted seeking information on application and submittal requirements on a site development plan for a 4,000 square foot duplex and detached garage structure on a vacant lot at 6 South Cantril Street in the Craig and Gould neighborhood. The parcel is located just southeast of Cantril and South Streets.

Timing of the project is unknown. The proposal is located in Councilmember LaFleur's District.

Lenn Haffemen Disconnection – Parcel West of 595 Nova Place

A pre-application meeting request was submitted by Lenn Haffeman seeking information on application and submittal requirements to disconnect his vacant 35.6-acre property located in Maher Ranch from the Town of Castle Rock. The property (consisting of three parcels) is located directly west of 595 Nova Place in Sapphire Point. The applicant has been trying to build one single family residence and a barn for more than two years but has not been able to solve the domestic water supply issue. The proposal is located in Councilmember Cavey's District.

484 Crystal Valley Parkway Retail

A pre-application meeting request was submitted seeking information on application and submittal requirements for a site development plan for a 6,000 square foot multi-use

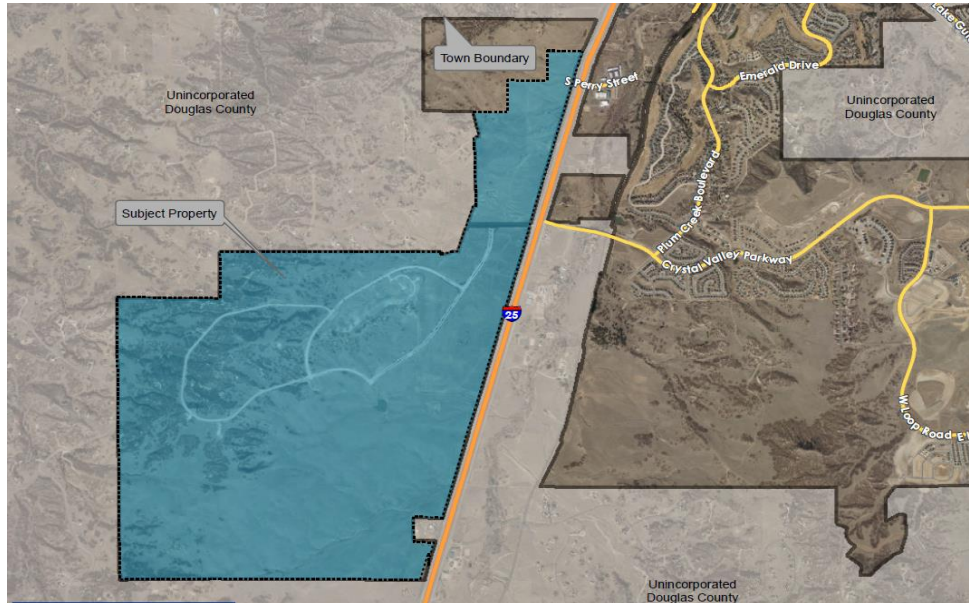

retail building in Heckendorf Planned Development, located just west of the new liquor and convenience store at 484 Crystal Valley Parkway. The applicant is proposing a coffee shop with an open air roof patio, a martial arts gym and an additional space for another tenant. The applicant is proposing plans for a future 2,000 square foot retail building as well. Timing of the project is unknown. The proposal is located in Councilmember Dietz's district.

Arby's Remodel

A pre-application meeting request was submitted seeking information on application and submittal requirements on remodeling the exterior and interior of the Arby's restaurant at 742 Genoa Way. Arby's is located on the southeast corner of North Castleton Drive and Genoa Way. The applicant is proposing exterior renovations to the tower feature, adding a canopy to the drive thru, updating wall scones with LEDs, new paint and parking lot repairs. The applicant is also proposing interior remodel of the dining and order counter area. Timing of the project is unknown. The proposal is located in Councilmember LaFleur's district.

Dawson's Ridge

A pre-application meeting request was submitted seeking information on application and submittal requirements to amend the existing Dawson Ridge Planned Development and add a portion of the Westfield Trade Center Planned Development into one larger Dawson Ridge Planned Development. The 2,000+ acre site is located directly west of I-25 and Crystal Valley Parkway, and generally south of West Plum Creek Parkway and north of Tomah Road. The proposal plans to provide significant commercial tax base development opportunities, space for new employment centers, a diverse array of residential uses and a large network of open space, parks and trails. Timing of the project is unknown. The proposal is located in Councilmember Dietz's district.

Founders Market Place

A pre-application meeting request was submitted seeking information on application and submittal requirements on a site development plan for 2 separate drive thru buildings (2200 square feet each) on a 1.38 acre lot. The general area is located on the northeast corner of Fifth Street and Founders Parkway, directly east of the Canvas Credit Union. The proposal calls for a drive thru coffee shop and a drive thru restaurant use. Timing of the project is unknown. The proposal is located in Councilmember Cavey's district.

West End of Nova Place

A pre-application meeting request was submitted seeking information on application and submittal requirements to build a new single-family residence, sports court, playfield and entertainment building on three lots at the west end of Nova Place in Sapphire Pointe. Timing of the project is unknown. The proposal is located in Councilmember Cavey's District.
