B. Mandatory Redemption. The Term Bonds, if any, shall be subject to mandatory sinking fund redemption at the times, in the amounts and at the prices provided in the Sale Certificate.

On or before the thirtieth day prior to each such sinking fund payment date, the Registrar shall proceed to call the Term Bonds for redemption from such sinking fund on the next June 1, and give notice of such call without further instruction or notice from the Town.

At its option, to be exercised on or before the sixtieth day next preceding any such sinking fund redemption date, the Town may (a) deliver to the Registrar for cancellation Term Bonds in an aggregate principal amount desired or (b) receive a credit in respect of its sinking fund redemption obligation for any Term Bonds, which prior to said date have been redeemed (otherwise than through the operation of the sinking fund) and canceled by the Registrar and not theretofore applied as a credit against any sinking fund redemption obligation. Each Series 2020 Bond so delivered or previously redeemed will be credited by the Registrar at the principal amount thereof on the obligation of the Town on such sinking fund redemption date and the principal amount of Series 2020 Bonds to be redeemed by operation of such sinking fund on such date will

be accordingly reduced. The Town will on or before the sixtieth day next preceding each sinking fund redemption date furnish the Registrar with its certificate indicating whether or not and to what extent the provisions of (a) and (b) of the preceding sentence are to be availed with respect to such sinking fund payment. Failure of the Town to deliver such certificate shall not affect the Registrar's duty to give notice of sinking fund redemption as provided in this paragraph B.

C. Partial Redemption. In the case of Series 2020 Bonds of a denomination larger than \$5,000, a portion of such Series 2020 Bond (\$5,000 or any integral multiple thereof) may be redeemed, in which case the Registrar shall, without charge to the owner of such Series 2020 Bond, authenticate and issue a replacement Series 2020 Bond or Series 2020 Bonds for the unredeemed portion thereof.

Failure to give such notice by mailing to the registered owner of any Series 2020 Bond or to the Purchaser or any defect therein, shall not affect the validity of the proceedings for the redemption of any other Series 2020 Bonds.

Such notice shall identify the Series 2020 Bonds or portions thereof to be redeemed (if less than all are to be redeemed) and the date fixed for redemption, and shall further state that on such redemption date the principal amount thereof and the designated premium thereon, if any, will become due and payable at the Paying Agent, and that from and after such date interest will cease to accrue. Accrued interest to the redemption date will be paid by check or draft mailed to the registered owner (or by alternative means if so agreed to by the Paying Agent and the registered owner). Notice having been given in the manner hereinabove provided, the Series 2020 Bond or Series 2020 Bonds so called for redemption shall become due and payable on the redemption date so designated; and upon presentation and surrender thereof at the Paying Agent, the Town will pay the principal of and premium, if any, on the Series 2020 Bond or Series 2020 Bonds so called for redemption.

Notwithstanding the provisions of this Section, any notice of redemption shall either (a) contain a statement that the redemption is conditioned upon the receipt by the Paying

Agent on or before the redemption date of funds sufficient to pay the redemption price of the Series 2020 Bonds so called for redemption, and that if such funds are not available, such redemption shall be cancelled by written notice to the Owners of the Series 2020 Bonds called for redemption in the same manner as the original redemption notice was mailed, or (b) be given only if funds sufficient to pay the redemption price of the Series 2020 Bonds so called for redemption are on deposit with the Paying Agent in the applicable fund or account.

Section 7. Special Obligations. All of the Series 2020 Bonds, together with the interest accruing thereon shall be payable and collectible solely out of the Pledged Revenues and the Pledged Accounts, which are hereby irrevocably so pledged; the owner or owners of the Series 2020 Bonds may not look to any general or other fund for the payment of principal and interest on the Series 2020 Bonds, except the designated special funds pledged therefor; and the Series 2020 Bonds shall not constitute an indebtedness nor a debt within the meaning of any applicable charter, constitutional or statutory provision or limitation; nor shall they be considered or held to be general obligations of the Town.

Section 8. Form of Series 2020 Bonds and Registration Panel. The Series 2020 Bonds and the registration panel shall be substantially as follows (provided that any portion of the Series 2020 Bond text may, with appropriate references, be printed on the back of the Series 2020 Bonds), with such omissions, insertions, endorsements, and variations as to any recitals of fact or other provisions as may be required by the circumstances, be required or permitted by this Ordinance, or be consistent with this Ordinance and necessary or appropriate to conform to the rules and requirements of any governmental authority or any usage or requirement of law with respect thereto:

Section 9. Uniform Commercial Code. Subject to the registration provisions hereof, the Series 2020 Bonds shall be fully negotiable and shall have all the qualities of negotiable paper, and the owner or owners thereof shall possess all rights enjoyed by the holders or owners of negotiable instruments under the provisions of the Uniform Commercial Code-Investment Securities. The principal of and interest on the Series 2020 Bonds shall be paid, and the Series 2020 Bonds shall be transferable, free from and without regard to any equities between the Town and the original or any intermediate owner of any Series 2020 Bonds or any setoffs or cross-claims.

Section 10. Execution. The Series 2020 Bonds shall be executed in the name and on behalf of the Town by the signature of the Mayor, shall be sealed with a manual or facsimile impression of the seal of the Town and attested by the signature of the Town Clerk. Each Series 2020 Bond shall be authenticated by the manual signature of an authorized officer or employee of the Registrar as hereinafter provided. The signatures of the Mayor and the Town Clerk may be by manual or facsimile signature. The Series 2020 Bonds bearing the manual or facsimile signatures of the officers in office at the time of the authorization thereof shall be the valid and binding obligations of the Town (subject to the requirement of authentication by the Registrar as hereinafter provided), notwithstanding that before the delivery thereof and payment therefor or before the issuance of the Series 2020 Bonds upon transfer or exchange, any or all of the persons whose manual or facsimile signatures appear thereon shall have ceased to fill their respective offices. The Mayor and the Town Clerk shall, by the execution of a signature certificate pertaining to the Series 2020 Bonds, adopt as and for their respective signatures any facsimiles thereof appearing on the Series 2020 Bonds. At the time of the execution of the signature certificate, the Mayor and the Town Clerk may each adopt as and for his or her facsimile signature the facsimile signature of his or her predecessor in office in the event that such facsimile signature appears upon any of the Series 2020 Bonds.

No Series 2020 Bond shall be valid or obligatory for any purpose unless the certificate of authentication, substantially in the form hereinafter provided, has been duly manually executed by the Registrar. The Registrar's certificate of authentication shall be deemed to have been duly executed by the Registrar if manually signed by an authorized officer or employee of the Registrar, but it shall not be necessary that the same officer or employee sign the certificate of authentication on all of the Series 2020 Bonds issued hereunder. By authenticating any of the

Series 2020 Bonds initially delivered pursuant to this Ordinance, the Registrar shall be deemed to have assented to the provisions of this Ordinance.

Section 11. Registration, Transfer and Exchange.

A. Except as provided in Section 12, records for the registration and transfer of the Series 2020 Bonds shall be kept by the Registrar, which is hereby appointed by the Town as registrar (*i.e.*, transfer agent) for the Series 2020 Bonds. Upon the surrender for transfer of any Series 2020 Bond at the Registrar, duly endorsed for transfer or accompanied by an assignment duly executed by the registered owner or his attorney duly authorized in writing, the Registrar shall enter such transfer on the registration records and shall authenticate and deliver in the name of the transferee or transferees a new Series 2020 Bond or Series 2020 Bonds of the same series, of a like aggregate principal amount and of the same maturity and interest rate. Series 2020 Bonds may be exchanged at the Registrar for an equal aggregate principal amount of Series 2020 Bonds of the series and the same maturity and interest rate of other authorized denominations. The Registrar shall authenticate and deliver a Series 2020 Bond or Series 2020 Bonds which the registered owner making the exchange is entitled to receive, bearing a number or numbers not previously assigned. The Registrar may impose reasonable charges in connection with such exchanges and transfers of Series 2020 Bonds, which charges (as well as any tax or other governmental charge required to be paid with respect to such exchange or transfer) shall be paid by the registered owner requesting such exchange or transfer.

B. Except as provided in Section 12, the Registrar shall not be required to transfer or exchange (1) any Series 2020 Bond or portion thereof during a period beginning at the opening of business 15 days before the day of the mailing of notice of prior redemption as herein provided and ending at the close of business on the day of such mailing, or (2) any Series 2020 Bond or portion thereof after the mailing of notice calling such Series 2020 Bond or any portion thereof for prior redemption, except for the unredeemed portion of the Series 2020 Bonds being redeemed in part.

C. The person in whose name any Series 2020 Bond shall be registered, on the registration records kept by the Registrar, shall be deemed and regarded as the absolute owner thereof for the purpose of making payment thereof and for all other purposes; except as may be otherwise provided in Section 5 hereof with respect to payment of interest; and, subject to such exception, payment of or on account of either principal or interest on any Series 2020 Bond shall

be made only to or upon the written order of the registered owner thereof or his legal representative, but such registration may be changed upon transfer of such Series 2020 Bond in the manner and subject to the conditions and limitations provided herein. All such payments shall be valid and effectual to discharge the liability upon such Series 2020 Bond to the extent of the sum or sums so paid.

D. If any Series 2020 Bond shall be lost, stolen, destroyed or mutilated, the Registrar shall, upon receipt of such evidence, information or indemnity relating thereto as it and the Town may reasonably require, authenticate and deliver a replacement Series 2020 Bond or Series 2020 Bonds of a like aggregate principal amount and of the same maturity and interest rate bearing a number or numbers not previously assigned. If such lost, stolen, destroyed, or mutilated Series 2020 Bond shall have matured, is about to become due and payable, the Registrar may direct the Paying Agent to pay such Series 2020 Bond in lieu of replacement.

E. The officers of the Town are authorized to deliver to the Registrar fully executed but unauthenticated Series 2020 Bonds in such quantities as may be convenient to be held in custody by the Registrar pending use as herein provided.

F. Whenever any Series 2020 Bond shall be surrendered to the Paying Agent upon payment thereof, or to the Registrar for transfer, exchange or replacement as provided herein, such Series 2020 Bond shall be promptly cancelled by the Paying Agent or Registrar in accordance with the customary practices of the Paying Agent and applicable retention laws.

Section 12. Book Entry.

A. Notwithstanding any contrary provision of this Ordinance, the Series 2020 Bonds shall initially be evidenced by one Series 2020 Bond for each maturity and interest rate in denominations equal to the aggregate principal amount of the Series 2020 Bonds maturing for that maturity and interest rate. Such initially delivered Series 2020 Bonds shall be registered in the name of “Cede & Co.” as nominee for The Depository Trust Company, the securities depository for the Series 2020 Bonds. The Series 2020 Bonds may not thereafter be transferred or exchanged except:

(i) to any successor of DTC or its nominee, which successor must be both a “clearing corporation” as defined in Section 4-8-102(a)(5), C.R.S. and a qualified and registered “clearing agency” under Section 17A of the Securities Exchange Act of 1934, as amended; or

(ii) upon the resignation of DTC or a successor or new Depository under clause (1) or this clause (2) of this paragraph A, or a determination by the Council that DTC or such successor or a new Depository is no longer able to carry out its functions, and the designation by the Council of another Depository acceptable to the Council and to the Depository then holding the Series 2020 Bonds, which new Depository must be both a “clearing corporation” as defined in Section 4-8-102(a)(5), C.R.S. and a qualified and registered “clearing agency” under Section 17A of the Securities Exchange Act of 1934, as amended, to carry out the functions of DTC or such successor new Depository; or

(iii) upon the resignation of DTC or a successor or new Depository under clause (1) above or designation of a new Depository pursuant to clause (2) above, or a determination of the Council that DTC or such successor or Depository is no longer able to carry out its functions, and the failure by the Council, after reasonable investigation, to locate another Depository under clause (2) to carry out such Depository functions.

B. In the case of a transfer to a successor of DTC or its nominee as referred to in clause (1) or (2) of paragraph A hereof, upon receipt of the Outstanding Series 2020 Bonds by the Registrar together with written instructions for transfer satisfactory to the Registrar, a new Series 2020 Bond for each maturity and interest rate of the Series 2020 Bonds then Outstanding shall be issued to such successor or new Depository, as the case may be, or its nominee, as is specified in such written transfer instructions. In the case of a resignation or determination under clause (3) of paragraph A hereof and the failure after reasonable investigation to locate another qualified Depository for the Series 2020 Bonds as provided in clause (3) of paragraph A hereof, and upon receipt of the Outstanding Series 2020 Bonds by the Registrar, together with written instructions for transfer satisfactory to the Registrar, new Series 2020 Bonds shall be issued in denominations of \$5,000 or any integral multiple thereof, shall be issued in authorized amounts, registered in the names of such Persons, and in such authorized denominations as are requested in such written transfer instructions; however, the Registrar shall not be required to deliver such new Series 2020 Bonds within a period of less than 60 days from the date of receipt of such written transfer instructions.

C. The Council, the Registrar and the Paying Agent shall be entitled to treat the registered owner of any Series 2020 Bond as the absolute owner thereof for all purposes hereof and any applicable laws, notwithstanding any notice to the contrary received by any or all of them

and the Council, the Registrar and the Paying Agent shall have no responsibility for transmitting payments or notices to the Beneficial Owners of the Series 2020 Bonds held by DTC or any successor or new Depository named pursuant to paragraph A hereof.

D. The Council, the Registrar and the Paying Agent shall endeavor to cooperate with DTC or any successor or new Depository named pursuant to clause (1) or (2) of paragraph A hereof in effectuating payment of the principal amount of the Series 2020 Bonds upon maturity or prior redemption by arranging for payment in such a manner that funds representing such payments are available to the Depository on the date they are due.

E. Upon any partial redemption of any of the Series 2020 Bonds, Cede & Co. (or its successor) in its discretion may request the Town to issue and authenticate a new Series 2020 Bond or shall make an appropriate notation on the Series 2020 Bond indicating the date and amount of prepayment, except in the case of final maturity, in which case the Series 2020 Bond must be presented to the Registrar prior to payment. The records of the Paying Agent shall govern in the case of any dispute as to the amount of any partial prepayment made to Cede & Co. (or its successor).

Section 13. Delivery of Series 2020 Bonds and Disposition of Proceeds.

When the Series 2020 Bonds have been duly executed by appropriate Town officers and authenticated by the Registrar, the Town shall cause the Series 2020 Bonds to be delivered to the Purchaser upon receipt of the agreed purchase price. The Series 2020 Bonds shall be delivered in such denominations as the Purchaser shall direct (but subject to the provisions of Sections 11 and 12 hereof); and the Registrar shall initially register the Series 2020 Bonds in such name or names as the Purchaser shall direct.

The proceeds of the Series 2020 Bonds (net of underwriter's discount and the premiums to be paid for the Bond Insurance Policy and/or Bond Reserve Insurance Policy, if any) shall be deposited promptly by the Town and shall be accounted for in the following manner and are hereby pledged therefor, but the Purchaser of the Series 2020 Bonds or any subsequent Owner in no manner shall be responsible for the application or disposal by the Town or any of its officers of any of the funds derived from the sale:

First, there shall be credited to the "Town of Castle Rock, Colorado, Taxable Sales and Use Tax Revenue Refunding Bonds, Series 2020, Escrow Account" (the "Escrow Account"), which is hereby created, an amount which shall be sufficient, together with other Town funds

available for such purpose, to establish any initial cash balance remaining uninvested and to buy Federal Securities to sufficient effect the Refunding Project.

Second, the balance of the proceeds shall be deposited with the Paying Agent to be applied for the purpose of paying, together with any other money available therefor, costs of issuance of the Bonds.

Section 14. Lien on Pledged Revenues and Pledged Accounts; Use of Pledged Revenues. The Series 2020 Bonds constitute a pledge of, and an irrevocable lien (but not necessarily an exclusive such lien) on all of the Pledged Revenues and the Pledged Accounts. The Bonds are equally and ratably secured by a lien on the Pledged Revenues. The Bonds are also secured by and exclusive lien on the Pledged Accounts. So long as any Series 2020 Bonds shall be Outstanding, either as to principal or interest, the Pledged Revenues shall, upon receipt by the Town, be applied as follows:

A. Bond Account. First, there shall be credited from the Pledged Revenues, concurrently with amounts required to meet the principal of and interest on other Outstanding Bonds, to a special account hereby created and held by the Town, known as the “Town of Castle Rock, Taxable Sales and Use Tax Revenue Refunding Bond Account, 2020,” the following amounts:

(1) Interest Payments. Monthly, commencing on the first day of the month immediately succeeding the delivery of the Series 2020 Bonds, an amount in equal monthly installments necessary, together with any other moneys from time to time available therefor from whatever source, to pay the interest due and payable on the Series 2020 Bonds on the next succeeding interest payment date.

(2) Principal Payments. Monthly, commencing on the first day of the month immediately succeeding the delivery of the Series 2020 Bonds, or commencing on the first day of the month one year next prior to the first principal payment date of the Series 2020 Bonds, whichever commencement date is later, an amount in equal monthly installments necessary, together with any other moneys from time to time available therefor from whatever source, to pay the next installment of principal of the Series 2020 Bonds coming due at maturity, or pursuant to Section 5 hereof, if any.

If prior to any interest payment date or principal payment date there has been accumulated in the Bond Account the entire amount necessary to pay the next maturing installment

of interest or principal, or both, the payment required in subparagraph (1) or (2) (whichever is applicable) of this paragraph, may be appropriately reduced; but the required monthly amounts again shall be so credited to such account commencing on such interest payment date or principal payment date. The moneys in the Bond Account shall be used only to pay the principal of, prior redemption premium if any, and interest on the Series 2020 Bonds as the same becomes due.

B. Reserve Account. Second, except as hereinafter provided, from any remaining Pledged Revenues there shall be credited, concurrently with amounts required to be credited to reserve funds or accounts for other Outstanding Bonds, monthly to a special account hereby created and held by the Town, known as the “Town of Castle Rock Taxable Sales and Use Tax Revenue Refunding Bonds Reserve Account, 2020” an amount, if any, which is necessary to maintain the Reserve Account as a continuing reserve in an amount not less than the Reserve Account Requirement or to pay the issuer of any Bond Reserve Insurance Policy any amounts owing to such issuer under the terms of the Bond Reserve Insurance Policy. Upon issuance of the Series 2020 Bonds, all or any portion of the Reserve Account Requirement may be met by the deposit into the Reserve Account of a Bond Reserve Insurance Policy. In determining the amounts required to be deposited as provided above, the Town shall receive credit for any investment earnings on the deposit in the Reserve Account. Investment earnings on deposits in the Reserve Account shall remain in the Reserve Account if the amount on deposit in the Reserve Account does not equal the Reserve Account Requirement. No credit need be made to the Reserve Account so long as the moneys and/or a Bond Reserve Insurance Policy therein equal the Reserve Account Requirement (regardless of the source of such accumulations). The Reserve Account Requirement shall be accumulated and maintained as a continuing reserve to be used, except as provided in paragraphs C and E of this Section and Section 20 hereof, only to prevent deficiencies in the payment of the principal of and the interest on the Series 2020 Bonds resulting from the failure to credit to the Bond Account sufficient funds to pay said principal and interest as the same accrue or to pay the issuer of any Bond Reserve Insurance Policy any amounts owing to such issuer under the terms of the Bond Reserve Insurance Policy.

In lieu of all or a portion of the moneys required to be deposited in the Reserve Account by this Ordinance, the Town may at any time or from time to time deposit a Bond Reserve Insurance Policy in the Reserve Account in full or partial satisfaction of the Reserve Account Requirement. Any such Bond Reserve Insurance Policy shall be payable (or available to be drawn

upon) on any date on which moneys will be required to be withdrawn from the Reserve Account as provided herein. Upon deposit of any Bond Reserve Insurance Policy in the Reserve Account, the Town may transfer moneys equal to the amount payable under the Bond Reserve Insurance Policy from the Reserve Account and apply such moneys to any lawful purpose.

C. Termination Upon Deposits to Maturity or Redemption Date. No payment need be made into the Bond Account, the Reserve Account, or both, if the amount in the Bond Account and the amount in the Reserve Account total a sum at least equal to the entire amount of the Outstanding Series 2020 Bonds, both as to principal and interest to their respective maturities, or to any redemption date on which the Town shall have exercised its option to redeem the Series 2020 Bonds then Outstanding and thereafter maturing, including any prior redemption premiums then due, and both accrued and not accrued, in which case moneys in the Bond Account and Reserve Account in an amount at least equal to such principal and interest requirements shall be used solely to pay such as the same accrue, and any moneys in excess thereof in the two Accounts may be withdrawn and used for any lawful purpose.

D. Defraying Delinquencies in Bond and Reserve Accounts. If on any required monthly payment date the Town shall for any reason fail to pay into the Bond Account the full amount above stipulated, then an amount shall be paid into the Bond Account on such date from the Reserve Account equal to the difference between the amount paid and the full amount so stipulated. Any cash on deposit in the Reserve Account shall be transferred to the Bond Account to cover such a deficiency prior to the transfer of funds drawn under the Bond Reserve Insurance Policy. After such a draw any available Pledged Revenues, after the payments required by paragraph A of this Section, shall be used first to repay the issuer of the Bond Reserve Insurance Policy to reinstate the Bond Reserve Insurance Policy and then to replenish cash in the Reserve Account. The cash so used shall be replaced in the Reserve Account from the first Pledged Revenues received that are not required to be otherwise applied by this Section, but excluding any payments required for any subordinate obligations; provided, however, that an amount equal to the amount withdrawn from the Reserve Account shall be deposited by the Town in the Reserve Account no later than twelve months from the date of such withdrawal. If at any time the Town shall for any reason fail to pay into the Reserve Account the full amount above stipulated from the Pledged Revenues, the difference between the amount paid and the amount so stipulated shall in a like manner be paid therein from the first Pledged Revenues thereafter received not required to be

applied otherwise by this Section, but excluding any payments required for any subordinate obligations. The moneys in the Bond Account and in the Reserve Account shall be used solely for the purpose of paying the principal and any redemption premium of and the interest on the Series 2020 Bonds, except that moneys in the Reserve Account shall be used to pay the issuer of any Bond Reserve Insurance Policy any amounts owing to such issuer under the terms of the Bond Reserve Insurance Policy; provided, however, that any moneys at any time in excess of the Reserve Account Requirement in the Reserve Account may be withdrawn therefrom and used for any lawful purpose; and provided, further, that any moneys in the Bond Account and in the Reserve Account in excess of accrued and unaccrued principal and interest requirements to the respective maturities of the Outstanding Series 2020 Bonds may be used as provided in paragraphs G and H of this Section.

E. Rebate Account. Third, there shall be credited, to rebate funds or accounts for other Outstanding Bonds.

F. Interest on Bond Reserve Insurance Policy Draws. After the payments required by A, B and E of this Section, the Pledged Revenues shall be used to pay interest on amounts advanced under any Bond Reserve Insurance Policy.

G. Payment for Subordinate Obligations. After the payments required by paragraphs A, B, E, and F of this Section, the Pledged Revenues shall be used by the Town for the payment of interest on and principal of any obligations secured by Pledged Revenues subordinate to the lien of the Bonds, hereafter authorized to be issued, including reasonable reserves therefor.

H. Use of Remaining Revenues. After making the payments required to be made by this Section, any remaining Pledged Revenues may be used for any lawful purpose.

Nothing in this Ordinance shall prevent the Town from making refunds of amounts collected by the Town and subsequently determined, pursuant to Chapter 3.04, to be subject to valid claims for refunds.

Section 15. General Administration of Accounts. The accounts designated in Sections 13 and 14 hereof shall be administered as follows:

A. Budget and Appropriation of Accounts. The sums provided to make the payments specified in Section 14 hereof are hereby appropriated for said purposes, and said amounts for each year shall be included in the annual budget and the appropriation ordinance or measures to be adopted or passed by the Town Council in each year respectively while any of the

Series 2020 Bonds, either as to principal or interest, are Outstanding and unpaid. No provision of any constitution, statute, charter, ordinance, resolution, or other order or measure enacted after the issuance of the Series 2020 Bonds shall in any manner be construed as limiting or impairing the obligation of the Town to keep and perform the covenants contained in this Ordinance so long as any of the Series 2020 Bonds remain Outstanding and unpaid. Nothing herein shall prohibit the Town Council, at its sole option, from appropriating and applying other funds of the Town legally available for such purpose to the Bond Account or Reserve Account for the purpose of providing for the payment of the principal of, interest on or any premiums due with respect to the Series 2020 Bonds.

B. Places and Times of Deposits. Each of the special accounts described in Section 14 hereof shall be maintained as a book account kept separate and apart from all other accounts or funds of the Town as trust accounts solely for the purposes herein designated therefor. For purposes of investment of moneys, nothing herein prevents the commingling of moneys accounted for in any two or more such book accounts pertaining to the Pledged Revenues or to such accounts and any other funds of the Town to be maintained under this Ordinance. Moneys in any such book account shall be continuously secured to the fullest extent required by the laws of the State for the securing of public accounts. Each periodic payment shall be credited to the proper book account not later than the date therefor herein designated, except that when any such date shall be a Saturday, a Sunday or a legal holiday, then such payment shall be made on or before the next preceding business day.

C. Investment of Accounts. Any moneys in any account described in Section 14 of this Ordinance may be invested or reinvested in any Permitted Investment. Securities or obligations purchased as such an investment shall either be subject to redemption at any time at face value by the holder thereof at the option of such holder, or shall mature at such time or times as shall most nearly coincide with the expected need for moneys from the account in question. Securities or obligations so purchased as an investment of moneys in any such account shall be deemed at all times to be a part of the applicable account. The Town shall present for redemption or sale on the prevailing market any securities or obligations so purchased as an investment of moneys in a given account whenever it shall be necessary to do so in order to provide moneys to meet any required payment or transfer from such account.

D. No Liability for Losses Incurred in Performing Terms of Ordinance. Neither the Town nor any officer of the Town shall be liable or responsible for any loss resulting from any investment or reinvestment made in accordance with this Ordinance.

E. Character of Funds. The moneys in any fund or account herein authorized shall consist of lawful money of the United States or investments permitted by Section 15.C. hereof or both such money and such investments. Moneys deposited in a demand or time deposit account in or evidenced by a certificate of deposit of a Commercial Bank pursuant to Section 15.C. hereof, appropriately secured according to the laws of the State, shall be deemed lawful money of the United States.

Section 16. Escrow Account.

A. Creation and Maintenance of Escrow Account. The Escrow Account is created pursuant to the Escrow Agreement and shall be maintained in an amount at the time of those initial deposits therein and at all times subsequently at least sufficient, together with the known minimum yield to be derived from the initial investment and any temporary reinvestment of the deposits therein or any part thereof in Federal Securities to pay the principal of, redemption premium, if any, and interest on the Refunded Bonds on the Redemption Date.

B. Use of Escrow Account. Moneys shall be withdrawn by the Escrow Bank from the Escrow Account in sufficient amounts and at such times to permit the payment without default of the principal of, redemption premium, if any, and interest on the Refunded Bonds on the dates set forth in the Escrow Agreement. Any moneys remaining in the Escrow Account after provision shall have been made for the payment in full of the Refunded Bonds shall be applied to any lawful purpose of the Town as the Council may hereafter determine.

C. Exercise of Option. The Council has elected and does hereby declare its intent to exercise on the behalf and in the name of the Town its option to redeem the Refunded Bonds on the Redemption Date. Upon the issuance of the Series 2020 Bonds, the Council shall be obligated to exercise such option, which option shall be deemed to have been exercised when notice is duly given and completed as herein provided.

Section 17. Additional Bonds.

A. Limitations Upon Issuance of Additional Bonds. Nothing in this Ordinance shall be construed in such a manner as to prevent the issuance by the Town of Additional Bonds

payable from and constituting a lien upon the Pledged Revenues on a parity with the lien of the Bonds. Such Additional Bonds may be payable solely from Pledged Revenues or they may be payable from Pledged Revenues and another revenue or fund of the Town (“Additional Pledged Revenues”). Regardless of whether payable solely from Pledged Revenues or from Pledged Revenues and Additional Pledged Revenues, such bonds or other obligations may be issued only if for the Fiscal Year immediately preceding the issuance of any Additional Bonds, the amount of Pledged Sales and Use Tax in such Fiscal Year equaled or exceeded 125% of the Maximum Annual Debt Service Requirement on the Bonds (including the Additional Bonds proposed to be issued). In addition, if the Town has drawn on the Bond Reserve Insurance Policy or any similar policy for any other Bonds, the policy costs due and owing to the issuer of the Bond Reserve Insurance Policy or the issuer of any similar policy for any other Bonds shall be added to Maximum Annual Debt Service Requirement for purposes of determining if the test in the preceding sentence has been met. For the purpose of satisfying the aforementioned 125% test, any tax, now existing or hereafter imposed, which legally becomes a part of the Pledged Sales and Use Tax during the Fiscal Year preceding the issuance of Additional Bonds, or any tax which is to legally become a part of the Pledged Sales and Use Tax immediately prior to the issuance of Additional Bonds, or any increase in the rate of any tax which is a part of the Pledged Sales and Use Tax which increase is imposed during the Fiscal Year preceding the issuance of Additional Bonds or any such increase which is to be imposed immediately prior to or concurrently with the issuance of Additional Bonds can be considered for its estimated effect on the amount of the Pledged Sales and Use Tax as if such tax or increase had been in effect for the Fiscal Year immediately preceding the issuance of such Additional Bonds. Any tax which is no longer in effect at the time of issuance of the Additional Bonds shall not be considered for purposes of satisfying such tests.

B. Certificate of Revenues. A written certification by an officer or employee of the Town that the requirements of paragraph A of this Section have been met shall be conclusively presumed to be accurate in determining the right of the Town to authorize, issue, sell and deliver said Additional Bonds on a parity with the Series 2013 Bonds, the Series 2016 Bonds, and the Series 2020 Bonds herein authorized.

C. Subordinate Obligations Permitted. Nothing in this Ordinance shall be construed in such a manner as to prevent the issuance by the Town of additional obligations

payable from and constituting a lien upon the Pledged Revenues subordinate or junior to the lien of the Series 2020 Bonds.

D. Superior Obligations Prohibited. Nothing in this Ordinance shall be construed so as to permit the Town to hereafter issue obligations payable from the Pledged Revenues having a lien thereon prior or superior to the Series 2020 Bonds.

Section 18. Refunding Obligations.

A. Generally. If at any time after the Series 2020 Bonds, or any part thereof, shall have been issued and remain Outstanding, the Town shall find it desirable to refund any Outstanding obligations payable from the Pledged Revenues, said obligations, or any part thereof, may be refunded, subject to the provisions of paragraph B of this Section, if (1) the obligations to be refunded, at the time of their required surrender for payment, shall then mature or shall then be callable for prior redemption at the Town's option upon proper call, or (2) the owners of the obligations to be refunded consent to such surrender and payment.

B. Protection of Obligations Not Refunded. Any refunding obligations payable from the Pledged Revenues shall be issued with such details as the Town Council may provide, so long as there is no impairment of any contractual obligation imposed upon the Town by any proceedings authorizing the issuance of any unrefunded portion of obligations payable from the Pledged Revenues; but so long as any Series 2020 Bonds are Outstanding, refunding obligations payable from the Pledged Revenues may be issued on a parity with the unrefunded Bonds only if:

1. Prior Consent. The Town first receives the consent of the owner or owners of the unrefunded Bonds; or

2. Requirements Not Increased. The refunding obligations do not increase by more than \$25,000, for any Fiscal Year prior to and including the last maturity date of any unrefunded Bonds, the aggregate principal and interest requirements evidenced by such refunding obligations and by any Outstanding Bonds not refunded, and the lien of any refunding parity obligations on the Pledged Revenues is not raised to a higher priority than the lien thereon of any obligations thereby refunded; or

3. Earnings Test. The refunding obligations are issued in compliance with paragraphs A and B of Section 17 hereof.

Section 19. Protective Covenants. The Town hereby additionally covenants and agrees with each and every owner of the Series 2020 Bonds that:

A. Payment of Series 2020 Bonds. The Town will promptly pay the principal of and interest on every Series 2020 Bond issued hereunder and secured hereby on the dates and in the manner specified herein and in said Series 2020 Bonds according to the true intent and meaning hereof. Such principal and interest are payable solely from the Pledged Revenues and the Pledged Accounts.

B. Amendment or Repeal of Certain Ordinances; Duty to Impose Sales and Use Tax; Impairment of Contract. Chapter 3.04 is in full force and effect and has not been repealed. The Town will not repeal or amend said Chapter 3.04 in any manner which would diminish the proceeds of the Pledged Sales and Use Tax by an amount which would materially adversely affect the security for the Series 2020 Bonds. The Town agrees that any law, ordinance or resolution of the Town in any manner affecting the Pledged Revenues or the Series 2020 Bonds, or otherwise appertaining thereto, shall not be repealed or otherwise directly or indirectly modified in such manner as to materially adversely affect any Series 2020 Bonds Outstanding, unless the required consent is obtained, all as provided in Section 28 of this Ordinance.

Notwithstanding any other provision of this Section or this Ordinance, the Town shall retain the right to make changes, without any consent of Series 2020 Bond owners, in Chapter 3.04, or any ordinance supplemental thereto or in substitution therefor, concerning the use of proceeds of the Pledged Sales and Use Tax remaining after the current requirements of all ordinances authorizing bonds or other securities payable from the Pledged Sales and Use Tax, or any portion thereof, have been met; or concerning changes in applicability, exemptions, administration, collection, or enforcement of the Sales and Use Tax, if such changes do not materially adversely affect the security for the Series 2020 Bonds; but the Town shall not reduce the current rate of the Pledged Sales and Use Tax without the consent of the owners of at least 66 percent in aggregate principal amount of the then Outstanding Series 2020 Bonds, as provided in Section 28 of this Ordinance.

The foregoing covenants are subject to compliance by the Town with orders of courts of competent jurisdiction concerning the validity, constitutionality or collection of such tax revenues, any legislation of the United States or the State or any regulation or other action taken by the federal government, any State agency or any political subdivision of the State pursuant to

such legislation, in the exercise of the police power thereof for the public welfare, which legislation, regulation or action applies to the Town as a Colorado home rule town and limits or otherwise inhibits the amount of such tax revenues due to the Town. All of the Pledged Revenues resulting from the imposition and collection of the Sales and Use Tax shall be subject to the payment of the principal of, interest on, and redemption premium, if any, of all securities payable from the Pledged Revenues, including reserves therefor, as provided herein or in any instrument supplemental or amendatory hereof.

C. Defense of Legality of Pledged Revenues. There is not pending or threatened any suit, action or proceeding against or affecting the Town before or by any court, arbitrator, administrative agency or other governmental authority which affects the validity or legality of this Ordinance, or Chapter 3.04 or the imposition and collection of the Sales and Use Tax, any of the Town's obligations under this Ordinance or any of the transactions contemplated by this Ordinance or Chapter 3.04.

The Town shall, to the extent permitted by law, defend the validity and legality of this Ordinance, the Sales and Use Tax and Chapter 3.04 against all claims, suits and proceedings which would diminish or impair the Pledged Revenues. Furthermore, the Town shall amend from time to time the provisions of any ordinance or resolution of the Town, as necessary to prevent impairment of the Pledged Revenues as required to meet the principal of, interest on, and prior redemption premium, if any, of the Series 2020 Bonds when due.

D. Further Assurances. At any and all times the Town shall, so far as it may be authorized by law, pass, make, do, execute, acknowledge, deliver and file or record all and every such further instruments, acts, deeds, conveyances, assignments, transfers, other documents and assurances as may be necessary or desirable for the better assuring, conveying, granting, assigning and confirming all and singular the rights, the Pledged Revenues and other funds and accounts hereby pledged or assigned, or intended so to be, or which the Town may hereafter become bound to pledge or to assign, or as may be reasonable and required to carry out the purposes of this Ordinance. The Town, acting by and through its officers, or otherwise, shall at all times, to the extent permitted by law, defend, preserve and protect the pledge of said Pledged Revenues and other funds and accounts pledged hereunder and all the rights of every owner of any of the Series 2020 Bonds against all claims and demands of all Persons whomsoever.

E. Conditions Precedent. Upon the issuance of any of the Series 2020 Bonds, all conditions, acts and things required by the Constitution or laws of the United States, the Constitution or laws of the State, the Charter or this Ordinance, to exist, to have happened, and to have been performed precedent to or in the issuance of the Series 2020 Bonds shall exist, have happened and have been performed, and the Series 2020 Bonds, together with all other obligations of the Town, shall not contravene any debt or other limitation prescribed by the Constitution or laws of the United States, the Constitution or laws of the State or the Charter.

F. Records. So long as any of the Series 2020 Bonds remain Outstanding, proper books of record and account will be kept by the Town, separate and apart from all other records and accounts, showing complete and correct entries of all transactions relating to the Pledged Revenues and the accounts created or continued by this Ordinance.

G. Audits. The Town further agrees that it will, within 210 days following the close of each fiscal year, cause an audit of such books and accounts to be made by a certified public accountant, who is not an employee of the Town, showing the Pledged Revenues. The Town agrees to allow the owner of any of the Series 2020 Bonds to review and copy such audits and reports, at the Town's offices, at his request. Copies of such audits and reports will be furnished to the Purchaser.

H. Performing Duties. The Town will faithfully and punctually perform all duties with respect to the Pledged Revenues required by the Charter and the Constitution and laws of the State and the ordinances and resolutions of the Town, including but not limited to the proper collection and enforcement of the Sales and Use Taxes and the segregation of the Pledged Revenues and their application to the respective accounts herein designated.

I. Other Liens. As of the date of issuance of the Series 2020 Bonds, there are no liens or encumbrances of any nature whatsoever on or against any of the Pledged Revenues except the liens created for the Series 2013 Bonds and the Series 2016 Bonds. As of the date of issuance of the Series 2020 Bonds, there are no liens or encumbrances of any nature whatsoever on or against any of the Pledged Accounts.

J. Town's Existence. The Town will maintain its corporate identity and existence so long as any of the Series 2020 Bonds remain Outstanding, unless another political subdivision by operation of law succeeds to the duties, privileges, powers, liabilities, disabilities, immunities and rights of the Town and is obligated by law to receive and distribute the Pledged

Revenues in place of the Town, without materially adversely affecting the privileges and rights of any owner of any Outstanding Series 2020 Bonds.

K. Performance of Duties. The Town will faithfully and punctually perform or cause to be performed all duties with respect to the Pledged Revenues required by the laws of the State and the resolutions of the Town, including without limitation the proper segregation of the Pledged Revenues as set forth in Section 15 hereof and their application to the respective accounts as herein provided.

L. Prompt Collections. The Town will cause the Pledged Revenues to be collected promptly and accounted for in the accounts as herein provided.

M. Surety Bonds. Each official of the Town having custody of the Pledged Revenues or Pledged Accounts, or responsible for their handling, shall be fully bonded at all times, which bond shall be conditioned upon the proper application of such money.

N. Prejudicial Contracts and Action Prohibited. No contract will be entered into, nor will any action be taken, by the Town by which the rights and privileges of any Owner are impaired or diminished.

O. Continuing Disclosure. The Town shall comply with the provisions of the Continuing Disclosure Certificate. Any failure by the Town to perform in accordance with this paragraph shall not constitute an event of default under this Ordinance, and the rights and remedies provided by this Ordinance upon the occurrence of an event of default shall not apply to any such failure. The Paying Agent shall not have any power or duty to enforce this paragraph. No Owner of a Series 2020 Bond shall be entitled to damages for the Town's non-compliance with its obligations under this paragraph; however, the Owners of the Series 2020 Bonds may enforce specific performance of the obligations contained in this paragraph by any judicial proceeding available.

Section 20. Defeasance. If, when the Series 2020 Bonds shall be paid in accordance with their terms (or payment of the Series 2020 Bonds has been provided for in the manner set forth in the following paragraph), together with all other sums payable hereunder, including all amounts due and owing to any issuer of a Bond Reserve Insurance Policy, then this Ordinance and all rights granted hereunder shall thereupon cease, terminate and become void and be discharged and satisfied. Also, if all Outstanding Series 2020 Bonds shall have been purchased by the Town and delivered to the Registrar for cancellation, and all other sums payable hereunder

have been paid, or provision shall have been made for the payment of the same, then this Ordinance and all rights granted hereunder shall thereupon cease, terminate and become void and be discharged and satisfied.

Payment of any Outstanding Series 2020 Bond shall prior to the maturity or redemption date thereof be deemed to have been provided for within the meaning and with the effect expressed in this Section if (a) in case said Series 2020 Bond is to be redeemed on any date prior to its maturity, the Town shall have given to the Registrar in form satisfactory to it irrevocable instructions to give on a date in accordance with the provisions of Section 6 hereof notice of redemption of such Series 2020 Bond on said redemption date, such notice to be given in accordance with the provisions of Section 6 hereof, (b) there shall have been deposited with the Registrar or other Trust Bank either moneys in an amount which shall be sufficient, or Government Obligations which shall not contain provisions permitting the redemption thereof at the option of the issuer, the principal of and the interest on which when due, and without any reinvestment thereof, will provide moneys which, together with the moneys, if any, deposited with or held by the Registrar or other Trust Bank at the same time, shall be sufficient to pay when due the principal of, interest on, and redemption premium, if any, due and to become due on said Series 2020 Bond on and prior to the redemption date or maturity date thereof, as the case may be, and (c) in the event said Series 2020 Bond is not by its terms subject to redemption within the next sixty days, the Town shall have given the Registrar in form satisfactory to it irrevocable instructions to give, as soon as practicable in the same manner as the notice of redemption is given pursuant to Section 6 hereof, a notice to the Owner of such Series 2020 Bond that the deposit required by (b) above has been made with the Registrar or other Trust Bank and that payment of said Series 2020 Bond has been provided for in accordance with this Section and stating such maturity or redemption date upon which moneys are to be available for the payment of the principal of, interest on, and redemption premium, if any, of said Series 2020 Bond. Neither such Governmental Obligations nor moneys deposited with the Registrar or other Trust Bank pursuant to this Section or principal or interest payments on any such Governmental Obligations shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of, interest on, and redemption premium, if any of said Series 2020 Bond; provided any cash received from such principal or interest payments on such Governmental Obligations deposited with the Registrar or other Trust Bank, if not then needed for such purpose, shall, to the extent practicable, be reinvested

in securities of the type described in (b) of this paragraph maturing at times and in amounts sufficient to pay when due the principal of, interest on, and redemption premium, if any to become due on said Series 2020 Bond on or prior to such redemption date or maturity date thereof, as the case may be. At such time as payment of a Series 2020 Bond has been provided for as aforesaid, such Series 2020 Bond shall no longer be secured by or entitled to the benefits of this Ordinance, except for the purpose of any payment from such moneys or securities deposited with the Registrar or other Trust Bank.

The release of the obligations of the Town under this Section shall be without prejudice to the right of the Registrar or Paying Agent to be paid reasonable compensation for all services rendered by it hereunder and all its reasonable expenses, charges and other disbursements incurred on or about the administration of and performance of its powers and duties hereunder.

Upon compliance with the foregoing provisions of this Section with respect to all Series 2020 Bonds then Outstanding, this Ordinance may be discharged in accordance with the provisions of this Section but the liability of the Town in respect of the Series 2020 Bonds shall continue; provided that the Owners thereof shall thereafter be entitled to payment only out of the moneys or Governmental Obligations deposited with the Registrar or other Trust Bank as provided in this Section.

In the event that there is a defeasance of only part of the Series 2020 Bonds of any maturity, the Registrar shall, if requested by the Town, institute a system to preserve the identity of the individual Series 2020 Bonds or portions thereof so defeased, regardless of changes in bond numbers attributable to transfers and exchanges of Series 2020 Bonds; and the Registrar shall be entitled to reasonable compensation and reimbursement of expenses from the Town in connection with such system.

Section 21. Delegated Powers. The officers of the Town are authorized and directed to take all action necessary or appropriate to effectuate the provisions of this Ordinance, including, without limiting the generality of the foregoing; the printing of the Series 2020 Bonds; the procuring of a Bond Insurance Policy, if in the best interests of the Town; entering into and executing appropriate agreements with the Registrar and Paying Agent as to its services hereunder; entering into and executing appropriate agreements with DTC as to its services hereunder; the printing, distribution and execution of the Official Statement for the Series 2020 Bonds in substantially the form of the Preliminary Official Statement now before the Council, but with such

amendments, additions and deletions as are in accordance with facts and not inconsistent herewith; and the execution of such certificates as may be required by the Purchaser, including, but not necessarily limited to, the absence and existence of factors affecting the exclusion of interest on the Series 2020 Bonds from gross income for federal income tax purposes. The preparation and use of the Preliminary Official Statement and of the Official Statement are hereby authorized. The Mayor, the Town Manager, or the Finance Director are hereby authorized to approve and deem final the Preliminary Official Statement and to approve the Official Statement, in substantially the form of the Preliminary Official Statement with such changes as are hereinafter approved. The execution of the Official Statement by the Mayor, the Town Manager or the Finance Director shall be conclusively deemed to evidence the approval of the form and contents thereof by the Town.

The form, terms and provisions of the Registrar Agreement, the Bond Purchase Agreement, the Continuing Disclosure Certificate and the Letter of Representations hereby are approved, and the Town shall enter into and perform its obligations under the Registrar Agreement, the Bond Purchase Agreement, the Continuing Disclosure Certificate and the Letter of Representations in substantially the forms of such documents on file with the Town Clerk with only such changes therein as are required by the circumstances and are not inconsistent herewith; and the Mayor and Town Clerk are hereby authorized and directed to execute and deliver such documents as required hereby.

Section 22. Events of Default. Each of the following events is hereby declared an “event of default:”

A. Nonpayment of Principal. If payment of the principal of any of the Bonds shall not be made when the same shall become due and payable at maturity or by proceedings for prior redemption;

B. Nonpayment of Interest. If payment of any installment of interest on the Bonds shall not be made when the same becomes due and payable;

C. Incapable to Perform. If the Town shall for any reason be rendered incapable of fulfilling its obligations hereunder;

D. Default of any Provision. If the Town shall default in the due and punctual performance of its covenants or conditions, agreements and provisions contained in the Series 2020 Bonds or in this Ordinance on its part to be performed, other than those delineated in paragraphs A and B of this Section and those in Section 19.O. hereof, and if such default shall

continue for 60 days after written notice specifying such default and requiring the same to be remedied shall have been given to the Town by the owners of not less than 25% in aggregate principal amount of the Series 2020 Bonds then Outstanding; or

E. Bankruptcy or Insolvency. A petition in bankruptcy or similar proceedings shall, pursuant to the United States Bankruptcy Code or any other applicable bankruptcy, insolvency, receivership, rehabilitation or similar law, be filed against the Town and not dismissed within 60 days, or shall be filed by the Town.

F. Default Under Insurance Agreement. If an event of default shall have occurred and be continuing under the provisions of the Insurance Agreement.

Section 23. Remedies. Upon the happening and continuance of any event of default as provided in Section 22 hereof, the owner or owners of not less than 25% in aggregate principal amount of the Outstanding Bonds, or a trustee therefor, may protect and enforce their rights hereunder by proper legal or equitable remedy deemed most effectual including mandamus, specific performance of any covenants, the appointment of a receiver (the consent of such appointment being hereby granted), injunctive relief, or requiring the Town Council to act as if it were the trustee of an express trust, or any combination of such remedies. All proceedings shall be maintained for the equal benefit of all owners. The failure of any owner to proceed does not relieve the Town or any person of any liability for failure to perform any duty hereunder. The foregoing rights are in addition to any other right available to the owners of Bonds and the exercise of any right by any owner shall not be deemed a waiver of any other right.

Section 24. Duties Upon Default. Upon the happening of any of the events of default as provided in Section 22 of this Ordinance, the Town, in addition, will do and perform all proper acts on behalf of and for the owners of the Bonds to protect and preserve the security created for the payment of the Bonds, and to insure the payment of the principal of and interest on said Bonds promptly as the same become due. Proceeds derived from the Pledged Revenues, so long as any of the Bonds herein authorized, either as to principal or interest, are Outstanding and unpaid, shall be paid into the Bond Account and the Reserve Account, pursuant to the terms hereof and to the extent provided herein, and used for the purposes herein provided. In the event the Town fails or refuses to proceed as in this Section provided, the owner or owners of not less than 25% in aggregate principal amount of the Bonds then Outstanding, after demand in writing, may proceed to protect and enforce the rights of such owners as hereinabove provided.

Section 25. Replacement of Registrar or Paying Agent. If the Registrar or Paying Agent initially appointed hereunder shall resign, or if the Town shall determine that it wishes to replace said Registrar or Paying Agent, the Town may, upon notice mailed to each owner of any Series 2020 Bond at his address last shown on the registration records, appoint a successor Registrar or Paying Agent, or both. No resignation or dismissal of the Registrar or Paying Agent may take effect until a successor is appointed. If a successor is not appointed within 60 days the Paying Agent may petition a court of competent jurisdiction to appoint a successor. Every such successor Registrar or Paying Agent shall be a bank or trust company having a shareowner's equity (e.g., capital, surplus, and undivided profits), however denominated, of not less than \$10,000,000 or be the Town. It shall not be required that the same institution serve as both Registrar and Paying Agent hereunder, but the Town shall have the right to have the same institution serve as both Registrar and Paying Agent hereunder.

Section 26. Severability. If any one or more sections, sentences, clauses or parts of this Ordinance shall for any reason be held invalid, such judgment shall not affect, impair, or invalidate the remaining provisions of this Ordinance, but shall be confined in its operation to the specific sections, sentences, clauses or parts of this Ordinance so held unconstitutional or invalid, and the inapplicability and invalidity of any section, sentence, clause or part of this Ordinance in any one or more instances shall not affect or prejudice in any way the applicability and validity of this Ordinance in any other instances.

Section 27. Repealer. All bylaws, orders, resolutions and ordinances, or parts thereof, inconsistent herewith are hereby repealed to the extent only of such inconsistency. This repealer shall not be construed to revise any bylaw, order, resolution or ordinance, or part thereof, heretofore repealed.

Section 28. Amendment.

A. The Town may, without the consent of, or notice to the owners of the Series 2020 Bonds, adopt such ordinances supplemental hereto (which supplemental amendments shall thereafter form a part hereof) for any one or more or all of the following purposes:

(1) to cure any ambiguity, or to cure, correct or supplement any defect or omission or inconsistent provision contained in this Ordinance, or to make any provisions with respect to matters arising under this Ordinance or for any other purpose if such provisions are

necessary or desirable and do not materially adversely affect the interests of the owners of the Series 2020 Bonds;

(2) to subject to the lien of this Ordinance additional revenues, properties or collateral;

(3) to grant or confer upon the Registrar for the benefit of the registered owners of the Series 2020 Bonds any additional rights, remedies, powers, or authority that may lawfully be granted to or conferred upon the registered owners of the Series 2020 Bonds ; or

(4) to qualify this Ordinance under the Trust Indenture Act of 1939.

B. Exclusive of the amendatory ordinances permitted by paragraph A of this Section, this Ordinance may be amended or supplemented by ordinance adopted by the Town Council in accordance with the law, without receipt by the Town of any additional consideration but with the written consent of the owners of at least 66% in aggregate principal amount of the Series 2020 Bonds Outstanding at the time of the adoption of such amendatory or supplemental ordinance; provided, however, that, without the written consent of the owners of all of the Series 2020 Bonds adversely affected thereby, no such ordinance shall have the effect of permitting:

(1) An extension of the maturity of any Series 2020 Bond authorized by this Ordinance; or

(2) A reduction in the principal amount of any Series 2020 Bond, the rate of interest thereon, or the prior redemption premium thereon; or

(3) The creation of a lien upon or pledge of Pledged Revenues ranking prior to the lien or pledge created by this Ordinance; or

(4) The creation of a lien upon or pledge of the Pledged Accounts; and

(5) A reduction of the principal amount of Series 2020 Bonds required for consent to such amendatory or supplemental ordinance; or

(6) The establishment of priorities as between Series 2020 Bonds issued and Outstanding under the provisions of this Ordinance; or

(7) The modification of or otherwise affecting the rights of the owners of less than all of the Series 2020 Bonds then Outstanding.

Copies of any waiver, modification or amendment to this Ordinance shall be delivered to any entity then maintaining a rating on the Series 2020 Bonds.

Section 29. Pledge of Revenues. The creation, perfection, enforcement, and priority of the pledge of the Pledged Revenues and Pledged Accounts to secure or pay the Series 2020 Bonds as provided herein shall be governed by Section 11-57-208 of the Supplemental Act and this Ordinance. The Pledged Revenues and Pledged Accounts pledged for the payment of the Series 2020 Bonds, as received by or otherwise credited to the Town, shall immediately be subject to the lien of such pledge without any physical delivery, filing, or further act. The lien of such pledge on the Pledged Revenues pledged for payment of the Series 2020 Bonds and the obligation to perform the contractual provisions made herein shall have priority over any or all other obligations and liabilities of the Town, except for the Series 2013 Bonds, the Series 2016 Bonds and any Additional Bonds. The lien of such pledge shall be valid, binding, and enforceable as against all persons having claims of any kind in tort, contract, or otherwise against the Town irrespective of whether such persons have notice of such liens.

Section 30. No Recourse against Officers and Agents. Pursuant to Section 11-57-209 of the Supplemental Act, if a member of the Council, or any officer or agent of the Town acts in good faith, no civil recourse shall be available against such member, officer, or agent for payment of the principal, interest or prior redemption premiums on the Series 2020 Bonds. Such recourse shall not be available either directly or indirectly through the Council or the Town, or otherwise, whether by virtue of any constitution, statute, rule of law, enforcement of penalty, or otherwise. By the acceptance of the Series 2020 Bonds and as a part of the consideration of their sale or purchase, any person purchasing or selling such Series 2020 Bond specifically waives any such recourse.

Section 31. Conclusive Recital. Pursuant to Section 11-57-210 of the Supplemental Act, the Series 2020 Bonds shall contain a recital that they are issued pursuant to certain provisions of the Supplemental Act. Such recital shall be conclusive evidence of the validity and the regularity of the issuance of the Series 2020 Bonds after their delivery for value.

Section 32. Limitation of Actions. Pursuant to Section 11-57-212 of the Supplemental Act, no legal or equitable action brought with respect to any legislative acts or proceedings of the Town in connection with the authorization or issuance of the Series 2020 Bonds, including but not limited to the adoption of this Ordinance, shall be commenced more than thirty days after authorization of the Series 2020 Bonds.

Section 33. Holidays. If the date for making any payment or the last date for performance of any act or the exercising of any right, as provided in this Ordinance, shall be a legal holiday or a day on which banking institutions in the city in which is located the principal office of the Registrar and Paying Agent are authorized by law to remain closed, such payment may be made or act performed or right exercised on the next succeeding day not a legal holiday or a day on which such banking institutions are authorized by law to remain closed, with the same force and effect as if done on the nominal date provided in this Ordinance, and no interest shall accrue for the period after such nominal date.

Section 34. Electronic Signatures. In the event the Mayor, Town Clerk, Town Manager, Finance Director or other employee or official of the Town that is authorized or directed to execute any agreement, document, certificate, instrument or other paper in accordance with this Ordinance (collectively, the “Authorized Documents”) is not able to be physically present to manually sign any such Authorized Document, such individual or individuals are hereby authorized to execute Authorized Documents electronically via facsimile or email signature. Any electronic signature so affixed to any Authorized Document shall carry the full legal force and effect of any original, handwritten signature. This provision is made pursuant to Article 71.3 of Title 24, C.R.S., also known as the Uniform Electronic Transactions Act.

Section 35. Ordinance Irrepealable. After any of the Series 2020 Bonds herein authorized are issued, this Ordinance shall constitute a contract between the Town and the owners of the Series 2020 Bonds, and shall be and remain irrepealable until the Series 2020 Bonds and interest thereon shall be fully paid, cancelled and discharged as herein provided.

Section 36. Effective Date. This Ordinance shall take effect thirty days after its final passage and publication and shall be authenticated, numbered, and recorded in the official records of the Town as required by the Charter.

Section 37. Safety Clause. The Town Council finds and declares that this Ordinance is promulgated and adopted for the public peace, health or safety and this Ordinance bears a rational relation to the legislative object sought to be obtained.

Section 38. Disposition of Ordinance. This Ordinance, as adopted by the Council, shall be numbered and recorded by the Town Clerk in the official records of the Town. The adoption and publication shall be authenticated by the signatures of the Mayor or Mayor Pro Tem, and Town Clerk, and by the certificate of publication.
