A message from Chief of Police Jack Cauley

Castle Rock continues to be one of the safest and fastest-growing communities in the country. To achieve this, we build upon our One-By-One Policing philosophy through our three strategic pillars:

People: We invest in our team members by providing quality training and the best equipment available. We are laser-focused on creating a healthy organizational culture where our members can thrive.

Innovation: The ability to innovate is key. We embrace the latest technology and best practices to solve problems and address crime.

Community: Policing is a team effort. Creating safe communities must involve trust and partnerships. We are grateful for Castle Rock's support and don't take it for granted.

Heroes and Helpers 2024

"

"This initiative exemplifies the strength and generosity of our community."

- Community Partnership Unit Sergeant Kevin Torrens

This holiday season, the Castle Rock Police Department came together with the community to support families in need through a wonderfully successful **Heroes and Helpers** event. Held on Saturday, Dec. 14, at Walmart, the event not only provided essential items and gifts to families but also offered a sense of hope and togetherness.

CRPD was fortunate to receive nearly $24,000 in contributions and donations from our compassionate community partners. The funds were instrumental in creating meaningful connections with over 160 children who previously lacked strong connections with policing professionals.

The collective effort showcased the true spirit of the holidays and left a lasting impact on everyone involved.

Castle Rock Police Department
