

HONORARY PROCLAMATION

JULY 2017

Smart Irrigation Month

Whereas, water is a precious natural resource and essential to a vital community; and

Whereas, it is imperative residents become educated and understand the importance of conserving water, using water-efficient products, and maintaining practices at work and home to wisely use water in all daily activities; and

Whereas, Castle Rock residents have reduced their water consumption by more than 20 percent since 2006; and

Whereas, as a statewide leader in water conservation, Castle Rock has committed to another 18 percent in reduced water consumption by 2055; and

Whereas, Castle Rock Water continues its work to minimize peak water-use and reduce demands on infrastructure; and

Whereas, appropriate irrigation technology, combined with best practices, can significantly improve water-use efficiency and reduce runoff while achieving well-maintained green spaces that are important to community health and well-being; and

Whereas, Castle Rock Water continues to offer Water Wiser conservation and landscaping classes and support programs to promote smart watering during peak irrigation months; and

Whereas, July is a peak month for the use of water for irrigation and conservation is essential.

**THEREFORE, THE TOWN COUNCIL OF CASTLE ROCK, STATE OF COLORADO,
DOES HEREBY PROCLAIM JULY 2017**

Smart Irrigation Month
