Description of specific project for requested funds: Castle Rock Pirates Rugby is in need of equipment and uniforms. This request for funds will enable our club to secure equipment that includes rugby balls, practice pads, field cones, and other equipment used to aid in teaching youth players with proper technique and safety. In addition the team is working to raise funds to provide players with new uniforms for the 2023 spring and fall seasons. Funds received will be used to assure that the team has the equipment it needs to practice and compete.

Eligible project area(s), programs and activities for: Youth

How does this project benefit Castle Rock residents?

The sport and team atmosphere has helped many kids in the community maintain not just physical fitness, but also help them with mental fitness that is so important for our youth. In addition, our athletes are encouraged to strive for excellence in their education. Learning and living values of excellence and respectful engagement has enabled many of our graduating athletes to take the next step in their advanced education through both athletic and academic scholarships.

Castle Rock residents are benefited by having a sport program based in the community that provides youth with opportunities to participate in a program that is inclusive and nurturing. Rugby is a contact sport, and this program allows youth players to learn in a safe environment and gain confidence and teamwork skills that will have lasting benefit to the players and the community as a whole as they enter the workforce and become our community's future leaders. Funding for equipment will support the safe instruction and engagement of our players.

Hello Sara,

The Castle View Bands program begins the year with a two-week marching band summer camp, which is required for students to attend. This is a two-week all-day training program in late July where students prepare for the marching band season. Several hours of camp are also dedicated to preparing student marchers for the Douglas County Parade. DCSD funding covers basic program needs such as musical instruments, music licensing, salary/wage for instructors, and transportation for long distance events. The CV Band Booster Club exists to raise funds that help cover the additional expenses of running the program, which consists of providing food and water for camp and competitions, CV Bands branded apparel for students, and special events throughout the year that promote morale and bonding among the students.

The Town of Castle Rock grant funding will be allocated toward marching band summer camp expenses, including water, gatorade, and snacks provided during summer camp and CV Bands branded shirts for new marchers. The CV Band Booster Club also hosts a pool party at the MAC at the close of the summer camp training and at no cost to the students. Grant funds will be used for food and beverages, MAC pool passes, and pavilion rental fees.

Please let me know if you have any additional questions.

Kind regards,

Amy,

Thank you for submitting an application for the Town of Castle Rock Council Community Grant Program on behalf of the Castle View Band Booster Club. The Council Community Grant focuses on the “quality of life” with special emphasis on [youth programs and activities](#), [senior programs and activities](#), [sustainability and community-based performing arts programs and activities](#).

The application you submitted gives us a general example of what your organization does. Could you please send us more detailed information on one specific project and how specifically the \$500 would support that project. Please provide more detail on what the requested funds would be used for (“provide the band students with the “things” they need to succeed”)?

Please let me know if you have any questions.

Thank you!

| Amount requested (\$500 maximum): | 500 |
| Description of specific project for requested funds: | The Castle View Band Booster Club supports the many facets of the band program. We are a non-profit organization composed solely of volunteers. Through the donations of both time and finances, we are able to provide the band students with the things they need to succeed as young aspiring musicians. |
| Eligible project area(s), programs and activities for: | Youth , Community-based performing visual arts |
| How does this project benefit Castle Rock residents? | The Castle View Band Director, Mark Cellar, finds great importance and value in finding opportunities within the community for CVHS Bands students to perform. For example, each year the marching band performs in the annual Douglas County Fair Parade and the pep band performs at area elementary schools to promote the music program. In past years, the pep band has performed at grand opening events such as Shake Shack and at the First Fridays concert series in Festival Park. The jazz band has also performed at local events and weddings. By performing locally, the program is working to promote the importance of music in the education system and contributes to a sense of community. |

| Additional attachments as PDF: | DCSD W9 2021.pdf |
| Amount requested (\$500 maximum): | 500 |
| Description of specific project for requested funds: | After Prom is a drug and alcohol free event that will be taking place at Douglas County High School between the hours of 11pm on April 15 and 3am on April 16, 2023. Approximately 500 teenagers attend this event each year. The purpose of the event is to provide a fun-filled and SAFE alternative for our students in the hours after the Prom Dance ends. The grant money will help us provide fun activities, entertainment, food and prizes for our attendees. |
| Eligible project area(s), programs and activities for: | Youth |

How does this project benefit Castle Rock residents?

The After Prom event provides a safe place for the high school students of Castle Rock to go once the Prom Dance ends. This is a chaperoned event and the students are required to stay inside the high school for the duration of the event (11pm-3am). Our goal is to provide a safe (but fun) alternative to the other potentially dangerous activities that may occur if our students go elsewhere.
