OBJECTIVE

Executive position within a national organization with duties and responsibilities surrounding the national and state public policy and senior administrative and management activities of the organization.

WORK EXPERIENCE

2002 - Present Front Range Consulting, Inc. Denver, CO

Founder and CEO

- Founded Front Range Consulting, Inc in 2002 as a result of the completed acquisition by Comcast of AT&T Broadband. Front Range Consulting is dedicated to working with Local Franchising Authorities on franchising and regulatory issues facing these organizations. These consulting services have been performed for the National Association of Telecommunications Officers and Advisors, some of the leading Local Franchising Authority's DC attorneys, and several large metropolitan Local Franchising Authorities.

1999 - 2002 AT&T Broadband Denver, CO

Senior Vice President, Rate and Regulatory Matters

- Maintained the prior responsibilities and position of Senior Vice President, Rates and Regulatory Matters after the acquisition of TCI by AT&T Broadband. Continued with all of the previous activities including the addition of the Federal and State telephony filings related to Universal Service and Lifeline service reimbursements. Worked closely with AT&T's Federal Government Affairs office in DC on all regulatory policy issues including lobbying the Executive Branch, Legislative Branch and FCC on important regulatory changes including the reasons behind rate adjustments being proposed by AT&T Broadband. Managed a professional staff of approximately 30 individuals across the country. Worked closely with Comcast on the elimination of the corporate level regulatory group to a decentralized regulatory staff as a result of the acquisition of AT&T Broadband by Comcast.

1995 - 1999 TCI Communications, Inc. Denver, CO

Senior Vice President, Regulatory Policy and Planning

- Initiated TCI's corporate regulatory group in 1995 as Vice President, Rates with responsibility for all rate regulatory filings for the entire

organization. In 1996 successfully completed TCI's first national rate settlement regarding CPSI rates with the FCC resulting in significant cost saving to TCI and enhanced rate stability. Worked closely with the FCC and NCTA on all policy issues before the FCC related to rates especially the creation of the annual rate adjustment mechanism. Assisted the M&A department in assessing rate liabilities for acquired systems. Was asked by the COO of TCI to co-manage the Franchising group as well as the regulatory function, concentrating on developing the relationships with the local Franchising authorities and the National Association of Telecommunications Officers and Advisors. Became the Senior Vice President of Franchising and Regulatory Affairs in 1998. Became a member of the NCTA Accounting subcommittee and one of the leading industry professionals on regulatory policy. Worked closely with TCI's Government Affairs organization on lobbying national and state governments on the rate adjustments proposed by TCI. Worked closely with the EVP of Government Affairs on the merger of TCI into AT&T including negotiating with Local Franchise Authorities on the terms and conditions for approval of the transfer to AT&T. In addition to responsibility of the rate regulatory activities, added senior management responsibility for the Copyright filings, FCC Technical filings, Must-Carry analyses and Sports Blackout activities culminating in a professional staff of 26 employees and a budget of approximately \$3 million.

1986 - 1995 KPMG, LLP

Denver, CO

Partner-in-Charge

- Began with KPMG as a Senior Manager in their KPMG Dallas, TX Energy practice with concentration on electric and gas utility consulting engagements. Was promoted to Principal and Partner-in-Charge of the National Utility Consulting practice with responsibility for all consulting projects for electric, gas, water, waste water, telephone and Cable TV clients. During this time, was a lead participant on the largest utility merger of that time between Entergy Corporation and Gulf States Utilities. Was responsible for forming the external team charged with securing Texas regulatory approvals of the merger. With a subsequent re-organization, was moved to Denver, CO to lead the National Cable TV consulting practice and develop and grow the consulting activities of KPMG as a result of the 1992 Cable Act. In addition to assisting other cable clients, was the lead consultant for TCI and directed many of the technical and theoretical analyses during TCI's initial regulated rate setting process. Managed a staff of over 15 professionals dedicated to the cable industry. Testified in over 200 ratemaking proceedings in 20 states.

1981 - 1986 Coopers & Lybrand

Dallas, TX

Senior Manager, Utility Regulatory Advisory Services

- Managed the Dallas office of the newly formed Utility Regulatory and Advisory Services group with in the Utility industry accounting

and tax practice of Coopers & Lybrand. Was responsible for developing utility consulting services at audit and non-audit electric and gas utilities. Was a key instructor at Coopers & Lybrand's internal utility training courses for their audit and tax practice professionals. Managed a professional staff in both the Dallas and Austin, TX offices.

1975 - 1981 EBASCO Business Consulting Dallas, TX
Manager, Client Services

- Began professional career as an Assistant Consultant in the Atlanta, GA office of the rate regulatory group of EBASCO Business Consulting Company, a division of EBASCO Service, Inc.
