

## **AGENDA MEMORANDUM**

**To:** David L. Corliss, Town Manager

**From:** Tara Vargish, PE, Director of Development Services

**Title:** **Town Manager Report – Development Project Updates**

---

This report contains development updates and new submittals or requests that have been submitted to staff since the last update to Town Council. The high-growth nature of Castle Rock results in numerous and diverse questions from individuals seeking information about existing conditions and future plans and formal applications for development. More information on community development activity and formal land use applications are located on the Town website under the Development Activity Map link, which can be accessed at [CRGov.com/DevelopmentActivityMap](http://CRGov.com/DevelopmentActivityMap)

### **New Quasi-Judicial Applications Requiring Public Hearings**

#### **Costco Dawson Trails SDP**

A new Quasi-judicial application was received from Westside Investment Partners, LLC for a Site Development Plan (SDP) for Costco within the Dawson Trails PD. The 18.4-acre property is located north of the future Crystal Valley Interchange, currently in design. Please see attached vicinity map. The applicant is proposing a 161,000-square-foot retail warehouse, 899 parking spaces, and a fueling station with 16 fuel pumps. Loading docks are located on the east side of the building. The earlier proposed car wash has been removed from the site plan. The site will be accessed from Dawson Trails Boulevard on the west, Collector B on the east, and via two access drives intersecting Collector A to the north. The SDP will require public hearings before the Planning Commission for review and recommendation, and Town Council for review and final decision. The project is located in Councilmember Dietz's district.

### Dawson Trails 230 Lot Residential SDP

A new Quasi-judicial application was received from Westside Investment Partners, LLC for a Site Development Plan (SDP) located in the Dawson Trails PD. This is the first proposed residential development in Dawson Trails and is located in the north-central area of the PD, adjacent to the Twin Oaks subdivision in Douglas County. The applicant is proposing 230 single-family lots for detached units, and a 1-acre neighborhood park, on approximately 78 acres with a gross density of 2.9 dwelling units per acre. Per the Dawson Trails PD Plan, the lots located within the Transition Zone along the northern PD boundary are a minimum of 6,600 square feet. The SDP will require public hearings before the Planning Commission for review and recommendation, and Town Council for review and final decision. The project is located in Councilmember Dietz's district.

## New Pre-Application Meeting Requests

### Aspen View Academy Ground Sign

A pre-application meeting request was submitted seeking information on application and submittal requirements to add an additional monument sign with an electronic message board to the Aspen View Academy property. The existing sign is located in the northeast corner of the property (by the intersection of Low Meadow Boulevard and Fiddle Road). The proposed location for the second sign is in the southwest corner of the property (just west of the intersection of Low Meadow Boulevard and Treetop Drive). The property is located in Mayor Pro Tem Bracken's district.

## Brickyard Mixed-Use SDP

A pre-application meeting request was submitted seeking information on application and submittal requirements for a site development plan for the Brickyard Mixed-Use Development. The general location is southwest of the intersection of Prairie Hawk Drive and Topeka Way. The property is located in Mayor Pro Tem Bracken's district.

## Calvary Chapel Building Elevation Changes

A pre-application meeting request was submitted seeking information on application and submittal requirements for some building elevation changes in the approved Site Development Plan for the future Calvary Chapel proposed at 1480 Canyon Drive. The applicant is finalizing drawings for their building permit and realizes there is a significant shortfall in the project budget. The principal targets for cost reduction are the building mechanical system and the reduction and elimination of the “Heavy Timber” design components. They have attempted to maintain a very similar mass and geometric look of the building. The change in the mechanical system will mean additional rooftop units which will require more roof space and additional screening. The property is located in Councilmember LaFleur’s district.

## Citadel-Dawson Trails CORE Electric Distribution Line

A pre-application meeting request was submitted seeking information on application and submittal requirements for the installation of approximately 2.35 miles of new electric distribution feeder for CORE Electric. The proposed transmission line will be an extension of CORE's Wolfensberger-Citadel transmission line, which is planned to undergo construction later this year. It will begin near the intersection of the I-25 Frontage Road and Yucca Hills Road and run southwest to the proposed Dawson Trails substation site in the southeastern corner of Dawson trails Planned Development. The property is located in Councilmember Dietz's district.

## Dawson Trails CORE Electric Distribution Line

A pre-application meeting request was submitted seeking information on application and submittal requirements for the installation of approximately 6 miles of new underground electric distribution feeder. CORE Electric will utilize several existing platted and recorded 15' utility easements; however, this project will require 15 additional easements from various property owners. Approximately 1/3 of the project is located within the Town of Castle Rock's Dawson Trails PD and the remaining 2/3 of the project is in unincorporated Douglas County. The feeder line will end at South Perry Park Road. The property is located in Councilmember Dietz's district.

## Dawson Trails Gas Line

A pre-application meeting request was submitted seeking information on application and submittal requirements to install approximately 15,600 linear feet of 6" HDPE gas main. The project will run from around the future Costco Site (northwest of the Crystal Valley Road and I-25 interchange) south and west in Dawson Trails PD. The project location consists of paved residential streets, unpaved access roads, and hilly terrain. No grading is anticipated but minor excavation and backfilling. The property is located in Councilmember Dietz's district.

## Front Street Triplex Parking

A pre-application meeting request was submitted seeking information on application and submittal requirements for adding parking spaces in front of his triplex located at 516, 518 and 520 Front Street. The general location is northeast of the intersection of Fifth and Front Streets and the property is located in Councilmember LaFleur's district.

## Lanterns Filing 6 Shade Structure

A pre-application meeting request was submitted seeking information on application and submittal requirements to amend a landscape plan for Lanterns Filing 6 for a shade structure. The general location is southeast of Montaine Circle and Vervain Trail. A shade structure was installed that is similar to others in the area; however, it does not match the approved landscape plans. The property is located in Councilmember Dietz's district.

## McMurdo Gulch Local Historical Landmarks

A pre-application meeting request was submitted seeking information on application and submittal requirements to locally landmark three Civilian Conservation Corps (CCC) drop structures that were built in the late 1930s in McMurdo Gulch in the Terrain. The site needs to be designated as a local landmark in order to qualify for a grant through the State Historical Fund. The grant is needed to fund the rehabilitation of the drop structures. The grant application is due in October 2023. The property is located in Councilmember Cavey's district

## Meadows HOA Buena Vista Redesign

A pre-application meeting request was submitted seeking information on application and submittal requirements to redesign the Meadows Community Association HOA property southwest of the intersection of Butterfield Crossing Drive and Buena Vista Boulevard. The applicant is looking to convert some crusher fine paths to concrete, extend several paths as concrete, and install xeriscape in the landscaping buffer area. The property is located in Councilmember Hollingshead's district.

## Meadows Town Center Townhomes SDP Amendment

A pre-application meeting request was submitted seeking information on application and submittal requirements to amend their approved SDP for The Meadows Town Center Townhomes located on Future Street, west of Meadows Boulevard and Meadows Parkway. Most of the modifications are needed to address building comments for assessable route modifications. The property is located in Mayor Pro Tem Bracken's district.

## Promenade Block 4 Containers

A pre-application meeting request was submitted seeking information on application and submittal requirements to create a restaurant and retail container village/park on a vacant 4.45-acre lot located southwest of Sam's Club in the Promenade. The applicant is envisioning the development to offer various retail and restaurant tenants, outdoor dining and a stage to hold concerts and other programmed events. The property is located in Councilmember LaFleur's district.

## Snodgrass

A pre-application meeting request was submitted seeking information on application and submittal requirements to upgrade Snodgrass Auto Repair and Storage facility located at 215 Malibu Street. The applicant is looking to replace their fence, upgrade gates, increase lighting, increase security cameras, and upgrade landscaping along Malibu Street in 3 phases. The property is located in Councilmember LaFleur's district.

## Sonic Drive-In Remodel

A pre-application meeting request was submitted seeking information on application and submittal requirements to rebrand the exterior of the Sonic Drive-In located at 210 Founder's Parkway in Milestone PD. The rebranding is a corporate requirement to maintain franchisee agreements. This rebranding includes new architectural elements, new signage, new paint colors, and new patio furniture. The property is located in Councilmember LaFleur's district.

## Springs at Castle Rock Remodel

A pre-application meeting request was submitted seeking information on application and submittal requirements for exterior stone veneer replacement at the Ridge at Castle Rock Apartments located at 3715 Bilberry Street, near the intersection of Meadows Boulevard and Bilberry Street. The applicant is proposing the replacement of the failed stone veneer with a stacked stone product on all nine buildings. The property is located in Mayor Pro Tem Bracken's district.

## St. Francis Sewer Line

A pre-application meeting request was submitted seeking information on application and submittal requirements for the installation of a 6-inch sanitary sewer at St. Francis of Assisi Church located at 2746 Fifth Street. The general location is southwest of the intersection of Founders Parkway and Fifth Street. The property is located in Unincorporated Douglas County and is adjacent to Councilmember LaFleur and Brooks districts.

## Taft House Drainage Repairs

A pre-application meeting request seeking information on application and submittal requirements for drainage repairs at the Taft House located at 3570 Celestial Ave, near the intersection of Meadows Boulevard and Low Meadow Boulevard. The applicant is proposing re-grading, installation of storm sewer infrastructure, and swales and revegetation work. The property is located in Mayor Pro Tem Bracken's district.

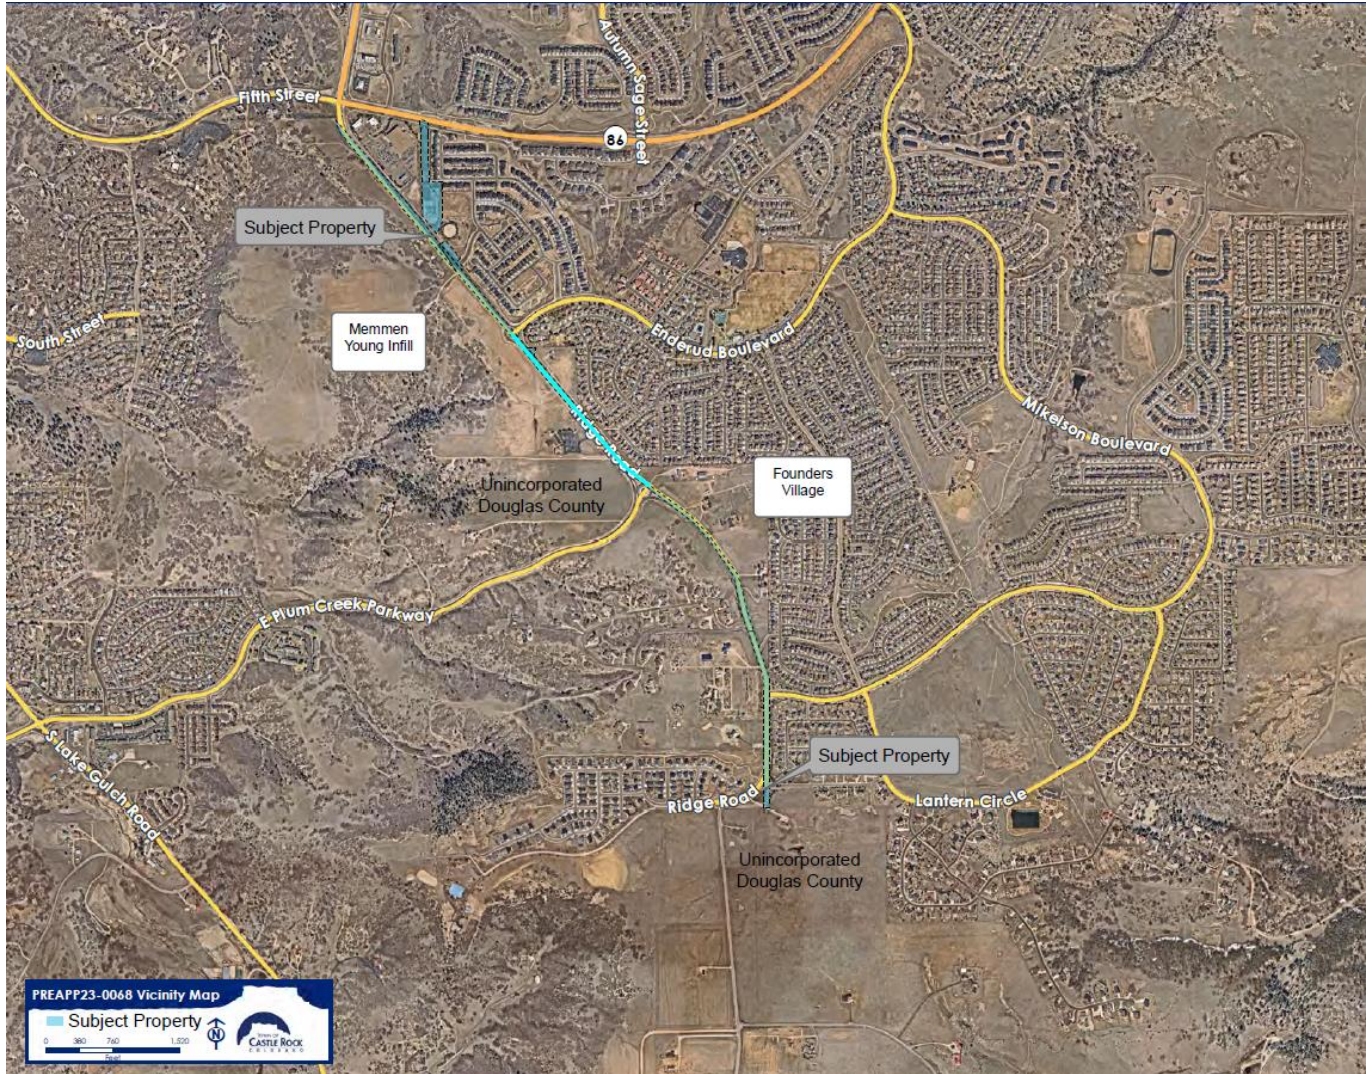

## Terra Monte Multi-Family

A pre-application meeting request was submitted seeking information on application and submittal requirements for annexation and zoning for the development of a 32.25-acre parcel on the northwest corner of Ridge Road and Plum Creek Parkway. The proposal calls for 170 multi-family units and a clubhouse with a pool, outdoor grilling area and fitness center. The applicant is also proposing programmed open space with active and passive uses. The proposal is located adjacent to Councilmember Brook's district.

## Xcel Transmission Line

A pre-application meeting request was submitted seeking information on application and submittal requirements to rebuild an existing overhead power line that has been in service for over 50 years. Xcel Energy is proposing to replace a 14.35-mile line from the Castle Rock Substation on Ridge Road to the Palmer Lake Substation in Douglas County. Only about 1.5 miles and 8 monopoles will be located inside Town limits with the balance of the 108 structures located in Douglas County. The existing wood creates a higher wildfire risk. The property is located in Councilmember Cavey's and Brooks' districts.
