FROM THE DESK OF THE CRIME ANALYST

SPRING CRIME PREVENTION TIPS

As the weather starts getting warmer there are a few things to keep in mind so that you don't become a victim to a crime.

REMINDERS:

- Keep doors locked at all times. If you are working in the backyard, keep your front door and garage door closed and locked; and lock your back door when you are in the front yard. Always lock your doors when you leave, even if you only plan to be gone for a few minutes.
- Always remember to close and lock your windows and sliding doors when you go to bed or leave the house. When you want to keep your windows/patio doors open:
 - » Install an alarm sensor to the screen of the window or the patio door.
 - » Use a wooden window brace (make the brace four (4) inches shorter than the length of the window/sliding door).
- Remember to roll up your car windows, take any valuables out of your car, and lock your doors every time you exit your vehicle - *even if it is parked in your own driveway.*
- Make sure your bike is secured by locking it up when left unattended. The bicycle should be locked and secured to something sturdy. Make sure someone can't lift the bike over the item to which it is secured.
- Use your home's outside lighting at night.
- Be aware of your surroundings.
- If a solicitor comes to your door, make sure they have the proper permit to be soliciting within the town. The legitimate solicitor will be wearing a Town of Castle Rock solicitor identification badge that is plainly visible. Sometimes, burglars act as solicitors to see if anyone is home. If this appears to be a suspicious situation, call the Castle Rock Police Department at 303-663-6100 or 911.
- For those of you who have children, be careful with leaving second story windows open and unattended. Children like to play around open windows.

VAC Malezija had the opportunity to attend the First Annual Victim's Rights Awards Event sponsored by District Attorney George Brauchler and his office. Many law enforcement personnel who worked on the Aurora Theatre Shooting case won awards for all their hard work. One award went to the Arapahoe County Sheriff's Office for the deputies who escorted the defendant to and from the courtroom each day during the trial. This was an excellent opportunity to meet and greet many of our colleagues in the 18th Judicial District Attorney's Office.

CONGRATULATIONS, OFFICER COYLE! JOB WELL DONE!

PATROL DIVISION

Officer Jacob Coyle represented our department at the International Police Mountain Bike Association also known as IPMBA. IPMBA was founded in 1992. With the growing need for Police to patrol where cars could not, the concept of Police on Bikes was redeveloped. IPMBA is the premier training organization for public safety cyclists worldwide. Since its founding, IPMBA has trained tens of thousands of public safety professionals in safe and effective police, EMS and security bicycle operations. Every year they hold a conference (location varies), where public safety cyclists can receive the best most current training available. These conferences are attended by Bike Patrols from agencies worldwide. At the end of each conference, the hosting agency puts together a most devious and difficult obstacle course competition where any rider may participate.

This year, the conference was held in Ashville, North Carolina. After all the riders had completed their turn at the course, Officer Coyle had the fastest time for his age

Drug Take Back Day Results - 403 lbs!

On Saturday, April 30, Castle Rock Police Department participated in the DEA Drug Take-Back event. Even though it was a cold and snowy day, our citizens came out to make it a successful day in helping to keep drugs out of the wrong hands and out of our waterways.

Between the take-back event and the prescription medications from our drop box (located in our lobby and pictured at right), a total of 403 pounds were collected.

Officers Stark and Lewis assisted in this year's event

MISSION

The Castle Rock Police Department is dedicated to excellence through community safety, innovation, and public trust. Our goal is to provide for the safety and welfare of both the citizens and visitors of the Town of Castle Rock utilizing effective community-policing philosophies, including crime prevention, traffic enforcement, criminal investigation, crime-analysis and community involvement.

VISION

We are committed to partnering with the community to improve the quality of life, prevent and reduce crime, and provide excellence in police service.

Snow Thanks

I live in the Antelope Ridge area of Castle Rock. Yesterday, we had a Blower Brigade going to clean up the snow so that everyone could get out of their driveway to get to work today...[Officer] Coyle came by, saw the issues and stopped to help. ...we just wanted to thank Mr. Coyle for all the help yesterday. It's great to have that kind of support and makes us feel that it's just **not a badge but a caring person willing to help.** Great job and much thanks.

Great Customer Service

I know all too often you read and respond to complaints from citizens regarding your police officers. With that in mind, I wanted to share two separate, but similar experiences I have had with your officers. First...[Corporal] Grandy was very professional, answered every question I had...he did a great job of making everyone involved feel at ease. My second encounter was today, with [Officer] Body for a simple VIN verification. The female working at the window was kind

“one of those rare moments... someone really cares”

enough to offer my 4 year old a bag of “Police Goodies,” the officer gave her a sticker and included her in on our conversation. She was so excited to have a Police Officer ask her questions. Again, he was very professional, but personable. We spoke about the VIN verification process.. He caught me off guard with a sincere “Are you doing okay?” It was one of those rare moments when you can actually see it in someone’s eyes that they really care. Perfect! Thank you.
