

CASTLE ROCK WATER

**ORDINANCE 2021-002
AMENDING MUNICIPAL CODE
REGARDING DAMAGES TO
STORMWATER FACILITIES
AND SERVICES (FIRST
READING)**

JANUARY 5, 2021

STORMWATER FACILITY DAMAGE ORDINANCE

BACKGROUND

- Municipal Code Section 13.25 provides authority to prohibit and enforce unauthorized use, connections and tampering
- Code only covers water and wastewater infrastructure
- This ordinance will add stormwater infrastructure to the code
- Examples of issues:
 - Removing and blocking inlet grates
 - Plugging and removing pond outlet plates.

Example of resident removing an inlet grate
to connect a private pipe to underdrain

STORMWATER FACILITY DAMAGE ORDINANCE

ENFORCEMENT

- Authority to cite violations
- Authority to impose civil and criminal penalties
- Authority to seek reimbursement for costs incurred by the Town

RECOMMENDATIONS

- Staff
- Castle Rock Water Commission

THANK YOU

QUESTIONS

- Recommended Motion: *"I move to approve the Ordinance as introduced by title on first reading."*
