Pete Managers, Assistant Director - Budget & Revenue, preented the item stating they currently have a 45 mill levy used to pay back bonds for the public parking in the garage.

Boardmember Dietz asked who pays the 45 mills. Mangers stated it is paid by the business property owners and residents inthe Encore building.

David Corliss ,Tow Manager, explained that when the redevelopment was discussed, the Town agreed to put in land and a revenue sharing program for property and sales tax, but required the development generate revenue to pay for the 308 public parking spaces to avoid taking money from the Town general fund or transportation fund. Revenue to pay this is from a portion of the property tax, a portion of the sales tax revenue, a PIF public improvement fee, and the general improvement district property tax. The Town pays the HOA dues for the public parking spaces to help maintain the parking garage.

Citizens that addressed Council:
