Town of Castle Rock
100 Wilcox St.
Castle Rock, CO 80104

Dear Distinguished Members of the Castle Rock Town Council:

Thank you for the opportunity to submit a 2025 funding request. The Town of Castle Rock has long been a vital supporter of the Douglas County Youth Initiative, and on behalf of the youth and families we serve, we extend our sincere appreciation for your continued commitment.

As many of you know, the Youth Initiative represents a unique and longstanding collaboration among numerous Douglas County entities. It is a true model of partnership—bringing together municipalities, agencies, and the school district to serve and support our youth. The Town’s investment helps to leverage the broader contributions of all participating entities.

In addition to Castle Rock, we currently receive funding from the Town of Parker, the City of Lone Tree, the Library District, the Douglas County School District, Douglas County Government, the City of Castle Pines, and the Highlands Ranch Metro District.

For 2026, we respectfully request a contribution of **\$25,000** from the Town of Castle Rock. This is only the second increase in two decades—and matches our request to other municipal partners including Castle Pines, Parker, Lone Tree, Highlands Ranch, and the Library District. Douglas County and the School District contribute higher amounts, each providing \$75,750 annually.

In return for these contributions, the Youth Initiative delivers a wide range of impactful programs and services. These include countywide youth leadership development and support for at-risk youth through our WrapAround program, reaching hundreds of young people and families throughout the community. A summary of these services is outlined in the attached materials.

The continued success of the Douglas County Youth Initiative depends on the active support and shared vision of our funding partners. Our governance model ensures transparency and accountability, as each funding entity appoints an elected representative to serve on the Advisory Board, providing direct oversight and input.

Thank you again for your steadfast support of the Youth Initiative and the young people of our community.

Sincerely,
Marsha Alston
Program Manager, Douglas County Youth Initiative
