

**SECOND AMENDMENT TO
INFRASTRUCTURE DEVELOPMENT AND PURCHASE AGREEMENT**

This Second Amendment to the Infrastructure Development and Purchase Agreement (this “2nd Amendment”) is made and entered into effective January __, 2026, by and between **TOWN OF CASTLE ROCK, ACTING BY AND THROUGH THE CASTLE ROCK WATER ENTERPRISE**, a municipal political subdivision of the State of Colorado (the “Town”) and **TALLGRASS COLORADO MUNICIPAL WATER, LLC**, a Delaware limited liability company (“Developer”) (Town and Developer individually referred to herein as a “Party” and collectively as the “Parties”).

WHEREAS, the Parties executed the Infrastructure Development and Purchase Agreement dated October 1, 2024 (the “Agreement”).

WHEREAS, the Parties executed the First Amendment to the Infrastructure Development and Purchase Agreement dated September 22, 2025 (the “1st Amendment”).

WHEREAS, the Parties desire to amend Sections 2.10 and 5.01 of the Agreement to extend the time period for the Parties to reach agreement on completing Phase 1B and Phase 2 of the Project.

NOW, THEREFORE, in consideration of the agreements, covenants, and premises set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby agree as follows:

1. Amendment to Section 2.10. Section 2.10 of the Agreement is hereby deleted and replaced in its entirety with the following:

2.10 Purchase Obligation. As a material term for the Town's inducement to this Agreement, if the Town and Developer have not reached an agreement on completing Phase 1B and Phase 2 by July 1, 2026, the Town shall purchase all rights, title, and ownership interest in the assets procured, designed, and constructed pursuant to the Project, including, but not limited to, the assets owned by Developer and set forth in ***Exhibit 1*** and all easements or other real property rights obtained with respect to such assets, including the Easements assigned to Tallgrass in accordance with Section 2.03(a) above (collectively, the “Assets”) for a total purchase price of Fifteen Million Dollars (\$15,000,000.00) (the “Purchase Price”). To complete the purchase, the Town and Developer shall mutually agree upon a closing agent as well as date and time for closing and shall share the costs of closing equally. The Town shall have the right to inspect the Assets prior to closing and shall only be excused from closing on the purchase of the Assets if, in the Town's commercially reasonable judgment, the Assets materially deviate from the Town Specifications. At the time of closing, in addition to conveying all rights, title, and ownership interests of the Project and its Assets to the Town, free and clear of all liens, claims, or encumbrances, the Developer agrees to provide the following in exchange for the purchase price:

- (a) The complete Plans for the Project.
- (b) "As-built" AutoCAD file and PDF file.
- (c) All access or easement rights obtained by Developer for the Project, including the Easements described in Section 2.3(a).
- (d) Any and all permits or approvals obtained as part of the Project.

(e) All warranties for the Project of any and all nature.

2. Amendment to Section 5.01. Section 5.01 of the Agreement is hereby deleted and replaced in its entirety with the following:

5.01 Future Improvements Generally. The Parties are interested in pursuing possible additional agreements related to Phase 1B and Phase 2. As part of the consideration for this Agreement, the Parties mutually agree to negotiate in good faith to determine if progress can be made towards an agreement for future phases, understanding that the ultimate scopes of such future phases as mutually agreed to by the Parties will materially differ from the descriptions of Phase 1B and Phase 2 in Sections 5.02 and 5.03. Except as expressly provided herein, the failure of the Parties to enter into an agreement on future phases shall not have any effect on the terms and obligations contained in this Agreement.

3. Meaning of Capitalized Terms. Capitalized terms used in this 2nd Amendment, but not defined herein, shall have the meaning set forth in the Agreement.

4. Full Force and Effect. The Parties hereby acknowledge and agree that, except as expressly modified in Sections 1 and 2 of this 2nd Amendment, all the terms and provisions of the Agreement shall remain unchanged and in full force and effect.

5. Entire Agreement. This 2nd Amendment, together with the Agreement, embodies the whole agreement of the Parties. There are no promises, terms, conditions or obligations other than those contained herein; and this 2nd Amendment and the Agreement shall supersede all previous communications, representations or agreements, either verbal or written.

6. Execution Authority. This 2nd Amendment has been duly authorized and executed by the Parties, and each Party has full power and authority to consummate the aspects of the transaction for which they are responsible, and the person executing this 2nd Amendment is fully authorized to do so and has the power to bind the Party for which they are signing.

IN WITNESS WHEREOF, the Parties have executed this 2nd Amendment as of the date first written above.
