We're at a pivotal time in the development of CR. I'd like to be part of keeping the town's smart development moving forward. I live & work in Castle Rock. CR PSC time was fruitful and I was effective as Chair. From Chief Cauley "In my five years with the Town, I can't think of a better person that we have had lead the commission. Your leadership and professionalism will be missed."

What qualifications or experience do you have that would prepare you to serve as a Board or Commission member?*

I pastored for 20 years, giving me deep experience in organizational leadership & communication. Operating from a high-level, long-term strategic perspective was key. Prior law enforcement role, and now managing broker of an extremely high performing Colorado real estate brokerage--both require critical listening & problem-solving skills, + deep community knowledge.

Please indicate organizational memberships, appointments or positions held in community organizations, business associations, clubs, foundations and any volunteer activities.*
