A message from
Chief of Police
Jack Cauley

Castle Rock continues to be one of the safest and fastest-growing communities in the country. To achieve this, we build upon our One-By-One Policing philosophy through our three strategic pillars:

People: We invest in our team members by providing quality training and the best equipment available. We are laser-focused on creating a healthy organizational culture where our members can thrive.

Innovation: The ability to innovate is key. We embrace the latest technology and best practices to solve problems and address crime.

Community: Policing is a team effort. Creating safe communities must involve trust and partnerships. We are grateful for Castle Rock's support and don't take it for granted.

The numbers, facts, research and databases help tell the story residents live every day - Castle Rock is a great place to be. In fact, our Town ranks among the best both locally and nationally, according to a variety of national publications and studies.

SafeWise: Safest cities in Colorado for 2024

The SafeWise annual Safest Cities report ranked Castle Rock No. 6 (up from No. 13 in 2023) safest city in Colorado. Castle Rock had the largest population of anyone in the Top 10 and was the only Denver Metro area city to make the list. Additionally, SafeWise named Castle Rock the 37th Safest City in the U.S. The study used FBI crime data and, to add extra insight and depth to the assessment, SafeWise includes demographic information results from its proprietary State of Study research.
