This Cooperative Purchasing Master Agreement ("Cooperative Purchasing Master Agreement") is made and entered into by and between Enterprise Services acting by and through the State of Washington ("Enterprise Services") and Motorola Solutions, Inc., an Delaware corporation ("Contractor") and is dated and effective as of January 1, 2022.

**RECITALS**

- A. Pursuant to Legislative authorization, Enterprise Services, on behalf of the State of Washington, is authorized to develop, solicit, and establish Cooperative Purchasing Master Agreements for goods and services to support Washington state agencies. See RCW 39.26.050(1). The Washington State Legislature has authorized Enterprise Services to make these Cooperative Purchasing Master Agreements available, pursuant to agreement in which Enterprise Services ensures full cost recovery, to other local or federal government agency or entity, public benefit nonprofit organizations, or any tribes located in the State of Washington. See RCW 39.26.050(1) & (2).
- B. The Washington State Legislature also has authorized Enterprise Services to participate in, sponsor, conduct, or administer certain cooperative purchasing agreements for the procurement of goods or services. See RCW 39.26.060(1). One of the approaches that Enterprise Services utilizes to participate in cooperative purchasing agreements with other states is NASPO ValuePoint.
- C. NASPO Cooperative Purchasing Organization LLC, doing business as NASPO ValuePoint, is a nonprofit subsidiary of the National Association of State Procurement Officials (NASPO). The NASPO ValuePoint purchasing cooperative program is led by state procurement officers from member states. NASPO ValuePoint does not award contracts; rather, it assists states, for an administrative fee, in their collaboration pertaining to solicitations and the resulting master agreements.

- D. Pursuant to the NASPO ValuePoint cooperative purchasing model, a state serves as the 'lead state' to conduct a competitive procurement in compliance with that state's procurement laws and award a cooperative purchasing master agreement with a contractor for the specified goods or services. States (including the District of Columbia and the organized territories of the United States), including the lead state, then may participate in that cooperative purchasing master agreement by executing a Participating Addendum. Until a Participating Addendum is executed by the applicable state (a 'participating entity'), no agency or other eligible organization (a 'purchasing entity') may purchase pursuant to the cooperative purchasing master agreement. Under Washington law, at the time of solicitation, states may provide supplemental substantive terms and conditions to inform the competitive procurement. In addition, pursuant to their Participating Addendum, states may require certain administrative terms and conditions (e.g., a vendor management fee for sales within the state, state registration and reporting). Contractor, however, has no obligation to condition execution of a Participating Addendum on substantive terms and conditions that were not competitively procured.
- E. Enterprise Services, as part of a cooperative purchasing competitive governmental procurement, with administrative support from NASPO ValuePoint, issued Competitive Solicitation No. 00318 dated November 16, 2020 regarding Public Safety Communications Products, Services and Solutions ("Public Safety Radio"). Sixteen (16) states indicated an intent to utilize the resulting Cooperative Purchasing Master Agreement.
- F. Enterprise Services and a stakeholder team consisting of representatives from Washington, California, Alaska, Oregon, Montana, Tennessee, Colorado and Nevada evaluated all responsive bids to the Competitive Solicitation and identified Contractor as an Apparent Successful Bidder for the Category identified above.
- G. Enterprise Services determined that entering into this Cooperative Purchasing Master Agreement will meet the cooperative purchasing needs and be in the best interest of the State of Washington.
- H. The purpose of this Cooperative Purchasing Master Agreement is to enable Participating or Purchasing Entities to purchase Public Safety Radio products and services, in the awarded Category as set forth herein.

## A G R E E M E N T

**NOW THEREFORE**, in consideration of the mutual promises, covenants, and conditions set forth herein, the parties hereto hereby agree as follows:

1. **TERM.** The term of this Master Agreement begins January 1, 2022 and ends on December 31, 2026; provided, however that, the contract term shall be extended for twenty-four (24) months if, in Enterprise Services' sole, reasonable judgement, which shall occur no later than June 30, 2025, Contractor meets the following performance metrics:

- Reports: Contractor provides timely and accurate reports as detailed in this Master Agreement and Participating Addendums; and
- Administrative Fee Payments: Contractor provides timely and accurate Administrative Fee payments as detailed in this Master Agreement and Participating Addendums.

Notwithstanding any provision to the contrary, to effectuate a smooth transition for Participating States and Purchasing Entities for Public Safety Communications Products, Services and Solutions to begin on January 1, 2022, Contractor shall provide implementation and transition support to Participating States who wish to utilize the Master Agreement, beginning upon the date such Participating State and Contractor executes a Participating Addendum. For the avoidance of doubt, no orders for products or services shall be made under this Agreement prior to January 1, 2022.

**2. PARTICIPANTS AND SCOPE.** This Cooperative Purchasing Master Agreement may be utilized under the following conditions:

- 2.1. PARTICIPATING ENTITIES. Contractor may not sell Public Safety Radio products and services under this Cooperative Purchasing Master Agreement until a Participating Addendum acceptable to the Participating Entity and Contractor is executed. The terms and conditions set forth in the Cooperative Purchasing Master Agreement are applicable to any Order by a Participating Entity (and other Purchasing Entities covered by their Participating Addendum), except to the extent altered, modified, supplemented, or amended by a Participating Addendum; *Provided*, however, that no Participating Addendum shall operate to alter or modify any substantive terms of this Cooperative Purchasing Master Agreement which were solicited and procured pursuant to a competitive procurement. By way of illustration and not limitation, Participating Entities may include unique administrative, delivery, and invoicing requirements, as well as entity-specific confidentiality requirements and similar entity-specific administrative requirements in purchase Orders utilizing this Cooperative Purchasing Master Agreement.
- 2.2. PURCHASING ENTITIES. Purchasing Entity means a state (as well as the District of Columbia and U.S territories), city, county, district, other political subdivision of a State, and a nonprofit organization under the laws of some states if authorized by a Participating Addendum, that issues a Purchase Order or other commitment document against the Cooperative Purchasing Master Agreement and becomes financially committed to the purchase.
- 2.3. PARTICIPATING ADDENDUM. Obligations under this Cooperative Purchasing Master Agreement are limited to those Participating Entities who have signed a Participating Addendum and Purchasing Entities within the scope of those Participating Addenda. States or other entities permitted to participate may use an informal competitive or other process to determine which Cooperative Purchasing Master Agreements to participate in through execution of a Participating Addendum. Financial obligations of Participating Entities who are states are limited to the orders placed by the departments or other state agencies and institutions having available funds. Participating Entities who are states incur no financial obligations on behalf of other Purchasing Entities. Contractor shall email a fully executed PDF copy of each Participating Addendum as instructed by the Lead State to support documentation of participation and posting in appropriate databases.
- 2.4. PURCHASING ENTITY RIGHTS. Except to the extent modified by a Participating Addendum, each Purchasing Entity shall follow the terms and conditions of the Cooperative Purchasing Master Agreement and applicable Participating Addendum and will have the same rights

and responsibilities for their purchases as the Lead State has in the Cooperative Purchasing Master Agreement, including but not limited to, any indemnity or right to recover any costs as such right is defined in the Cooperative Purchasing Master Agreement and applicable Participating Addendum for their purchases. Each Purchasing Entity will be responsible for its own charges, fees, and liabilities. Contractor will apply the charges and invoice each Participating Entity individually.

- 2.5. PARTICIPATING ADDENDUM APPROVAL. Participating Entities who are not states may under some circumstances sign their own Participating Addendum, subject to the approval of participation by the Chief Procurement Official of the state where the Participating Entity is located. Coordinate requests for such participation through NASPO ValuePoint. Any permission to participate through execution of a Participating Addendum is not a determination that procurement authority exists in the Participating Entity; they must ensure that they have the requisite procurement authority to execute a Participating Addendum.

### 3. SCOPE – INCLUDED GOODS/SERVICES AND PRICE.

- 3.1. CONTRACT SCOPE. Pursuant to this Cooperative Purchasing Master Agreement, Contractor is authorized to sell only those Public Safety Radio Products and Services in the category above posted on the NASPO ValuePoint website. Contractor shall not represent to any Participating or Purchasing Entity under this Cooperative Purchasing Master Agreement that Contractor has contractual authority to sell any Public Safety Radio Products beyond those approved and posted on the NASPO ValuePoint website.
- 3.2. MINIMUM WARRANTY FOR INCLUDED GOODS/SERVICES. Notwithstanding any provision to the contrary, Contractor agrees to and is providing a minimum warranty of no less than one (1) year for any goods/services included in this Cooperative Purchasing Master Agreement. Such minimum warranty begins when the goods/services are accepted by Purchasing Entity or as agreed by Purchasing Entity in its ordering documentation. Such minimum warranty includes all firmware and software updates within warranty period. Parts and related software will be free from defects in material and workmanship for one (1) year. If a product fails because of a defect in workmanship or materials within one (1) year from the date of acceptance by Purchasing Entity, manufacture shall repair or replace the product or part with a new product or part without charge to Purchasing Entity.
- 3.3. ADDITIONAL WARRANTY OPTIONS – See Motorola Solutions Pricing Document on the NASPO ValuePoint website for descriptions and pricing for all available warranty options.
- 3.4. AVAILABLE SERVICES – See Motorola Solutions Pricing Document on the NASPO ValuePoint website for descriptions and pricing for all available services.
- 3.5. ABILITY TO MODIFY SCOPE OF COOPERATIVE PURCHASING MASTER AGREEMENT. In no event shall such modification, if authorized by Enterprise Services, limit the requirement for cooperative purchasing agreements to be subject to competitive procurement.

- 3.6. **PRODUCT UPDATES.** Upon approval, Contractor may update their products/pricelist on a semi-annual basis. Contractor must submit to the Lead Contract Administrator a revised product/pricelist highlighting changes and include an effective date of the change. At no time during the contract term shall products be deleted from the products/pricelist. Discontinued products/services must be struck-through and highlighted for ease of review process. Prior to executing an order for a "Solution", Contractor shall provide Purchasing Entity a detailed Cost Proposal itemizing all proposed costs (including labor costs, employee benefits, travel, overhead and other direct costs) Contractor estimates it will incur in the performance of the work.

- (d) Notwithstanding the expiration, cancellation or termination of this Cooperative Purchasing Master Agreement, Contractor agrees to perform in accordance with the terms of any Orders then outstanding at the time of such expiration or termination. Contractor shall not honor any Orders placed after the expiration, cancellation, or termination of this Cooperative Purchasing Master Agreement, or otherwise inconsistent with its terms. Orders from any separate indefinite quantity, task orders, or other form of indefinite delivery order arrangement priced against this Cooperative Purchasing Master Agreement may not be placed after the expiration or termination of this Cooperative Purchasing Master Agreement, notwithstanding the term of any such indefinite delivery order agreement.

The following apply to all deliveries:

In such event, Contractor is responsible for shipping costs pertaining to any defective Public Safety Radio Products that are returned.

5.3. RECEIPT AND INSPECTION OF GOODS AND/OR SERVICES. Goods and/or services purchased under this Cooperative Purchasing Master Agreement are subject to Purchasing Entity's reasonable inspection, testing, and approval at Purchasing Entity's destination. Such inspection and approval shall be determined within thirty (30) days of delivery. Purchasing Entity reserves the right to reject and refuse acceptance of goods and/or services that are not in accordance with this Cooperative Purchasing Master Agreement and Purchasing Entity's Purchase Order. Purchasing Entity may charge Contractor for the cost of inspecting rejected goods. Products that do not meet

specifications may be rejected. Failure to reject upon receipt, however, does not relieve Contractor of liability for material (nonconformity that substantially impairs value) latent or hidden defects subsequently revealed when the Public Safety Radio Products are put to use. Acceptance of such Public Safety Radio Products may be revoked in accordance with the provisions of the applicable commercial code, and Contractor shall be liable for any resulting expense incurred by the Purchasing Entity related to the preparation and shipping of any Public Safety Radio Products rejected and returned, or for which Acceptance is revoked.

- (b) If any Public Safety Radio Products do not conform to the specifications, the Purchasing Entity may require the Contractor to repair or replace the Public Safety Radio Product in conformity with the specifications.

If any such Participating State and/or Purchasing Entity property is lost, destroyed, or damaged, Contractor immediately shall notify such Participating State and/or Purchasing Entity and shall take all reasonable steps to protect the property from further damage. Contractor shall surrender to such Participating State and/or Purchasing Entity all property of such Participating State and/or Purchasing Entity prior to settlement upon completion, termination, or cancellation of this Cooperative Purchasing Master Agreement. Title to all property furnished by Contractor, the cost for which the Contractor is entitled to be reimbursed as a direct item of cost under this Contract, shall pass to and vest in the Purchasing Entity upon delivery of such property by Contractor and acceptance by the Purchasing Entity. Title to other property, the cost of which is reimbursable to Contractor under this Contract, shall pass to and vest in the

Purchasing Entity upon (i) issuance for use of such property in the performance of this Contract, or (ii) commencement of use of such property in the performance of this Contract, or (iii) reimbursement of the cost thereof by the Purchasing Entity in whole or in part, whichever first occurs. - 6.3. OVERPAYMENTS. Contractor promptly shall refund to Purchasing Entity the full amount of any erroneous payment or overpayment. Such refunds shall occur within thirty (30) days of written notice to Contractor; *Provided*, however, that Purchasing Entity shall have the right to elect to have either direct payments or written credit memos issued. Reports shall be delivered to Enterprise Services and to the NASPO ValuePoint Cooperative Development Team electronically through a designated portal, email, CD-ROM, flash drive or other method as determined by Enterprise Services and NASPO ValuePoint. Detailed sales data reports shall

- include sales information for all sales under Participating Addenda executed under this Cooperative Purchasing Master Agreement.
- 8.3. **NASPO VALUEPOINT EXECUTIVE SUMMARY.** Contractor shall provide the NASPO ValuePoint Cooperative Development Coordinator with an executive summary each quarter that includes, at a minimum, a list of states with an active Participating Addendum, states that Contractor is in negotiations with and any Participating Addendum roll out or implementation activities and issues. NASPO ValuePoint Cooperative Development Coordinator and Contractor will determine the format and content of the executive summary. The executive summary is due thirty (30) days after the conclusion of each calendar quarter.
  - 8.4. **REPORT OWNERSHIP.** Timely submission of these reports is a material requirement of the Cooperative Purchasing Master Agreement. Enterprise Services and NASPO ValuePoint shall have a perpetual, irrevocable, non-exclusive, royalty free, transferable right to display, modify, copy, and otherwise use reports, data and information provided under this section.
  - 8.5. **CONFIDENTIALITY OF DETAILED SALES DATA AND PARTICIPATING ADDENDA.** Participating Addenda, as well as Orders or transaction data relating to Orders under this Cooperative Purchasing Master Agreement that identify the entity/customer, Order dates, line item descriptions and volumes, and prices/rates, shall be Confidential Information. Contractor shall hold Confidential Information in confidence and shall not transfer or otherwise disclose Confidential Information to third parties or use Confidential Information for any purposes whatsoever other than what is necessary to the performance of Orders placed under this Cooperative Purchasing Master Agreement. - 9.3. **ANNUAL SUPPLIER BUSINESS REVIEW.** Contractor agrees to participate in an annual supplier performance review at a location (virtual or in-person) selected by Enterprise Services and NASPO ValuePoint, which may include a discussion of marketing action plans, target strategies, marketing materials, as well as Contractor reporting and timeliness of payment of administration fees. #### **10. ADMINISTRATIVE FEES.**

- 10.1. CONTRACTOR shall pay to NASPO ValuePoint, or its assignee, a NASPO ValuePoint ADMINISTRATIVE Fee of one-quarter of one percent (0.25%) of the quarterly sales by participating state. The NASPO ValuePoint administrative fee is not negotiable. This fee may not be adjusted in any Participating Addendum. This fee is to be included as part of the pricing submitted with the bid.
- 10.2. Some states may require an additional fee be paid directly to the state only on purchases made by Purchasing Entities within that state. The fee level, payment method and schedule for such reports and payments will be incorporated into the Participating Addendum that is made a part of the Cooperative Purchasing Master Agreement. The Contractor may adjust the Cooperative Purchasing Master Agreement pricing accordingly for purchases made by Purchasing Entities within the jurisdiction of the state. All such agreements shall not affect the NASPO ValuePoint Administrative Fee percentage or the prices paid by the Purchasing Entities outside the jurisdiction of the state requesting the additional fee. The NASPO ValuePoint Administrative Fee set forth above shall be based on the gross amount of all sales (less any charges for taxes or shipping) at the adjusted prices (if any) in Participating Addenda.

#### **11. RECORDS RETENTION & AUDITS.**

- 11.1. RECORDS RETENTION. Contractor shall maintain books, records, documents, and other evidence pertaining to this Cooperative Purchasing Master Agreement and orders placed by Purchasing Entity under it to the extent and in such detail as shall adequately reflect performance and administration of payments and fees. Contractor shall retain such records for a period of six (6) years following expiration or termination of this Cooperative Purchasing Master Agreement or final payment for any order placed by a Purchasing Entity against this Cooperative Purchasing Master Agreement, whichever is later; *Provided*, however, that if any litigation, claim, or audit is commenced prior to the expiration of this period, such period shall extend until all such litigation, claims, or audits have been resolved.
- 11.2. AUDIT. Upon reasonable advance written notice, Enterprise Services reserves the right to audit, or have a designated third party audit, applicable records to ensure that Contractor has properly invoiced Purchasing Entity and that Contractor has paid all applicable vendor management fees. Accordingly, Contractor shall permit Enterprise Services, any Purchasing Entity, and any other duly authorized agent of a governmental agency, to audit, inspect examine, copy and/or transcribe Contractor's books, documents, papers and records directly pertinent to this Cooperative Purchasing Master Agreement or orders placed by a Purchasing Entity under it for the purpose of making audits, examinations, excerpts, and transcriptions. This right shall survive for a period of six (6) years following expiration or termination of this Cooperative Purchasing Master Agreement or final payment for any order placed by a Purchasing Entity against this Cooperative Purchasing Master Agreement, whichever is later; *Provided*, however, that if any litigation, claim, or audit is commenced prior to the expiration of this period, such period shall extend until all such litigation, claims, or audits have been resolved.

- 11.3. OVERPAYMENT OF PURCHASES OR UNDERPAYMENT OF FEES. Without limiting any other remedy available to any Purchasing Entity, Contractor shall reimburse Purchasing Entity for any overpayments inconsistent with the terms of this Cooperative Purchasing Master Agreement or orders, at a rate of 100% of such overpayments, found as a result of the examination of the Contractor's records.

## 12. INSURANCE.

- 12.1. REQUIRED INSURANCE. During the Term of this Cooperative Purchasing Master Agreement, Contractor, at its expense, shall maintain in full force and effect the insurance coverages set forth in *Exhibit A – Insurance Requirements*. All costs for insurance, including any payments of deductible amounts, shall be considered incidental to and included in the prices for goods/services and no additional payment shall be made.
- 12.2. WORKERS COMPENSATION. Contractor shall comply with applicable workers compensation statutes and regulations (e.g., RCW Title 51, Industrial Insurance). If Contractor fails to provide industrial insurance coverage or fails to pay premiums or penalties on behalf of its employees as may be required by law, Enterprise Services may terminate this Cooperative Purchasing Master Agreement. This provision does not waive any of the Washington State Department of Labor and Industries (L&I) rights to collect from Contractor. In addition, Contractor waives its immunity under RCW Title 51 to the extent it is required to indemnify, defend, and hold harmless the State of Washington and its agencies, officials, agents, or employees.
- 12.3. INSURANCE CERTIFICATE. Prior to commencement of performance, Contractor shall provide to Enterprise Services a Certificate of Insurance acceptable to Enterprise Services that (1) includes the State of Washington and Enterprise Services as additional insureds, (2) provides for written notice of cancellation delivered in accordance with the policy provisions, and (3) provides that the Contractor's liability insurance policy shall be primary, with any liability insurance of any Participating State as secondary and noncontributory. Unless otherwise agreed in any Participating Addendum, other state Participating Entities' rights and Contractor's obligations are the same as those specified in the first sentence of this subsection except the endorsement is provided to the applicable state.

13. PUBLIC INFORMATION. This Cooperative Purchasing Master Agreement, all related documents, and all records created as a result of the Cooperative Purchasing Master Agreement are subject to public disclosure as required by Washington's Public Records Act, RCW chapter 42.56. In addition, Participating Addendums and related records shall be subject to public disclosure as required by applicable law pertaining to such Purchasing Entity. Consistent with the Public Records Act, to the extent that any such Contractor document or record – in whole or in part – includes information exempted or protected from disclosure by the Public Records Act, Contractor may mark such document or record – the exempted or protected portions only – with the specific basis for protection under the Public Records Act. In the event that Enterprise Services receives a public records disclosure request that pertains to such properly marked documents or records, Enterprise Services shall notify Contractor of such disclosure request and of the date that the records will be released to the requester unless Contractor, at Contractor's sole expense, timely obtains a court order enjoining such disclosure. In the event Contractor fails to file a motion for a court order enjoining such disclosure, Enterprise Services shall release the requested documents on the date specified. Contractor's failure properly to identify exempted or protected information or timely

respond after notice of request for public disclosure has been given shall be deemed a waiver by Contractor of any claim that such materials are protected or exempt from disclosure.

#### 14. DEFAULTS AND REMEDIES

14.1. **SUSPENSION & TERMINATION FOR DEFAULT.** Enterprise Services may suspend Contractor's operations under this Cooperative Purchasing Master Agreement immediately by written cure notice of any default. Contractor may be required to submit a written cure plan within five (5) business days of Suspension notification. Suspension shall continue until the default is remedied to Enterprise Services' reasonable satisfaction; *Provided*, however, that, if after thirty (30) days from such a suspension notice, Contractor remains in default, Enterprise Services may terminate Contractor's rights under this Cooperative Purchasing Master Agreement. All of Contractor's obligations to Enterprise Services and Purchasing Entity survive termination of Contractor's rights under this Cooperative Purchasing Master Agreement, until such obligations have been fulfilled.

14.2. **DEFAULT.** Each of the following events shall constitute default of this Cooperative Purchasing Master Agreement by Contractor:

- (a) Contractor fails to perform or comply with any of the terms or conditions of this Cooperative Purchasing Master Agreement;
- (b) Contractor breaches any representation or warranty provided herein; or
- (c) Contractor enters into proceedings relating to bankruptcy, whether voluntary or involuntary.

14.3. **REMEDIES for DEFAULT.**

- (a) Enterprise Services' rights to suspend and terminate Contractor's rights under this Cooperative Purchasing Master Agreement are in addition to all other available remedies.
- (b) In the event of termination for default, Enterprise Services may exercise any remedy provided by law including, without limitation, the right to procure for all Purchasing Entity replacement goods and/or services. In such event, Contractor shall be liable to Enterprise Services for damages as authorized by law including, but not limited to, any price difference between the Cooperative Purchasing Master Agreement price and the replacement or cover price for identical equipment or services, as well as any administrative and/or transaction costs directly related to such replacement procurement – e.g., the cost of the competitive procurement. Enterprise Services or Purchasing Entity will mitigate damages and provide Contractor with detailed invoices substantiating the charges.
- (c) Unless otherwise specified in the Participating Addendum, in the event of a default under a Participating Addendum, a Participating Entity shall provide a written notice of default as described in this section and have all of the rights and remedies under this paragraph regarding its participation in the Cooperative Purchasing Master Agreement, in addition to those set forth in its Participating Addendum. Unless otherwise specified in a Purchase Order, either Party shall provide written notice of default as described in this section and have all of the rights and remedies under this paragraph and any applicable Participating Addendum with respect to an Order. Nothing in this Cooperative Purchasing Master Agreement shall be

construed to limit the rights and remedies available to either Party under the applicable commercial code.

- 14.4. LIMITATION ON DAMAGES. Notwithstanding any provision to the contrary, the parties agree that in no event shall any party or Purchasing Entity be liable to the other for exemplary or punitive damages. Contractor's total liability, whether for breach of contract, strict liability in tort, or otherwise, will be limited to the direct damages recoverable under law, but not to exceed the \$2,000,000 per claim or \$30,000,000 aggregate liability; *provided*, however, that nothing contained in this Section will in any way exclude or limit Contractor's liability for all damages arising out of gross negligence, personal injury or death.

ALTHOUGH THE PARTIES ACKNOWLEDGE THE POSSIBILITY OF SUCH LOSSES OR DAMAGES, THEY AGREE THAT CONTRACTOR WILL NOT BE LIABLE FOR ANY COMMERCIAL LOSS, INCONVENIENCE, LOSS OF USE, LOSS TIME, DATA, GOODWILL, REVENUES, PROFITS OR SAVINGS; OR OTHER SPECIAL, INCIDENTAL, INDIRECT, OR CONSEQUENTIAL DAMAGES IN ANY WAY RELATED TO OR ARISING FROM THIS AGREEMENT, THE SALE OR USE OF THE EQUIPMENT OR SOFTWARE, OR THE PERFORMANCE OF SERVICES BY CONTRACTOR PURSUANT TO THIS AGREEMENT.

This limitation of liability provision survives the expiration or termination of this Cooperative Purchasing Master Agreement and applies notwithstanding any contrary provision. No action for contract breach or otherwise relating to the transactions contemplated by this Cooperative Purchasing Master Agreement may be brought later than the limitations period specified by statute.

- 14.5. GOVERNMENTAL TERMINATION.

- (a) Termination for Withdrawal of Authority. Enterprise Services may suspend or terminate this Cooperative Purchasing Master Agreement if, during the term hereof, Enterprise Services' procurement authority is withdrawn, reduced, or limited such that Enterprise Services, in its judgment, would lack authority to enter into this Cooperative Purchasing Master Agreement; *Provided*, however, that such suspension or termination for withdrawal of authority shall only be effective upon twenty (20) days prior written notice; and *Provided further*, that such suspension or termination for withdrawal of authority shall not relieve any Participating Entity or Purchasing Entity from payment for goods and/or services already ordered as of the effective date of such notice. Except as stated in this provision, in the event of such suspension or termination for withdrawal of authority, neither Enterprise Services nor any Participating Entity or Purchasing Entity shall have any obligation or liability to Contractor. Contractor will be entitled to seek a change order to the extent Contractor provides documentary evidence that Contractor has incurred additional costs as a result of the suspension including costs to demobilize and remobilize the project.
- (b) Termination for Convenience. Enterprise Services, for convenience, may terminate this Cooperative Purchasing Master Agreement; *Provided*, however, that such termination for convenience must, in Enterprise Services' judgment, be in the best interest of the State of Washington; and *Provided further*, that such termination for convenience shall only be effective upon sixty (60) days prior written notice; and *Provided further*, that such termination for convenience shall not relieve any Participating Entity or Purchasing Entity from payment for goods and/or services

already ordered as of the effective date of such notice. Except as stated in this provision, in the event of such termination for convenience, neither Enterprise Services nor any Participating Entity or Purchasing Entity shall have any obligation or liability to Contractor.

## 15. CLAIMS.

- 15.1. ASSUMPTION OF RISKS; CLAIMS BETWEEN THE PARTIES. Contractor assumes sole responsibility and all risks of personal injury or property damage to itself and its employees and agents to the extent caused by its operations under this Cooperative Purchasing Master Agreement. Enterprise Services has made no representations regarding any factor affecting Contractor's risks. Contractor shall pay for all damage to any Purchasing Entity's property resulting directly or indirectly from its acts or omissions under this Cooperative Purchasing Master Agreement, to the extent attributable to negligence by Contractor or its agents.
- 15.2. THIRD-PARTY CLAIMS; INDEMNITY. To the fullest extent permitted by law, Contractor shall defend, indemnify, and hold harmless Enterprise Services, any Purchasing Entity, and NASPO Cooperative Purchasing Organization LLC (doing business as NASPO ValuePoint) (NASPO) and their respective employees and agents from and against all claims, demands, judgments, assessments, damages, penalties, fines, costs, liabilities or losses including, without limitation, sums paid in settlement of claims, attorneys' fees, consultant fees, and expert fees (collectively "claims") to the extent arising from any negligent act or omission of Contractor or its successors, agents, and subcontractors under this Cooperative Purchasing Master Agreement, except to the extent such claims are caused by Enterprise Services, any Purchasing Entity, or NASPO's negligence. Contractor shall take all steps needed to keep Purchasing Entity's property free of liens arising from Contractor's activities, and promptly obtain or bond the release of any such liens that may be filed. Unless otherwise agreed in writing, this section is not subject to any limitations of liability in this Cooperative Purchasing Master Agreement or in any other document executed in conjunction with this Cooperative Purchasing Master Agreement.
- 15.3. INDEMNIFICATION – Intellectual Property. The Contractor will defend at its expense any suit brought against NASPO, NASPO ValuePoint, Participating State or Purchasing Entity, ("Customer") to the extent it is based on a third party claim alleging Contractor manufactured equipment or Contractor software ("Contractor Product") directly infringes a United States patent or copyright ("Intellectual Property Claim") if Contractor receives reasonably prompt written notice of such claim or suit. If the Contractor promptly and reasonably investigates and defends any Intellectual Property Claim, it shall have control over the defense and settlement of it. However, the Indemnified Party must consent in writing for any money damages or obligations for which it may be responsible. The Indemnified Party shall furnish, at the Contractor's reasonable request and expense, information and assistance necessary for such defense.

If an Intellectual Property Claim occurs, or in Contractor's opinion is likely to occur, Contractor may at its option and expense: (a) procure for Customer the right to continue using the Contractor Product; (b) replace or modify the Contractor Product so that it becomes non-infringing while providing functionally equivalent performance; or (c) accept the return of the Contractor Product and grant Customer a credit for the Contractor Product, less a reasonable charge for depreciation. The depreciation amount will be calculated based upon generally accepted accounting standards.

- (1) The Contractor's obligations under this section shall not extend to any combination of the Product with any other product, system or method, unless the Product, system or method is:
- (a) provided by the Contractor or the Contractor's subsidiaries or affiliates;
  - (b) modified by a third party other than Contractor
  - (c) specified by the Contractor to work with the Product; or
  - (d) reasonably required, in order to use the Product in its intended manner, and the infringement could not have been avoided by substituting another reasonably available product, system or method capable of performing the same function; or
  - (e) it would be reasonably expected to use the Product in combination with such product, system or method.

This Section 15 provides Customer's sole and exclusive remedies and Contractor's entire liability in the event of an Infringement Claim. Customer has no right to recover and Contractor has no obligation to provide any other or further remedies, whether under another provision of this Agreement or any other legal theory or principle, in connection with an Infringement Claim. In addition, the rights and remedies provided in this Section 15 are subject to and limited by the restrictions set forth in Section 14.4.

**16. DISPUTE RESOLUTION.** The parties shall cooperate to resolve any dispute pertaining to this Cooperative Purchasing Master Agreement efficiently, as timely as practicable, and at the lowest possible level with authority to resolve such dispute. If, however, a dispute persists and cannot be resolved, it may be escalated within each organization. In such situation, upon notice by either party, each party, within five (5) business days shall reduce its description of the dispute to writing and deliver it to the other party. The receiving party then shall have three (3) business days to review and respond in writing. In the event that the parties cannot then agree on a resolution of the dispute, the parties shall schedule a conference between the respective senior managers of each organization to attempt to resolve the dispute. In the event the parties cannot agree, either party may resort to court to resolve the dispute.

**17. GENERAL PROVISIONS.**

- 17.1. **TIME IS OF THE ESSENCE.** Time is of the essence for each and every provision of this Cooperative Purchasing Master Agreement.
- 17.2. **COMPLIANCE WITH LAW.** Contractor shall comply with all applicable law.
- 17.3. **INTEGRATED AGREEMENT.** This Cooperative Purchasing Master Agreement constitutes the entire agreement and understanding of the parties with respect to the subject matter and supersedes all prior negotiations, representations, and understandings between them. There are no representations or understandings of any kind not set forth herein.
- 17.4. **AMENDMENT OR MODIFICATION.** Except as set forth herein, this Cooperative Purchasing Master Agreement may not be amended or modified except in writing and signed by a duly authorized representative of each party.
- 17.5. **AUTHORITY.** Each party to this Cooperative Purchasing Master Agreement, and each individual signing on behalf of each party, hereby represents and warrants to the other that

- it has full power and authority to enter into this Cooperative Purchasing Master Agreement and that its execution, delivery, and performance of this Cooperative Purchasing Master Agreement has been fully authorized and approved, and that no further approvals or consents are required to bind such party.
- 17.6. NO AGENCY. The parties agree that no agency, partnership, or joint venture of any kind shall be or is intended to be created by or under this Cooperative Purchasing Master Agreement. Neither party is an agent of the other party nor authorized to obligate it.
  - 17.7. ASSIGNMENT. Contractor may not assign its rights under this Cooperative Purchasing Master Agreement without Enterprise Services' prior written consent and Enterprise Services may consider any attempted assignment without such consent to be void; *Provided*, however, that, if Contractor provides written notice to Enterprise Services within thirty (30) days, Contractor may assign its rights under this Cooperative Purchasing Master Agreement in full to any parent, subsidiary, or affiliate of Contractor that controls or is controlled by or under common control with Contractor, is merged or consolidated with Contractor, or purchases a majority or controlling interest in the ownership or assets of Contractor. Unless otherwise agreed, Contractor guarantees prompt performance of all obligations under this Cooperative Purchasing Master Agreement notwithstanding any prior assignment of its rights.
  - 17.8. BINDING EFFECT; SUCCESSORS & ASSIGNS. This Cooperative Purchasing Master Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.
  - 17.9. ASSIGNMENT OF ANTITRUST RIGHTS REGARDING PURCHASED GOODS/SERVICES. Contractor irrevocably assigns to Enterprise Services, on behalf of the State of Washington, any claim for relief or cause of action which the Contractor now has or which may accrue to the Contractor in the future by reason of any violation of state or federal antitrust laws in connection with any goods and/or services provided in Washington for the purpose of carrying out the Contractor's obligations under this Cooperative Purchasing Master Agreement, including, at Enterprise Services' option, the right to control any such litigation on such claim for relief or cause of action.
  - 17.10. FEDERAL FUNDS. To the extent that any Purchasing Entity uses federal funds to purchase goods and/or services pursuant to this Cooperative Purchasing Master Agreement, such Purchasing Entity shall specify, with its order, any applicable requirement or certification that must be satisfied by Contractor at the time the order is placed or upon delivery. Contractor shall have reasonable opportunity to review, and if required, clarify such requirement or certification prior to accepting any such order.
  - 17.11. SEVERABILITY. If any provision of this Cooperative Purchasing Master Agreement is held to be invalid or unenforceable, such provision shall not affect or invalidate the remainder of this Cooperative Purchasing Master Agreement, and to this end the provisions of this Cooperative Purchasing Master Agreement are declared to be severable. If such invalidity becomes known or apparent to the parties, the parties agree to negotiate promptly in good faith in an attempt to amend such provision as nearly as possible to be consistent with the intent of this Cooperative Purchasing Master Agreement.
  - 17.12. WAIVER. Failure of either party to insist upon the strict performance of any of the terms and conditions hereof, or failure to exercise any rights or remedies provided herein or by law, or to notify the other party in the event of breach, shall not release the other party of any of its

- obligations under this Cooperative Purchasing Master Agreement, nor shall any purported oral modification or rescission of this Cooperative Purchasing Master Agreement by either party operate as a waiver of any of the terms hereof. No waiver by either party of any breach, default, or violation of any term, warranty, representation, contract, covenant, right, condition, or provision hereof shall constitute waiver of any subsequent breach, default, or violation of the same or other term, warranty, representation, contract, covenant, right, condition, or provision.
- 17.13. **SURVIVAL.** All representations, warranties, covenants, agreements, and indemnities set forth in or otherwise made pursuant to this Cooperative Purchasing Master Agreement shall survive and remain in effect following the expiration or termination of this Cooperative Purchasing Master Agreement, *Provided*, however, that nothing herein is intended to extend the survival beyond any applicable statute of limitations periods.
- 17.14. **GOVERNING LAW.** The validity, construction, performance, and enforcement of this Cooperative Purchasing Master Agreement shall be governed by and construed in accordance with the laws of the State of Washington, without regard to its choice of law rules. The validity, construction, and effect of any Participating Addendum pertaining to the Cooperative Purchasing Master Agreement or Order placed pursuant to such Participating Addendum shall be governed by and construed in accordance with the laws of the Participating Entity's or Purchasing Entity's State.
- 17.15. **JURISDICTION & VENUE.** In the event that any action is brought to enforce any provision of this Cooperative Purchasing Master Agreement, the parties agree to exclusive jurisdiction in Thurston County Superior Court for the State of Washington and agree that in any such action venue shall lie exclusively at Olympia, Washington; *Provided*, however, that venue for any claim, dispute, or action concerning any Order placed against the Cooperative Purchasing Master Agreement or the effect of a Participating Addendum shall be in the Purchasing Entity's State.
- 17.16. **SOVEREIGN IMMUNITY.** In no event shall this Cooperative Purchasing Master Agreement, any Participating Addendum or any Purchase Order issued thereunder, or any act of the Lead State, a Participating Entity, or a Purchasing Entity be a waiver of any form of defense or immunity, whether sovereign immunity, governmental immunity, immunity based on the Eleventh Amendment to the Constitution of the United States or otherwise, from any claim or from the jurisdiction of any court. This section applies to a claim brought against the Participating Entities who are states only to the extent Congress has appropriately abrogated the state's sovereign immunity and is not consent by the state to be sued in federal court.
- 17.17. **ATTORNEYS' FEES.** Should any legal action or proceeding be commenced by either party in order to enforce this Cooperative Purchasing Master Agreement or any provision hereof, or in connection with any alleged dispute, breach, default, or misrepresentation in connection with any provision herein contained, the prevailing party shall be entitled to recover reasonable attorneys' fees and costs incurred in connection with such action or proceeding, including costs of pursuing or defending any legal action, including, without limitation, any appeal, discovery, or negotiation and preparation of settlement arrangements, in addition to such other relief as may be granted.

Each term and provision of this Cooperative Purchasing Master Agreement to be performed by either party shall be construed to be both a covenant and a condition.

- 17.19. FURTHER ASSURANCES. In addition to the actions specifically mentioned in this Cooperative Purchasing Master Agreement, the parties shall each do whatever may reasonably be necessary to accomplish the transactions contemplated in this Cooperative Purchasing Master Agreement including, without limitation, executing any additional documents reasonably necessary to effectuate the provisions and purposes of this Cooperative Purchasing Master Agreement.

- 17.21. CAPTIONS & HEADINGS. The captions and headings in this Cooperative Purchasing Master Agreement are for convenience only and are not intended to, and shall not be construed to, limit, enlarge, or affect the scope or intent of this Cooperative Purchasing Master Agreement nor the meaning of any provisions hereof.
- 17.22. ELECTRONIC SIGNATURES. An electronic signature of this Cooperative Purchasing Master Agreement or any other ancillary agreement shall be deemed to have the same legal effect as delivery of an original executed copy of this Cooperative Purchasing Master Agreement or such other ancillary agreement for all purposes.
- 17.23. COUNTERPARTS. This Cooperative Purchasing Master Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which counterparts together shall constitute the same instrument which may be sufficiently evidenced by one counterpart. Execution of this Cooperative Purchasing Master Agreement at different times and places by the parties shall not affect the validity thereof so long as all the parties hereto execute a counterpart of this Cooperative Purchasing Master Agreement.
