**WHEREAS**, on May 22, 2024, the Town of Castle Rock, Colorado (the “Town”) and the Board of County Commissioners of the County of Douglas (the “County”) entered into an Amended and Restated Intergovernmental Agreement (the “IGA”) for the design, construction, and operation of the Highway 85 Wastewater Collection and Treatment System (the “Project”); and

**WHEREAS**, the IGA provides that the County shall commit \$14,000,000 of American Rescue Plan Act funding for the Project; and

**WHEREAS**, on July 15, 2025, based upon an updated engineering cost estimate, the Town and the County entered into a First Amendment to the IGA (the “First Amendment”) whereby the Town agreed to fund a potential shortfall of \$4,800,000, which shortfall would eventually be reimbursed from system development fees collected from customers connecting to the Project; and

**WHEREAS**, recently, the design-builder for the Project has submitted a guaranteed maximum price for the project of \$16,766,642, resulting in a total expected Project cost of \$19,784,296: and

**WHEREAS**, accordingly, there now exists an additional potential shortfall of \$984,296 over and above the amount accounted for in the First Amendment; and

**WHEREAS**, the Town is willing to fund the additional shortfall under specific terms and conditions related to the reimbursement of this shortfall from system development fees as set forth in a Second Amendment to the IGA (the “Second Amendment”); and

**WHEREAS**, the Town Council finds and determines that it is in the best interests of the Town and its residents to approve this Second Amendment.
