

AGENDA MEMORANDUM

To: David L. Corliss, Town Manager
From: Tara Vargish, PE, Director of Development Services
Title: **Town Manager Report – Development Project Updates**

This report contains development updates and new submittals or requests that have been submitted to staff since the last update to Town Council. The high-growth nature of Castle Rock results in numerous and diverse questions from individuals seeking information about existing conditions and future plans and formal applications for development. More information on community development activity and formal land use applications are located on the Town website under the Development Activity Map link, which can be accessed at CRGov.com/DevelopmentActivityMap

New Quasi-Judicial Applications Requiring Public Hearings

T-Mobile at Bison Park

A Quasi-judicial application was submitted from UCI Construction Services on behalf of T-Mobile for a Site Development Plan. The applicant is proposing construction of a public bathroom core and shell with a cupola to house wireless equipment located in Bison Park between Clear Sky way and Starry Night Loop. The Site Development Plan will require public hearings before the Planning Commission for review and recommendation and Town Council

for review and final decision. This project is located in Councilmember Hollingshead's district.

New Pre-Application Meeting Requests

Community Behavior Outpatient Clinic in Meadows

A pre-application meeting request was submitted seeking information on application and submittal requirements for building a new Community Based Outpatient Clinic on a vacant property just southeast of Dacoro Lane and Prairie Hawk Drive in Meadows Filing 17. The applicant is proposing a single story 24,225 square foot building with 139 parking spaces on the 2.5-acre lot. The proposal is located in Mayor Pro Tem Bracken's District.

CORE Citadel T-Line Relocation Underground

A pre-application meeting request was submitted seeking information on application and submittal requirements for a proposed T-Line Distribution Feeder Relocation project. The

applicant would like to convert and rebuild an overhead distribution line to an underground line. The location of the current distribution line is east of Prairie Hawk Drive and is to be relocated underground to the west side of Prairie Hawk Drive. The intent of the project is to increase capacity and improve reliability and aesthetics with an underground feeder. The project is located in Mayor Pro Tem Bracken's district.

Crowfoot Valley Road Widening – CIP Project

A pre-application meeting request was submitted seeking information on application and submittal requirements to widen Crowfoot Valley Road from the intersection of Knobcone Drive to the Town boundary. The objective of this project is to reduce congestion due to current and forecasted traffic volumes, as well as safety improvements for both vehicles and pedestrians alike. The project will include roadway widening to accommodate two through lanes in each direction plus a bicycle lane in the north bound direction, with both right and left turn auxiliary lanes where warranted. A signal will be implemented at the Sapphire Point intersection, and sidewalks will be completed through the corridor. The proposal is located in Councilmember Cavey's District.

Crystal Crossing ROW Landscape Renovations

A pre-application meeting request was submitted seeking information on application and submittal requirements for Crystal Crossing Landscape renovations in the right-of-way along portions of Crystal Valley Parkway and Plum Creek Parkway. The changes are needed with the addition of the roundabout at this intersection and construction of the new Crystal Valley Interchange. Crystal Crossing Metropolitan District would like to also reduce the amount of turf in the ROW and convert to more native seed. They are also proposing to add electricity to the monument sign on the north side of Crystal Valley Parkway for holiday lighting. The project is located in Councilmember Dietz's district.

Discount Tire Storage Container

A pre-application meeting request was submitted seeking information on application and submittal requirements for a proposed permanent storage enclosure to be placed next to the existing trash enclosure. Discount Tires is located at 102 East Allen Street and consists of 1.158 acres. The proposed storage enclosure is approximately 10 feet high, split-face CMU to match the existing building and will include a solid metal gate to match the adjacent trash enclosure as well as chain link fencing above for security. The proposed enclosure design will not reduce the current number of parking spaces for the site. The project is located in Councilmember LaFleur's district.

Mikelson Boulevard Roundabout

A pre-application meeting request was submitted seeking information on application and submittal requirements for constructing a roundabout at the intersection of Mikelson Boulevard and Mitchell Street. The improvements to the intersection is part of the Bella Mesa Annexation and Development Agreement and is needed for the projected traffic for the full development of the Bella Mesa project. The project is located in Councilmember Brooks' district.
