A message from
Chief of Police
Jack Cauley

Castle Rock continues to be one of the safest and fastest-growing communities in the country. To achieve this, we build upon our One-By-One Policing philosophy through our three strategic pillars:

People: We invest in our team members by providing quality training and the best equipment available. We are laser-focused on creating a healthy organizational culture where our members can thrive.

Innovation: The ability to innovate is key. We embrace the latest technology and best practices to solve problems and address crime.

Community: Policing is a team effort. Creating safe communities must involve trust and partnerships. We are grateful for Castle Rock's support and don't take it for granted.

CRPD Welcomed Brazilian Policia Civil

The Castle Rock Police Department welcomed guests from the Brazilian Policia Civil de Santa Catarina in early October. The delegation consisted of a select group of officials who are directly involved in their agency's modernization and training programs. General Director Ulisses Gabriel and his team proposed the visit with CRPD after learning about our One-By-One Policing philosophy and the impact it's had on our internal culture and community relations.

Over five days, our Brazilian guests were integrated into CRPD's culture – from National Coffee with a Cop Day to ride-alongs with our team members, introductions to our programs and more – to learn how they could best adapt some of our practices to enhance their policing efforts in Brazil.

Castle Rock Police Department

VISION: To serve people one-by-one so together, we can create environments that are safe and secure, and where people can thrive.

MISSION: The Castle Rock Police Department is dedicated to excellence through community safety, innovation, and public trust. Our goal is to provide for the safety and welfare of both the citizens and visitors of the Town of Castle Rock utilizing effective community-policing philosophies, including crime prevention, traffic enforcement, criminal investigation, crime analysis and community involvement.

Additional Performance Measures

Community Response Team: Calls for service

Animal Control Team: Calls for service

Customer survey results

CRPD utilizes a survey tool which measures customer service on select non-violent or property crime calls for service. Citizens receive a short text survey and may also leave comments. Results are listed in the graph below.

Domestic violence lethality assessment

The Lethality Assessment Program (LAP) tool is designed to reduce risks, save lives and involves an assessment by policing personnel to determine risks in collaboration with community-based victim service providers. More information can be found at LethalityAssessmentProgram.org.
