CRIME

From the desk of the Crime Analyst

MoneyGrams are the latest trend for criminals to steal money. MoneyGrams allow people to send money online or by using a mobile device. The suspect is able to receive the money that was transferred and accepted at places like Walmart.

The MoneyGram scam usually starts with an advertisement about something you may be interested in purchasing and is found on Instagram or Facebook. You then send money via MoneyGram to that suspect and never receive the item you thought you purchased.

Always do research on products, companies and advertisements, especially those on social media sites. MoneyGrams are a great way to send money and pay bills but we do not want you to become a victim of a scam and lose money.

VICTIMS ASSISTANCE UNIT

The Victims Assistance Unit has been operating under the leadership of Carole Malezija for nearly 18 years. She is assisted by long-time staff Victim Advocate Marsha Davenport. The main purpose of this program is to serve the needs of crime victims. In 1993, the Constitution of the State of Colorado and the laws of the state C.R.S. § 24-4.1-302 (1) guarantee certain rights to the victims of 30 different crimes.

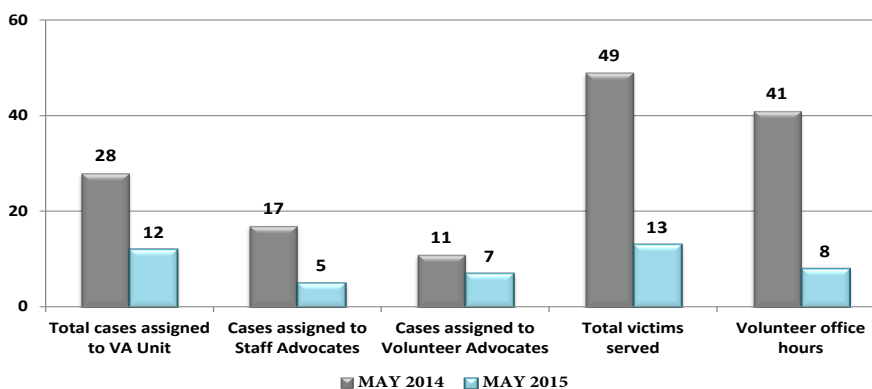

The goal of VA Volunteers is to help the citizens of our community. They have very specific policies and procedures, which they are expected to follow. The commitment of these individuals is outstanding; they are an elite group of individuals with a special skill set. They must be committed to assisting victims at any time of the day or night. They put their personal plans

aside to be on call. Over the last four years, this team has donated approximately 18,200 hours of on call service.

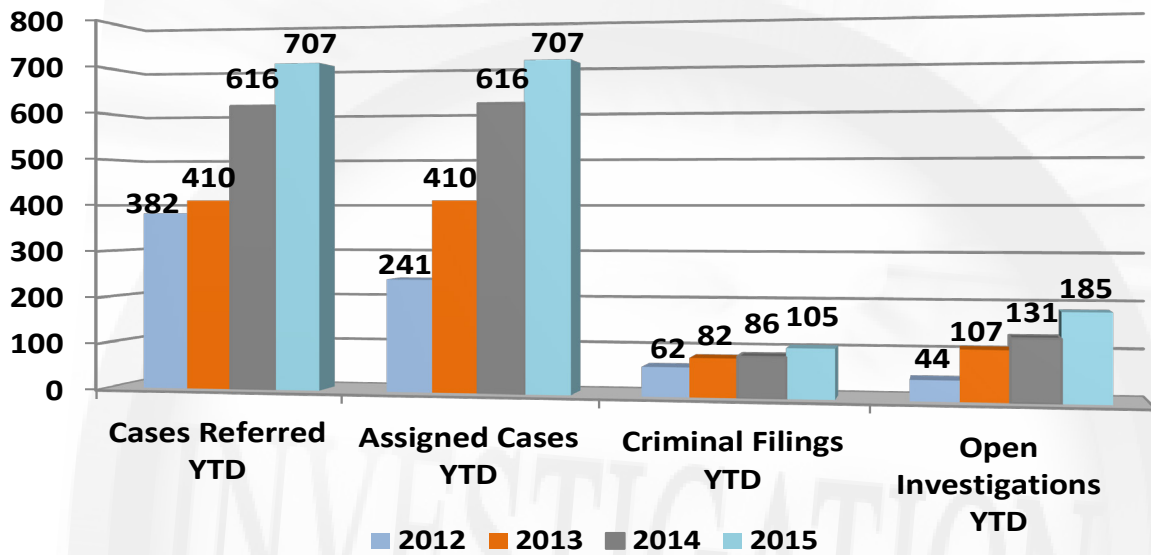

On May 15, the VA Unit, *including all the volunteers*, was recognized with a Letter of Commendation by the Castle Rock Police Department. This award demonstrates the value the Castle Rock Police Department places on this unit and their work functions.

My family and I fully support CRPD

Professionalism

The [CRPD] policemen that I have met, that I have dealt with, have been nothing but professional. They are not harassing, condescending or unprofessional in any way to me or anyone else that I have seen... I have a lot of respect for the police of our Town, they keep us safe, they keep crime down and they know us and we know them. Thank you to the CRPD for all of your hard work...everyday.

Yesterday, I met [Officer Grafner] under not so great circumstances, for me anyway. He was courteous,

**"I
 was certainly
 not focused on
 operating my
 vehicle"**

quick and efficient. He also reminded me that I was certainly not focused on operating my vehicle. My driving record shows, I think, that I am usually focused on task when behind the wheel. In any

event, Officer Grafner was there when I needed a little a wakeup call and I got one.

Chief, in a time when so many are willing to criticize what you all do, I want to tell you that my family and I fully support all that CRPD does to keep us protected.

Thanks to you and all of CRPD.
