This improvement is badly needed! Often we sit at a red light on Meadows Parkway by the hospital to allow left turns in front of us and there never was a vehicle in either left turn lane. The other major problem is lack of timing for east and west bound traffic. You get a green light at Prairie Hawk Drive and the light at Limelight Avenue turns red just before to get to it.

Please add the intersection of Santa Fe and Promenade Parkway when a very long train is going by for several minutes. There's no reason the lights can't cycle to allow left and right turns onto Santa Fe from Promenade Parkway.

Thank you.
