OCTOBER 2015

FROM THE DESK OF THE CRIME ANALYST

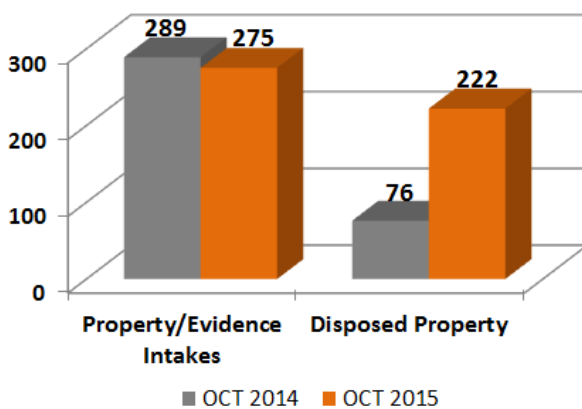

AUTUMN / WINTER HELPFUL TIPS

As we head into the autumn and winter months, please remember a few tips while there are extended hours of darkness:

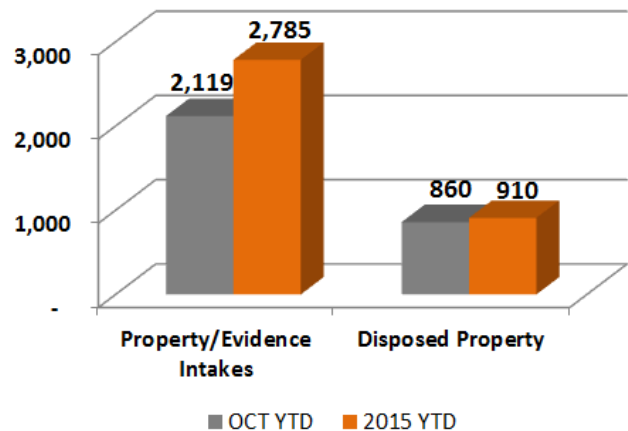

- Park close to a light post or within a well lit area (this will help ensure you are not searching for your vehicle in the dark).
- Carry a small flashlight on a key ring or in a purse.
- Know your surroundings; this helps you notice any suspicious activity.
- Don't leave your car running unattended as it may be gone when you get back (even if you intend to leave for only a moment).
- Lock your vehicle and do not leave belongings inside. Vehicle trespasses are an easy way for thieves to steal all your belongings and possibly your identity.
- Leave outdoor lights on at your residence at night. Criminals are less likely to burglarize a home with sufficient outdoor lighting.
- Have your keys in hand when you approach your car or house; you will not be distracted by your keys and can pay attention to your surroundings.

DETECTIVE UNIT

The Detective Unit investigated two unrelated armed robberies in the month of October. The first robbery occurred in the Lowe's parking lot during the evening hours of October 20. The suspects were three males from Aurora who had arranged to meet the victim in the store's parking lot (through a social media site). The victim is from Colorado Springs. After meeting, the suspects produced handguns, forced the victim into a car, stole cash, and released the victim unharmed. The three suspects fled the area but were located a short time later by neighboring law enforcement officers along I-25. All three suspects were ultimately arrested and each are being held on \$500,000 bond while awaiting trial.

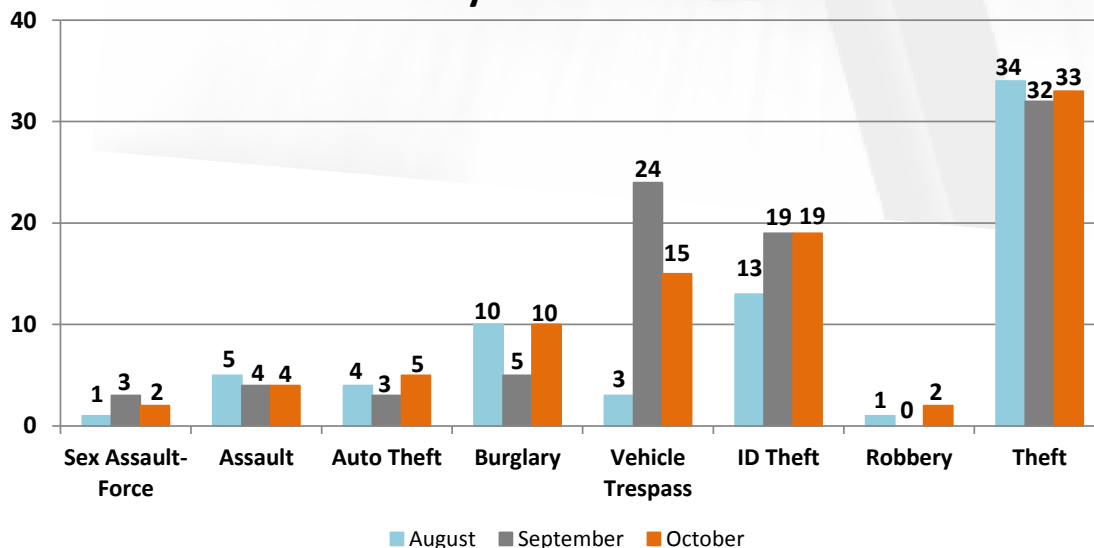

2012-2015 Year-To-Date Comparison: October

The second robbery occurred at the Check Into Cash store on Wilcox Street during the morning of October 28. The suspect produced a handgun and demanded cash before fleeing the store in an unknown direction. The suspect was described as a black male, about 20 to 30 years of age, wearing jeans, a dark hoodie, an orange safety vest, light colored gloves, a white construction mask and was armed with a handgun. Detectives believe this crime may be associated with similar crimes occurring in the southern metropolitan area.

VICTIMS ASSISTANCE UNIT

This was an exciting year for us at the annual 2015 COVA Conference held in Keystone, Colorado. The Victims Assistance Coordinator and six of the VA Volunteers were able to attend due to the scholarships provided through the 18th Judicial District VALE Board. Two patrol sergeants as well as our new community policing officer were able to attend this year.

Topics ranged from Shaken Baby Syndrome, Investigation of Strangulation, Drug Endangered Children, and Body-Worn Cameras. Many of the classes were POST certified for the commissioned law enforcement personnel attending the conference. The conference concluded with an excellent comedian, Sam Adams, who was able to bring some humor to an otherwise serious conference.

A great learning experience was enjoyed by all!

I want to say thank you

I want to thank Officer Body who stopped to help me push my motorcycle up the ramp into the bed of my truck. He saw me struggling and stopped and offered his assistance. For that I want to say thank you and it was a blessing.

Serving with distinction

Chief Cauley, I wanted to send you an email about your Officer Stoneking and the fantastic job he's doing both inside and outside the community! My bike was stolen on the University Hospital campus in Aurora...A few weeks later, I found a very similar bike listed on Craigslist in

"I was blown away by how helpful, courteous and thorough he was."

Castle Rock... Although the case was not within his jurisdiction, he took it upon himself

[to investigate] and verified that the serial number on the bike didn't match my stolen one. I'm not a resident of Castle Rock, and neither was my case, so I was blown away by how helpful, courteous, and thorough he was. He's a credit to your department, and I'm sure he will continue to serve with distinction.
