

CASTLE ROCK WATER

**AN ORDINANCE AMENDING VARIOUS  
SECTIONS IN CHAPTER 4.04 OF THE CASTLE  
ROCK MUNICIPAL CODE REGARDING THE  
WATER DEDICATION CODE, FIRST READING**

APRIL 19, 2022

# ORDINANCE AMENDING CHAPTER 4 CODE

## BACKGROUND

- 75% Renewable Water Supply Goal by 2050
- 2021 Water Resources Strategic Master Plan Update
- Code Section Updated in 2018
  - Required new annexations to provide renewable water
  - Defined “infill” properties as exempt from this requirement

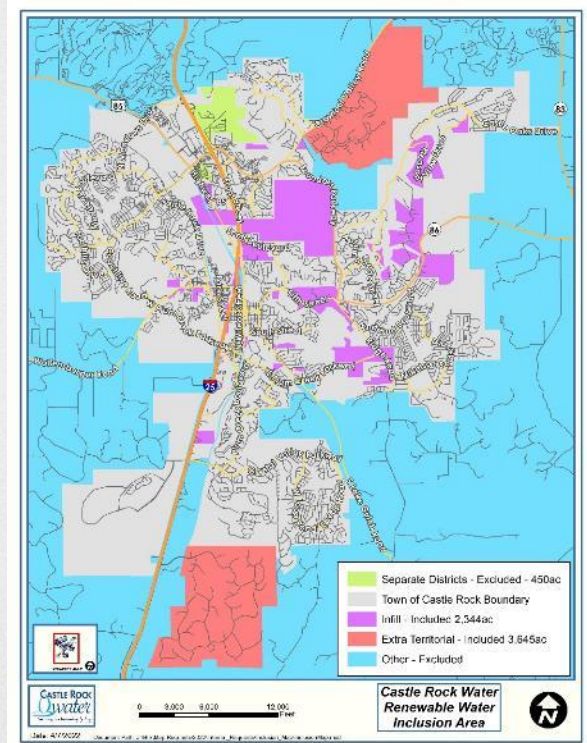

*East Plum Creek near PCWPF*

# ORDINANCE AMENDING CHAPTER 4 CODE

## PROPOSED CHANGES TO CODE

- Removed one of the exceptions to the requirement
- Redefined some properties as infill, see map
- Added requirement for developer to pay for any attorney fees for reviewing dedicated water
- Provided additional non-substantive changes for clarification and cleanup

# ORDINANCE AMENDING CHAPTER 4 CODE RECOMMENDATIONS

- Castle Rock Water Commission
- Staff
