Consultant shall complete any Services in progress as of the expiration date. Consultant shall devote adequate resources for timely completion of the Services in accordance with the standards specified in this Agreement. Consultant shall perform the Services under this Agreement using a standard of care, skill and diligence ordinarily used by reputable professionals performing under circumstances similar to those required by this Agreement.

4. **Termination.** Town shall have the right to terminate this Agreement with or without cause at any time with ten (10) days’ written notice to Consultant. 7. **Assignment.** This Agreement shall not be assigned by either party without the written consent of the other party.

8. **Notice.** Any notice required or permitted by this Agreement shall be in writing and shall be deemed to have been sufficiently given for all purposes if sent by certified mail or registered mail, postage and fees prepaid, addressed to the party to whom such notice is to be given at the address set forth on the first page of this Agreement, or at such other address as has been previously furnished in writing to the other party or parties. A. **General Conditions:** Consultant agrees to secure, at or before the time of execution of this Agreement, the following insurance covering all operations, goods or services provided pursuant to this Agreement. Consultant shall keep the required insurance coverage in force at all times during the term of the Agreement, including any extension thereof, and during any warranty period. The required insurance shall be underwritten by an insurer licensed or authorized to do business in Colorado and rated by A.M. Best Company as "A-VII" or better. Each policy shall require notification to the Town in the event any of the required policies be canceled or non-renewed before the expiration date thereof. Such written notice shall be sent to the parties identified in the Notices section of this Agreement. Such notice shall reference the Town. Said notice shall be sent thirty (30) days prior to such cancellation or non-renewal unless due to non-payment of premiums for which notice shall be sent ten (10) days prior. If such written notice is unavailable from the insurer, Consultant shall provide written notice of cancellation, non-renewal and any reduction in coverage to the Town by certified mail, return receipt requested within three (3) business days of such notice by its insurer(s). Consultant shall be responsible for the payment of any deductible or self-insured retention. The insurance coverages specified in this Agreement do not lessen or limit the liability of the Consultant. The Consultant shall maintain, at its own expense, any additional kinds or amounts of insurance that it may deem necessary to cover its obligations and liabilities under this Agreement. All commercial and automobile liability policies shall have the following additional provisions:

- Severability of interests or separation of insureds provision;

requirements of this Agreement. The Town's acceptance of a certificate of insurance or other proof of insurance that does not comply with all insurance requirements set forth in this Agreement shall not act as a waiver of Consultant's breach of this Agreement or of any of the Town's rights or remedies under this Agreement. Each certificate shall identify the Project and shall provide that coverage afforded under the policies shall not be cancelled, terminated or materially changed until at least 30 days prior written notice has been given to the Town. If the words "endeavor to" appear in the portion of the certificate addressing cancellation, those words shall be stricken from the certificate by the agent(s) completing the certificate.

C. **Additional Insureds:** For Commercial General Liability and Automobile Liability, Consultant and subconsultant's insurer(s) shall include the Town, its elected and appointed officials, officers, employees, agents and volunteers acting within the course and scope of their duties for the Town as additional insured.

E. **Subconsultants:** Consultant shall confirm and document that all subconsultants (including independent consultants, suppliers or other entities providing goods or services required by this Agreement) procure and maintain coverage as approved by the Consultant and appropriate to their respective primary business risks considering the nature and scope of services provided.

11. **Indemnification.** Consultant expressly agrees to indemnify Town or any of its officers, agents or employees from bodily injury and property damage or claims resulting from Consultant's professional services which are the subject of this Agreement, including, but not limited to, any person,

firm, partnership, or corporation, to the extent caused by the negligent acts, errors or omissions of Consultant or any of their employees or agents in performing Services pursuant to this Agreement. In the event that any such suit or action is brought against Town, Town will give notice within ten (10) days thereof to Consultant. These defense and indemnification obligations shall survive the expiration or termination of this Agreement.

12. **Delays.** Any delays in or failure of performance by any party of the obligations under this Agreement shall be excused if such delays or failure are a result of acts of God, fires, floods, strikes, labor disputes, accidents, regulations or orders of civil or military authorities, shortages of labor or materials, or other causes, similar or dissimilar, which are beyond the control of such party.

13. **Additional Documents & Entire Agreement.** The parties agree to execute any additional documents or take any additional action that is necessary to carry out this Agreement. Further, this Agreement represents the entire agreement between the parties and there are no oral or collateral agreements or understandings. This Agreement may be amended only by an instrument in writing signed by the parties. If any other provision of this Agreement is held invalid or unenforceable, no other provision shall be affected by such holding, and all of the remaining provisions of this Agreement shall continue in full force and effect.

14. **Time is Important.** If any payment or any other condition, obligation, or duty is not timely made, tendered or performed by either party, then this Agreement, at the option of the party who is not in default, may be terminated by the non-defaulting party, in which case, the non-defaulting party may recover such damages as may be proper.

15. **Default and Remedies.** In the event either party should default in performance of its obligations under this agreement, and such default shall remain uncured for more than ten (10) days after notice of default is given to the defaulting party, the non-defaulting party shall be entitled to pursue any and all legal remedies (subject to the following limitations on damages), and recover its reasonable attorney's fees and costs in such legal action. In no event shall either Party be liable for lost profits or incidental, consequential, punitive or exemplary damages. Consultant's liability hereunder shall be limited to (a) insurance proceeds paid, or (b) in the event that insurance does not timely pay, to the payment made to Consultant under this Agreement; provided, however, that should insurance proceeds not be available or paid out due to Consultant's failure to possess or maintain insurance coverage as required by this Agreement, or through any other act or failure to act by Consultant impacting the availability or payment of insurance proceeds, the aforementioned limitation on liability shall not apply. Town's liability shall be limited up to the payment made to Consultant under this Agreement.

16. **Waiver.** A waiver by any party to this Agreement of the breach of any term or provision of this Agreement shall not operate or be construed as a waiver of any subsequent breach by either party.

17. **Venue, Choice of Law and Disputes.** Venue for all legal actions shall lie in the District Court in and for the County of Douglas, State of Colorado, and shall be governed by the laws of the State of Colorado as well as the Charter and Municipal Code, rules, regulations, Executive Orders, and fiscal rules of the Town.

These indemnification obligations shall survive the expiration or termination of this Agreement.

19. **No Discrimination in Employment.** The Town is a governmental agency and, therefore, in connection with the performance of Work or Services under this Agreement, Consultant shall not refuse to hire, discharge, promote or demote, or to discriminate in matters of compensation against any person otherwise qualified, solely because of race, color, religion, national origin, gender, age, military status, sexual orientation, gender identity or gender expression, marital status, or physical or mental disability, or any other protected class under Federal or State law; and Consultant shall insert the foregoing provision in any subcontracts hereunder.

20. **Title VI Compliance.** To the extent applicable, Consultant shall maintain its current and future compliance with Title VI of the Civil Rights Act of 1964, 42 U.S.C. § 2000d et seq., as amended, which prohibits the exclusion from participation, denial of the benefits of, or subjection to discrimination under programs and activities receiving federal financial assistance, of any person in the United States on the ground of race, color, or national origin.

21. **Advertising and Public Disclosure.** Consultant shall not include any reference to this Agreement or goods or services provided pursuant to this Agreement in any of Consultant's advertising or public relations materials without first obtaining the written approval of the Town. Nothing herein, however, shall preclude the transmittal of any information to officials of the Town, including without limitation, the Town Attorney, Town Manager, and the Town Council.

22. **Ownership of Documents, Open Records, and Copyright.** Any work product, materials, and documents produced by the Consultant pursuant to this Agreement shall become joint property of the Town and Consultant upon delivery and shall not be made subject to any copyright or made confidential or protected in any manner unless authorized by the Town. Other materials, methodology and proprietary work used or provided by the Consultant to the Town not specifically created and delivered pursuant to the Services outlined in this Agreement may be protected by a copyright held by the Consultant and the Consultant reserves all rights granted to it by any copyright. However, Consultant acknowledges and understands that the Town is subject to the Colorado Open Records Act, C.R.S. § 24-72-201, et seq. The Consultant waives any right to prevent its name from being used in connection with the Services.

Consultant shall strive so that all Services or Work performed under this Agreement shall comply with all applicable patent, trademark and copyright laws, rules, regulations and codes of the United States. Consultant shall not utilize any protected patent, trademark or copyright in performance of the Work or Services unless Consultant has obtained proper permission and all licenses, releases and other necessary documents. Consultant releases, indemnifies the Town, its officers, agents, and employees from any and all claims, damages, suits, costs, expenses, liabilities actions or proceedings of any kind or nature whatsoever, of or by anyone whomsoever, in any way resulting from, or arising out of, directly or indirectly, the performance of the Work or Services under this Agreement which infringes upon any patent, trademark or copyright protected by law. These defense and indemnification obligations shall survive the termination of this Agreement.

23. **Authority.** The individuals executing this Agreement represent that they are expressly authorized to enter into this Agreement on behalf of the Town and the Consultant and bind their respective entities. This Agreement is executed and made effective as provided above.

24. **Digital Accessibility.** Consultant agrees that all deliverables, work, services, or equipment developed, designed, constructed or produced pursuant to this Agreement comply with Colorado law governing digital accessibility, including but not necessarily limited to at a minimum conforming with the current Web Content Accessibility Guidelines (“WCAG”) followed by the State of Colorado. These indemnification obligations shall survive the expiration or termination of this Agreement.

25. **Independent Consultant.** Consultant and the Town hereby represent that Consultant is an independent contractor for all purposes hereunder. Consultant is not covered by any worker’s compensation insurance or any other insurance maintained by Town except as would apply to members of the general public. Consultant shall not create any indebtedness on behalf of the Town.

26. **No Third-Party Beneficiaries.** It is expressly understood and agreed that enforcement of the terms and conditions of this Agreement, and all rights of action relating to such enforcement, shall be strictly reserved to Town and Consultant, and nothing contained in this Agreement shall give or allow any such claim or right of action by any other third party on such Agreement. It is the express intention of the parties that any person other than Town or Consultant receiving services or benefits under this Agreement shall be deemed to be an incidental beneficiary only.

27. **Counterparts & Electronic Signatures.** This Agreement may be executed in counterparts, each of which shall be deemed an original, and all of which together shall be deemed to constitute one and the same instrument. Each of the parties hereto shall be entitled to rely upon a counterpart of the instrument executed by the other party and sent by electronic mail. Each party agrees that this Agreement and any other documents to be delivered in connection herewith may be electronically signed, and that any electronic signatures appearing on this Agreement or such other documents are the same as handwritten signatures for the purposes of validity, enforceability, and admissibility.

SCOPE OF SERVICES:

This project includes the following work:

- Construction Phase Services for the SCADA Master Plan Phase V Project based on the Issued for Construction Documents provided during the design phase. These services include the following:
 - Submittal Review
 - Respond to RFIs
 - Change Orders/Work Change Directives
 - Startup Support
 - Conforming to Construction Records

The services are detailed further in the paragraphs below.

Task Series 400 - Construction Phase Engineering Services:

The Scope of Services described herein represents the Engineer's professional engineering activities necessary for engineering services during construction and post-construction activities. Engineer shall not make exhaustive or continuous on-site assessments to check the quality or quantity of such work. Engineer shall not be responsible for the means, methods, techniques, sequences, or procedures of construction contractors, or for their safety precautions and programs incident to their work. Engineer shall not be responsible for the failure of construction contractors to perform the work in accordance with the Contract Documents.

Insofar as job site safety is concerned, Engineer is only responsible for its employees' activities on the job site, and this shall not be construed to relieve Owner or any construction contractors from their responsibilities for maintaining a safe job site. Neither the professional activities of Engineer, nor presence of Engineer or its employees and subcontractors shall be construed to imply Engineer has any responsibility for methods of work performance, superintendence, sequencing of construction, or safety in, on or about the job site. Owner agrees that the construction contractors are solely responsible for job site safety, and this intent shall be made evident in Owner's agreement with all construction contractors. Owner and Engineer shall be made additional insureds under the construction contractors' general liability insurance policy.

Engineer will not be a party to any construction contract and all authority and responsibility to stop work belongs to the Owner. Engineer shall not be liable for the results of any interpretations or decisions rendered by it in good faith when acting as an arbitrator or interpreter of the Contract Documents; provided, however, that all interpretations and decisions of Engineer shall be consistent with the intent of, and reasonably inferable from, the Contract Documents and shall be in writing or in the form of drawings.

By recommending any payment to others, Engineer will not thereby be deemed to have represented that continuous or exhaustive examinations have been made by Engineer to check the quality or quantity of the work or to review the means, methods, sequences, techniques or procedures of construction or safety precautions or programs incident thereto or that Engineer has made an examination to ascertain how or for what purposes any person(s) has used the moneys paid on account, or that title to any of work, materials or equipment has passed to the Owner free and clear of any lien, claims, security interests or encumbrances, or

that others have completed their work exactly in accordance with the Contract Documents. Notwithstanding the foregoing, it is agreed that, by recommending any payment to others, Engineer does thereby represent that, based on Engineer's evaluation of the work and the data comprising the Contractor's Application for Payment, that, to the best of Engineer's knowledge, information and belief, the work has progressed to the point indicated, the quality of the work is in accordance with the Contract Documents, that the Contractor is entitled to payment in the amount certified, and that Engineer knows of no legitimate reason that such payment or any part thereof may or should be withheld.

Engineer has based the scope of services level of effort on a construction duration of 600 calendar days. If more time is required, an equitable adjustment will be made to the Engineer's contract by means of an amendment.

Task 401 – General Management of Construction Contract:

Engineer shall provide for general management of the construction contract. Engineer shall maintain, at Engineer's office, orderly files for correspondence, reports of job conferences, Shop Drawings and Samples, reproductions of original Contract Documents including Requests for Information, Construction Change Directives, Addenda, Change Orders, Field Orders, additional Drawings issued subsequent to the execution of the Contract, clarifications and interpretations of the Contract Documents, progress reports, Shop Drawing submittals and other project related documents.

Task 402 – Pre-Construction Conference:

Engineer will conduct a preconstruction conference. This meeting will be held virtually.

Task 403 – Progress Meetings:

The engineer will attend weekly construction progress meetings, which will be held virtually. This task assumes a total of seventy-six (76) meetings.

Task 404 – RFI Review and Response:

Engineer will review and respond to RFIs in writing and prepare and issue supplemental drawings and specifications as necessary in response to RFIs. Engineer will maintain a record of RFIs, responses provided to the Contractor, and documentation of each RFI's resolution. This task includes written responses to ten (10) RFI's with a review, determination, and response time of approximately four (4) hour(s) per RFI.

Task 405 – Submittal and Resubmittal Reviews

Engineer will review submittals for the project and provide a response and status for each submittal. Engineer will maintain a record of submittals, responses provided to the Contractor, and documentation of each submittal. This task includes written responses to forty (40) submittals with a review, determination, and response time of approximately three (3) hour(s) per submittal. This task also includes thirty (30) resubmittal(s) with a review, determination, and response time of approximately one (1) hour(s) per resubmittal.

Task 406 – Change Orders/Work Change Directives:

Engineer will review and comment on prospective change orders. Engineer will evaluate and make recommendations to Owner on change orders. Engineer will provide Work Change Directives as needed. Engineer will track changes and obtain Owner approval prior to returning direction to the Contractor.

This task includes six (6) Work Change Directives/Change Orders with a response time of approximately eight (8) hours per Change Directive/Change Orders.

Task 407 – Periodic Site visits by Engineer:

This includes a total of four (4) site visits for one (1) discipline engineer and the project manager. Each site visit is assumed to be twelve (12) hours in duration, including travel.

Post-Construction Engineering:

Task 408 – Substantial Completion Inspection and Punchlist

Engineer will participate in the field walks of the site with the Owner and the Contractor. Engineer will generate a punchlist of incomplete and construction items to correct in the field and prepare the substantial completion letter with final completion requirements outlined. This task assumes eight (8) hours each for an electrical engineer and the project manager to perform the site walk. The task also includes punch list preparations and certificates of substantial completion. Engineer assumes four (4) sets of substantial completion site visits to capture all the sites.

Task 409 – Final Completion Inspection and Punchlist

Once the Contractor has indicated that they have corrected the punchlist items, a final field visit will be conducted to confirm that the work is complete. Based on the findings, final punch list letters of completion will be prepared and submitted. The fee assumes the project manager requires thirty-six (36) hours to perform the final field visit and develop final completion letter.

Task 410 – Conforming to Construction Record Drawings:

Following the construction, and prior to recommendation of the final payment to the Contractor, the Contractor will be required to provide a complete set of red-lined drawings indicating any changes that took place in the field during construction of the project.

Engineer will prepare conforming to construction drawings from the Contractor supplied redlines. A pdf copy, and Revit files of the information will be provided to the Owner.

Task 411 – Project Closeout:

This task includes provisions for the Engineer to close out each project's documentation. This task will be conducted in the office and will include final discussions with the Contractor, punch list items, final payment, and other documents required by the contract documents for final completion and final payment.
