HIGH-LEVEL TRENDS

58 PERFORMANCE QUESTIONS – 57 (98%) SCORED ABOVE 5 ON 0 TO 10 SCALE

50 of the questions could be compared to 2023. Of those, 42 remained comparable to the prior survey.

Two questions saw ratings increases:

- 1. Plowing all travel lanes within 10 hours of snow stopping 6.04 to 7.05
- 2. Professionalism of the police station front counter staff 8.50 to 9.23

Six questions saw ratings decreases:

- 1. (Police) victim's assistance services 7.65 to 7.06
- 2. (Fire) hazardous materials mitigation 7.8 to 7.1
- 3. (Fire) respond to natural or man-made disasters 7.95 to 6.89
- 4. Investigate fires 8.6 to 8.02
- 5. (Fire) technical rescue 9.0 to 8.49
- 6. Extinguish building, vehicle and other fires 9.0 to 8.49

FIVE-STAR RATING

3.5 STARS RECEIVED – SAME RATING SINCE 2017

QUALITY OF LIFE

90% of residents said the quality of life in Castle Rock meets or exceeds expectations, with roughly 25% indicating it greatly exceeds expectations

DIRECTION TOWN IS HEADED

55% of residents believe the Town is headed in the right direction – this rating increased over the prior survey for the first time since 2019

QUALITY OF SERVICES

84% of residents said the quality of Town services exceeds or greatly exceeds expectations, an increase from 2023

VALUE FOR TAX DOLLARS PAID

Nearly two-thirds of residents say they are getting their money's worth for their tax dollars

COMMUNITY COMPARABILITY

Nearly nine of 10 residents said that Castle Rock is better or significantly better than other cities and towns

STRATEGIC PRIORITIES

RANK ORDER

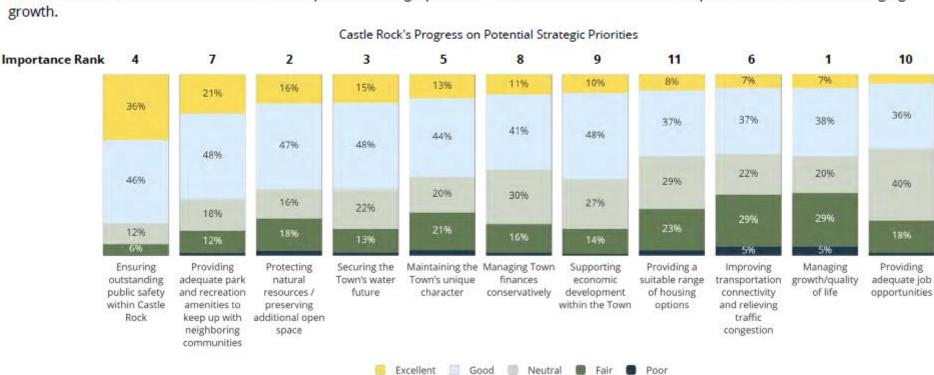

- 1. Managing growth/quality of life
- 2. Protecting natural resources/preserving additional open space
- 3. Securing the Town's water future
- 4. Ensuring outstanding public safety within Castle Rock
- 5. Maintaining the Town's unique character
- 6. Improving transportation connectivity and relieving traffic congestion

- Providing adequate park and recreation amenities to keep up with neighboring communities
- 8. Managing Town finances conservatively
- 9. Supporting economic development within the Town
- 10. Providing adequate job opportunities
- 11. Providing a suitable range of housing options

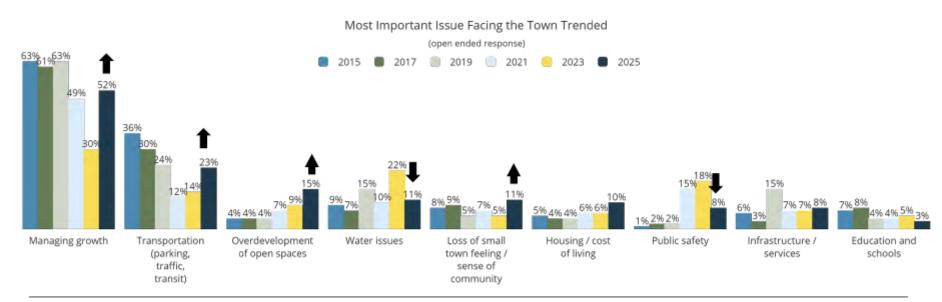

Progress on Strategic Priorities

The majority of residents believe the Town has made adequate progress with protecting natural resources and securing the Town's water future, which are the second and third most important strategic priorities. The results indicate room for improvement related to managing growth.

Most Important Issue Facing the Tow."

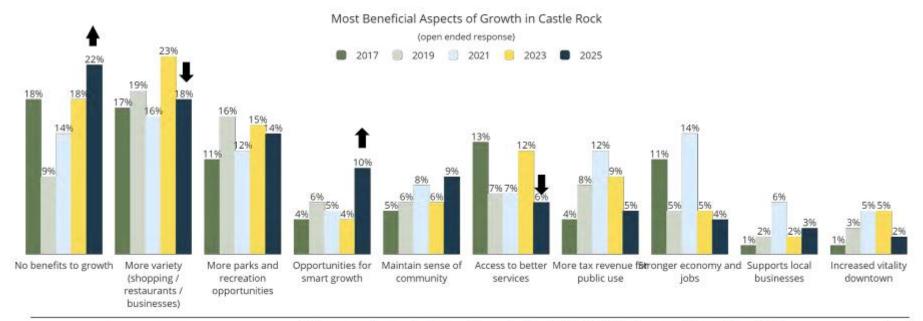

When asked to specify the most important issue facing Castle Rock in the next five years, respondents mentioned managing growth and transportation, including parking, traffic, and transit, most frequently. Many other concerns have risen significantly since 2023, including overdevelopment in open spaces and loss of small-town feeling. There has been a notable decrease in those citing water issues and public safety as issues facing Castle Rock.

Positive Aspects of Growth

About one-fourth of residents feel there is no benefit to growth in Castle Rock. There was a significant increase in those valuing opportunities for smart growth. Since the 2023 survey, there has been a significant decrease in those appreciating more variety in shopping, restaurants, and businesses.

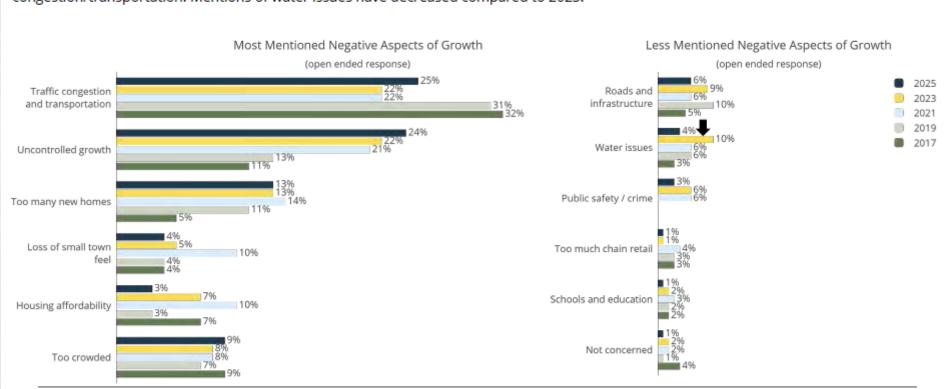

Using a one or two-word phrase, what aspect of growth in Castle Rock do you consider most beneficial? TOWN OF CASTLE ROCK 2025 Community Survey Open ends in Appendix page 294.

Page 59

Negative Aspects of Growth

Recon M

The top two concerns about growth in Castle Rock are consistent with the 2021 and 2023 surveys: uncontrolled growth and traffic congestion/transportation. Mentions of water issues have decreased compared to 2023.

Using a one or two-word phrase, what aspect of growth in Castle Rock is causing you the most concern?

Open ends in Appendix page 324.

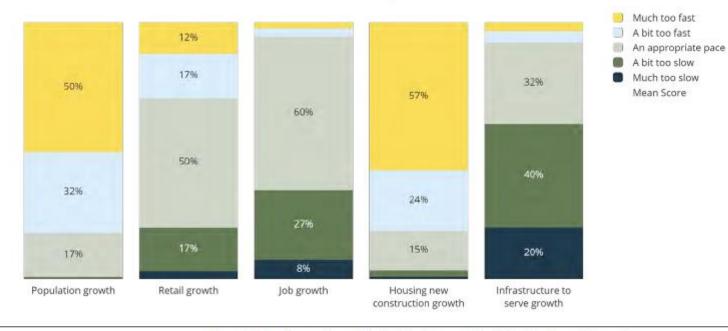

Page 60

Rate of Growth

The 2025 survey asked residents to describe the Town's growth rate. Overall, residents feel the Town is growing too quickly regarding population and new housing construction. Residents feel retail growth and job growth are moving at an appropriate pace. The majority of residents feel the infrastructure to serve this growth is moving too slowly.

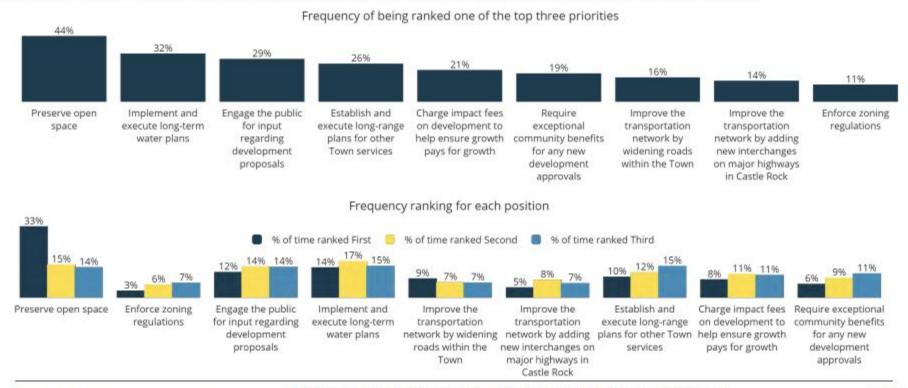

Rate of Growth in Each of These Categories

The 2025 survey asked residents to rank the priorities surrounding quality growth in Castle Rock. Open space and long-term water security ranked in the top three priorities most often (top chart), and were most often selected as the top priority (bottom chart).

TOWN SERVICES RATINGS

POLICE

Police performance rated very high; all aspects scored above a 7

PUBLIC WORKS

Ratings for all aspects of Public Works remained consistent with 2023 levels. Residents are most satisfied with street cleanliness and least satisfied with traffic congestion

FIRE AND RESCUE

While there have been a few decreases compared to 2023, ratings for Fire and Rescue performance remain high

PARKS, TRAILS, OPEN SPACE

Walking/biking paths and open recreational spaces were mentioned most often as things residents would like to see the Parks and Recreation Department offer more of

WATER

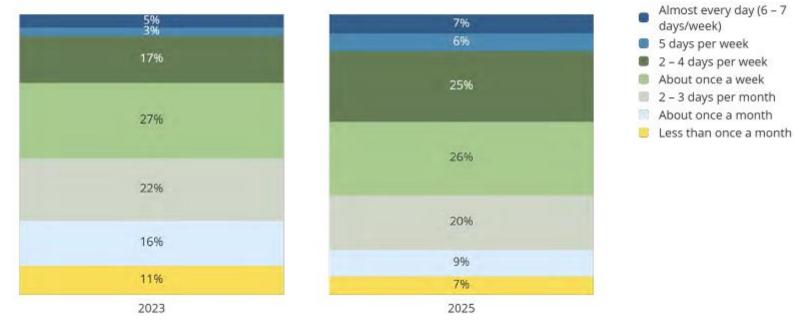

Ratings for all aspects of Castle Rock Water services have remained consistent with 2023

Sixty-four percent of residents visit Downtown Castle Rock about once a week or more. That's up from 52% in 2023.

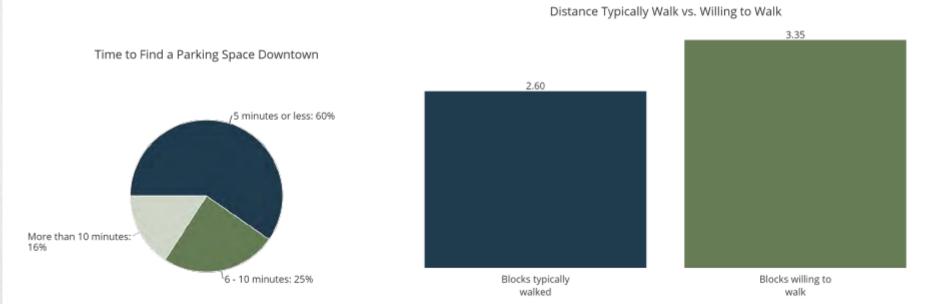

Downtown Parking

Sixty percent of residents said it typically takes them five minutes or less to find a parking space Downtown. There are no differences based on reason for visiting Downtown. On average, residents typically walk two or three blocks from their parking spot to their destination.

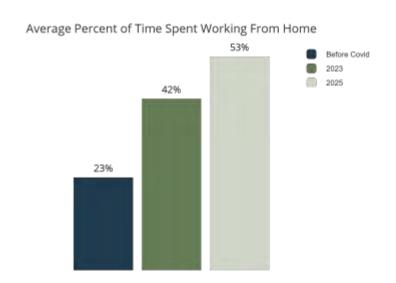

TOWN OF CASTLE ROCK 2025 Community Survey

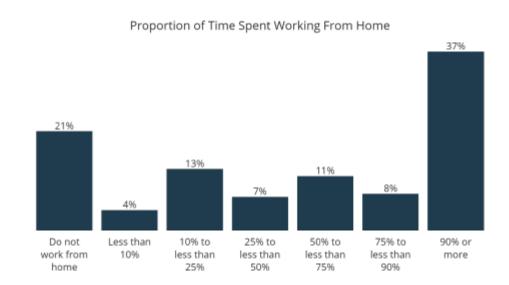

How long does it typically take you to find an available parking space in Downtown Castle Rock? How many blocks do you typically walk from your parking spot to your destination in Downtown Castle Rock? How many blocks are you willing to walk from your parking spot to your destination in Downtown Castle Rock?

Overall, residents work from home about half the time. Thirty-seven percent of residents work from home 90% of the time or more.
