

COMMUNITY RISK ASSESSMENT AND STANDARDS OF COVER

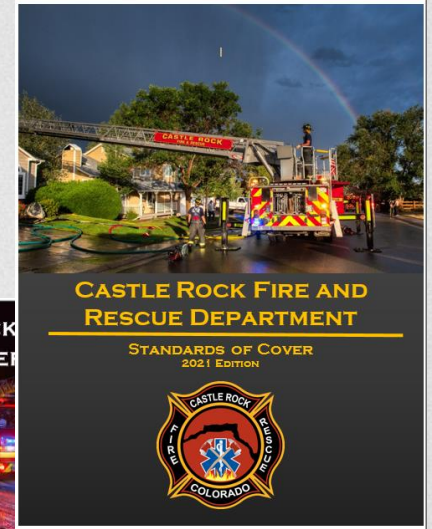

TOWN COUNCIL MEETING
APRIL 5TH, 2022

SUMMARY

COMMUNITY RISK ASSESSMENT & STANDARDS OF COVER

1. Defines risk within the community by service type
2. Establishes performance baselines & benchmarks
3. Defines levels of service
4. Performance gaps
5. Provides recommendations for continuous improvement

SUMMARY

COMMUNITY RISK ASSESSMENT & STANDARDS OF COVER

1. Defines risk by service type (fire, EMS, tech rescue, HAZMAT, wildland) for each of the 9 planning zones
2. Establishes Performance
 - Baselines are historical performance (total of 40)
 - Benchmarks are performance goals (total of 40)
3. Levels of Service: Critical Task Analysis – ensure compliance to SOGs, firefighter safety, and efficient use of resources
4. Performance Gaps:
 - PZ6: Cobblestone Ranch, Liberty Village
 - PZ7: South/East portions of district: Stone Cañon Ranch, Lake Gulch Road area
 - PZ8: Dawson Ridge, Keene Ranch, Twin Oaks

2021 COMMUNITY RISK ASSESSMENT

RECOMMENDATIONS

1. Actively participate with other Town departments in the development and planning phases to ensure and plan for fire and emergent responses.
2. Consider an expanded hazardous materials commodity flow study that provides a more comprehensive overview of the materials being transported through the jurisdiction
3. Develop a sustainable methodology to ensure all new and updated commercial occupancies are evaluated using the OVAP model and ensure significant or special risk facilities are easily identified for response personnel.
4. Consistent with 2020-2024 Strategic Goal 2020-03, adopt the CWPP – **COMPLETE**

2021 STANDARD OF COVER

RECOMMENDATIONS

1. Review, research and attempt to determine the root cause for the increased 1st arrival response times in Planning Zone 2 (PZ2).
2. Closely monitor PZ6 for growth, increasing calls for service and performance.
3. Closely monitor PZ9 for growth, increasing calls for service and performance.
4. Monitor actual and potential growth in PZ8
5. Adopt the updated benchmarks for the 2022-2026 evaluation cycle.
6. Provide updates to the Public Safety Commission, Town Manager and Town Council on a monthly and annual basis.

THANK YOU

STAFF RECOMMENDS THE ADOPTION OF THE
2021 COMMUNITY RISK ASSESSMENT AND STANDARDS
OF COVER
