To Whom It May Concern:

This letter is to confirm that the Town of Castle Rock is aware of and supports World Compass Academy's application for the Great Outdoors Colorado Play Yard Initiative Grant.

The Town of Castle Rock also recognizes the need to enter into an Intergovernmental Agreement with World Compass Academy to bind it to the terms and obligations of any grant awarded.

Thank you for considering World Compass Academy for the GOCO grant. We are excited to participate in the process and look forward to further discussions.

Sincerely,

Paul Donahue  
Mayor
