

PURCHASE OF REPLACEMENT RADIOS

TOWN COUNCIL MEETING
JULY 16, 2024

SUMMARY

- Current radios are reaching the end of their 10-year lifecycle
- Replacing the radios now ensures continuous maintenance and repair services. Current radios are no longer serviceable due to their age and technology.
- Town has come to depend upon Motorola's reliable connectivity to radio network as well as internal systems such as our SCBAs
- Purchase of the radios has been planned for and is covered in the General Long Term Planning Fund

MOTOROLA SOLUTIONS

- Purchase will include 179 radios
- Anticipated delivery time is six (6) months
- Contracted purchase price of \$1,499,929.17
- Purchase covered in the General Long-Term Planning Fund

STAFF RECOMMENDS THE APPROVAL OF THE RADIO PURCHASE

*"I MOVE TO APPROVE THE RESOLUTION AS
INTRODUCED BY TITLE."*
