ELECTION OF MAYOR/MAYOR PRO TEM PROCESS

The process to be used at Organizational Meeting of the Town Council to Elect the Mayor and Mayor Pro Tem shall be as follows:

- 1) Determine who will serve as the interim presiding officer in order to conduct business in an orderly manner.

If the prior Mayor is still a sitting member of the Council, he/she will serve as the presiding officer. If the prior Mayor is no longer on Council, but the prior Mayor Pro Tem is, then he/she shall serve as the presiding officer.

If neither the prior Mayor nor prior Mayor Pro Tem is available, the Council shall vote one of the sitting members to act as presiding officer until such time as a new Mayor is elected.

The presiding officer will continue to function in this capacity until such time as a new Mayor is elected.

- 2) The presiding officer will query Councilmembers to determine who is interested in serving as Mayor. The presiding officer may request his/her own name be included among those interested in serving as Mayor. Those Councilmembers who express interest in serving as Mayor will then constitute the eligible pool of candidates for Mayor.

Each interested candidate will be given an opportunity to make a statement as to why they want to serve as Mayor.

Once the candidate pool is established, the clerk shall distribute ballots to each Councilmember, and each Councilmember shall vote for his/her choice among the nominated candidates.

The balloting would continue until one candidate receives a minimum of 4 votes for the position.

If multiple ballots are required, only the candidate with the lowest number of votes will be dropped from the pool of eligible candidates for each subsequent round of voting. For example, if there were three candidates, and the vote was 3 - 3 - 1 in the first round, the candidate that received one vote would be eliminated from the second round of voting.

Once a candidate has received a minimum of four (4) votes the Clerk will announce the winner based upon the results of the ballots, and that candidate will be deemed to have been elected as Mayor under the provisions of the Charter. No additional action would be required by Council with regard to the appointment of the Mayor, rather the ballots as cast would be considered a binding vote by each Councilmember.

- 3) Once elected, the new Mayor will take over as presiding officer of the meeting. The Mayor will repeat the process described in Step 2 above with regard to the process of selecting the Mayor Pro Tem.
