

Neighborhood Meeting Summary

Application: New Hope Church and Medical Office Building – Proposed Rezoning

Property Owner: New Hope Presbyterian Church

Meeting #: 1

Date/Time: Monday August 12, 2024, 6:00p.m. (Adjourned at 6:50p.m.)

Meeting Location: New Hope Presbyterian Church

Councilmember District: Councilmember Bracken

Applicant's Proposal:

The property owner is proposing to rezone and subdivide the New Hope Presbyterian Church property, located at 3737 New Hope Way in the Meadows Filing 21, at the southwest corner of Meadows Boulevard and Prairie Hawk Drive. The existing lot is zoned partially under the Meadows PD 3rd Amendment and partially under the Meadows PD, 4th Amendment. The proposal is to bring the lot into zoning compliance by creating a planned development zone. The future intention is to subdivide the existing church lot in order to create a new 1.5-acre lot west of the church building. The development plan for the new lot includes a 60,000 square foot, four to six-story medical and professional office building.

Presentation Description

Applicant's Presentation:

The applicant gave a summary of the previously approved zoning. The applicant also provided a presentation showing the proposed zoning, along with a proposed conceptual design of the site including proposed medical office building, access connections and parking.

Questions Presented to Applicant:

Q: Why is the church selling this property to a developer?

A: Applicant stated that the church is looking at their future economic viability and found this to be a positive course of action.

Q: Why are you proposing 6 stories?

A: The applicant stated they were in the initial stages of the project and wanted to show what they were thinking to receive feedback. They also stated that the height would be decided upon at a future time.

Q: What is the applicant going to do about the traffic from this project? What will they do about parking on the street?

A: Applicant stated they will meet the Town's traffic requirements and intend to meet parking requirement on site.

Q: Why do we need more medical offices when we have the hospital across the street?

A: Applicant stated there is a need for more medical offices in this area.

Q: What is the timeframe of this project?

A: Applicant stated they are in the initial phases of the project and the timeline is unknown.

Q: Why are you rezoning the property?

A: Applicant stated the Town requires a rezoning of the church parcel in order to incorporate the proposed medical office use.

Presentation Description

Applicant's Presentation:

The applicant gave a summary on the history of the existing zoning and current split zoning on the property. The applicant provided a summary on the existing approved zoning for each zone district, including the allowed uses and maximum heights. The applicant then provided a summary of the proposed new zoning, allowed uses, maximum height and landscape setbacks.

Questions Presented to Applicant:

Q: Will a hospital be located on this site?

A: The applicant stated a hospital is not a permitted use being proposed in the zoning.

Q: Do you have a rendering showing the proposed height of the new medical office building compared to the existing church?

A: The applicant stated they do not have a rendering at this time as this project is in the zoning phase. A rendering could potentially be provided at the next neighborhood meeting. The project will have future neighborhood meetings for the Site Development Plan phase when a building is being proposed.

Q: Will the proposed medical building use the existing church parking lot?

A: The applicant stated the medical office building will provide additional parking on the property but the existing parking lot will remain.

Q: Where will the proposed access points be located for the future development?

A: The applicant stated the existing access points will stay where they are located on New Hope Way. No new access points are being proposed.

Q: Is there a Traffic Impact Analysis? Will the level of traffic impact increase?

A: The applicant stated a full traffic study has been submitted to the Town as part of this process. Due to the size of the proposed medical office building the additional traffic impact is minimal.

Q: What is the anticipated timing of future development on the site?

A: The applicant stated they anticipate the rezoning going through public hearings early next year. Then the project will need to go through the Site Development Plan process. This could result construction in 2027.

Q: Comments/concerns from residents:

- Appreciate the church has been looking for additional financial looking opportunities.
- Appreciate changes were made from the previous neighborhood meeting to reduce the height of the building.
- Appreciate the proposed medical office building has been reduced in size.

Meeting #: 3

Date/Time: February 10, 2026, 6:00p.m. (Adjourned at 6:20p.m.)

Meeting Location: Coff33 Coffee Bar

Councilmember District: Councilmember Bracken

Applicant's Proposal:

The property owner is proposing to rezone and subdivide the New Hope Presbyterian Church property, located at 3737 New Hope Way in the Meadows Filing 21, at the southwest corner of Meadows Boulevard and Prairie Hawk Drive. The existing lot is zoned partially under the Meadows PD 3rd Amendment and partially under the Meadows PD, 4th Amendment. The proposal is to bring the lot into zoning compliance by creating a planned development zone, and to reduce the wide variety of currently allowed retail/commercial uses to medical offices, professional offices, places of assembly, and associated day care and affiliated uses. The proposed zoning also reduces the building height to 50 ft. The future intention is to subdivide the existing church lot in order to create a new 1.5-acre lot west of the church building for the development of a medical and professional office building.
