Town of Castle Rock  
100 N. Wilcox St.

Dear Mayor Donahue and Town Council,

At the meeting on January 21, 2016 the Downtown Development Authority Board made a motion to communicate to Town Council that the DDA is not in favor of closing 2<sup>nd</sup> Street to accomplish a Quiet Zone, and this motion was supported unanimously. The Downtown Development Authority believes that 2<sup>nd</sup> Street is an important access point to Downtown whether via foot, bike or car, and Downtown is better if this access is maintained.

Thank you for your continued partnership in revitalizing and redeveloping our historic Downtown.

Sincerely,
