#	IF YOU SELECTED "WITH MODIFICATIONS" OR "DO NOT SUPPORT," PLEASE SHARE YOUR SUGGESTIONS:	DATE
1	Please consider providing ONE 15x15(or similar) primitive campsite. Backcountry rules, pack it in pack it out. Must have a permit through the city. Possibly an inexpensive cost for the site. Must have castle rock(or douglas county) address to book. Just spitballing ideas here. It would be a unique experience overlooking castle rock from a city provided primitive campsite. Please consider this as a unique offer to the townfolk of castle rock. Compare the safety with standard safety in the backcountry.	7/15/2025 9:58 PM
2	I am concerned about parking in the neighborhood streets. There should be a designated lot off of coach line. I am also concerned around trash and wildlife protection.	7/14/2025 8:49 AM
3	The course along Thatch circle is a severely eroded hill in front of the maintenance fence. Starting from tiff grass is a less severe slope	7/13/2025 9:36 PM
4	There should not be a trail along Thatch Circle. We already face erosion issues. Please see my comments below.	7/13/2025 8:22 PM
5	This is a solution without a problem. Who has requested this? What is the compelling need for this? How much will this project cost?	7/9/2025 2:59 PM
6	If it is far enough from our home	7/9/2025 6:33 AM
7	1. Leave it 2. Consider avoiding housing line	7/9/2025 6:32 AM
8	It's right behind my house.	7/9/2025 6:31 AM

Red Hawk Quarry Trail

9	Leave as is! Love the wildlife. Fine the way it is.	7/9/2025 6:30 AM
10	Close proximity to Tiffgrass Circle	7/9/2025 6:29 AM
11	Should follow the existing sidewalk along Thatch Cir. It will only be feet away and will require making a mess of the hill that is there. Seems like a lot of extra cost for no gain	7/7/2025 6:28 PM
12	Consider forking the trail so that a hiker may travel to the North of the butte closer to the initial access point off of Thatch Cir with the ultimate goal of the Northern route to access the trails across from Coachline.	7/1/2025 11:09 PM
13	No alignment was shared in the website or this form, so I cannot reasonably support what I cannot review	6/23/2025 5:11 PM
14	Will there be parking somewhere for residents that don't live in Red Hawk to access the trail? Would a connection to the Ridgeline Parking lot make sense?	6/23/2025 2:39 PM
15	I would make the trail use more elevation variations than just a relatively flat circle around Quarry Mesa, this will make it more interesting.	6/18/2025 7:59 AM
16	If it is possible considering the space, I support making the single track as wide as possible. I can see it being used for both walking and biking, the wider the better.	6/18/2025 6:58 AM
17	Is there a possibility to work with the developer to squeeze in a connection to the Ridgeline Connector Trail northwest of the development?	6/18/2025 5:57 AM

Q3 Please share any other feedback on the proposed trail connection.

#	RESPONSES	DATE
1	I appreciate the City of Castle Rock connecting the town with pedestrian trails. Keep folks outdoors and active. Thank you.	7/15/2025 9:58 PM
2	This trail along thatch makes zero sense. There is already real erosion issues. Plus why would you add a trail along a side the already has a steep slope. If you are going to start a trail it should connect to through the golf course or through tiff grass. Plus how are you going to deal with parking along the residential areas. Additionally, why was no notice given to people directly impacted.	7/13/2025 8:22 PM
3	I live in Red Hawk and am so happy you are doing this!!!	7/13/2025 6:02 PM
4	Potential for too many vehicles parked in a residential neighborhood; will result in uptick in trash thrown about; and, could result in the development of homeless camps along the trail. Right near next to our neighborhood in Red Hawk.	7/9/2025 2:59 PM
5	Like to make sure parking is not on Red Hawk streets. Care for wildlife. Prevention of homeless camping.	7/9/2025 6:33 AM
6	Neighbors impacted by this are opposed.	7/9/2025 6:32 AM
7	I don't want any traffic behind my house.	7/9/2025 6:31 AM
8	totally against this idea! We were told when we bought this house they would never build behind our house. Been there 25 years.	7/9/2025 6:30 AM
9	Use existing sidewalk instant cutting a new trail that parallels it	7/6/2025 6:40 PM
10	Our family is thrilled that access to trails for homeowners in Red Hawk is being considered. We are eagerly anticipating this major upgrade to our neighborhood.	7/1/2025 11:09 PM
11	Awesome	6/26/2025 7:40 AM
12	Thank you for this! Additional trails like this that also link to the existing trail network provide a huge value to the community.	6/25/2025 8:44 PM
13	I think expanding trail access directly to neighborhoods is great.	6/24/2025 4:24 PM
14	It sounds good, but a map would be nice...	6/23/2025 5:11 PM
15	How will this trail connect to the greater trail network in Castle Rock? On the map, I'm not seeing it connect except near Thatch Circle. Need to show the trail connections.	6/23/2025 2:39 PM
16	The more trails in castle rock and the Meadows the better!	6/22/2025 9:59 PM
17	Would love to see this happen!	6/21/2025 6:01 AM
18	No feedback, thank you for building more official trails for all of us to use!	6/20/2025 10:45 AM
19	Very excited to see this new trail and official access to hike around the quarry.	6/20/2025 5:06 AM
20	Sounds like a great idea	6/19/2025 4:21 PM
21	I fully support this trail. One addition I'd like to include is trails built for hikers AND mountain bikes	6/18/2025 6:56 AM
22	As a Red Hawk resident, this really excited me.	6/18/2025 6:43 AM
23	Thank you!	6/18/2025 5:57 AM
24	I live in Red Hawk and would love more access to trails in our neighborhood! Great idea Castle Rock!	6/18/2025 4:20 AM

Red Hawk Quarry Trail

25	Looks like it will be a good trail!	6/17/2025 3:54 PM
26	Bike climbing should be taken into account, basically less steep gradients and/or switchbacks as needed. Side features would be nice to have for more advanced riders to use.	6/17/2025 3:28 PM
27	While I'm always in favor of trails expansion, could this be considered for a wide natural surface or concrete trail (not just single track)?	6/17/2025 1:18 PM
28	badly needed!	6/17/2025 12:35 PM
29	It would be great to keep it natural trail with access for mountain bikes and hikers to the existing red hawk connector and ridgeline	6/17/2025 12:30 PM
