

# NEXT STEPS AFTER CONCLUSION OF 2025-2026 PARKING STUDY

APRIL 21, 2026  
TOWN COUNCIL

# NEXT STEPS – DOWNTOWN PARKING

- Refresh wayfinding study elements and begin implementation of improved signage in downtown – focus on directing drivers to off-street parking opportunities
- Continue education with downtown businesses on parking options, including downtown employees
- Examine possible fine options for habitual overtime parking violators

# NEXT STEPS – DOWNTOWN PARKING

- Continue to look for small and larger new parking opportunities as they may arise
- Use other recommendations from the study as appropriate, including continuing review of requests for ADA parking and loading
- Monitor future growth in downtown as parking strategies may change with any new redevelopment
