

Citizens For Life And Peace (CFLAP) in Castle Rock and Colorado and the USA:

We are delighted to announce that we have recently presented new Personhood City possibilities in California, Arizona, Ohio and most recently in Florida. We are now initiating education for the new Personhood City concept and possibility even in Colorado. Colorado towns and cities with charters can embrace this new constitutional direction. Mayors and City Councils can show support for the new Personhood City possibility by now passing a Personhood Resolution. The submitted proposed Personhood Resolution is provided on the back of this flyer. The above 3 books should also be ordered and studied!

See Colorado "Personhood City" Education to the right on this information flyer. Colorado citizens, businesses and churches should now amplify the realization of a new Colorado Personhood City in your respective annual Block Parties, Festivals, Family Events, Local Parades and Sacred Music concerts.

**CASTLE ROCK RESOLUTION AND PERSONHOOD CITY POSSIBILITY:**

During August's 8/20/24 Lone Tree City Council, the Personhood Resolution was delivered to the Mayor and City Council. The City Charter includes a Preamble that can be modified to include Fetal Personhood as part of Public Safety. Church leaders & citizens please now review and support future passage of the new Castle Rock Personhood Resolution between now and Christmas 2024 and between Mother's and Father's Day 2025 and 2026. (Provided on back of this flyer.)

 (For future citizen vote and inserted into Colorado City/Town Charters):

Through this charter with God Our Loving Creator with Divine Guidance for equality to all, we express our beliefs and convey our trust, so that its concepts shall long endure in perpetuity with regard to creation, conception, personhood, birth, natural death, and without regard to age, race, color, sex, marital status, disability, handicap, religion, ancestry or national origin.

**RESOLUTION 24 – TBD ... (Place on agenda for approval vote between Mother’s and Father’s Day 2024)**

**A RESOLUTION IN SUPPORT OF A CASTLE ROCK COLORADO  
DECLARATION OF A SAFE PERSONHOOD TOWN**

**WHEREAS**, the Declaration of Independence, the founding document of the United States of America, states, “We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of happiness. Life being the first of these declared rights; and

**WHEREAS**, as recently as March 2017, the American College of Pediatricians published an Abstract stating that “The predominance of human biological research confirms that human life begins at conception – fertilization. At fertilization the human being emerges as a whole, genetically distinct, individual zygotic living organism, a member of the species Homo Sapiens, needing only the proper environment to grow and develop. The difference between the individual in its adult state and in its zygotic state is one of form, not nature; and

**WHEREAS**, the US Supreme Court has recently ruled in favor of the July 2022 DOBBS DECISION; and

**WHEREAS**, each and every innocent human life is unique and precious to God in the American Covenant; and

**WHEREAS**, human life begins at the moment of conception and continues, uninterrupted, until the moment of natural death; and the baby in the womb is still a developing person even before medical defined viability;

**WHEREAS**, the innocent human life, even in the womb, must always be protected and preserved; and

**WHEREAS**, the innocent human life, peacefully developing in the womb, has the Constitutional right to birth and cannot be deprived of the future Constitutional right to vote by current voting citizens; and

**WHEREAS**, the protection of all human life, even life peacefully developing in the womb, is important to the people of the peaceful and safe Town of Castle Rock; and

**WHEREAS**, the Castle Rock Town Council and Citizens have consistently amplified and embraced the Sanctity of Life. The new Personhood Town is now Constitutionally protected with the US Supreme Court’s transition with the July 2022 DOBBS DECISION. The US Supreme Court is once again completely celebrating life. The Castle Rock citizens desire the best protection and option for life which is adoption and orphanages and equally celebrate and preserve life by affirming and declaring the ‘Personhood’ of human life in each pregnant Mother’s womb in Castle Rock.

**WHEREAS**, the Town of Castle Rock is a recognized safe town and annually hosts many community annual events that emulate family values for Fatherhood, Motherhood, Childhood and Personhood. The Castle Rock Citizens have the Constitutional right to declare Personhood to preserve the safe peaceful town character of Castle Rock.

**NOW, THEREFORE, BE IT RESOLVED** BY THE TOWN COUNCIL, AS THE GOVERNING BODY OF THE TOWN OF CASTLE ROCK, COLORADO, that declare the innocent human, life, including fetal life, must always be protected and Society must protect those who cannot protect themselves.

**BE IT FURTHER RESOLVED** by the Castle Rock Town Council that it declare its support to any amplification by the Florida Legislature of the peaceful preservation of human life developing in the womb. This life has its own unique DNA separate from the mother’s hosting body. This life is under the legal protection of Public Safety. Fetal Personhood is now declared.

**BE IT FURTHER RESOLVED** that the Castle Rock Town Council and citizens collectively **1)** honor the rights of healthcare providers that live or work in the Town of Castle Rock to object on moral grounds to performing ‘Life Ending Medical Procedures (LEMP)’ on the unbreathing to-be-born inhabitant and neighbor baby person peacefully developing in the respective mother’s womb and **2)** Constitutionally opposes any regulation of law seeking to violate the Constitutional right to birth and eventual right to vote of the unbreathing developing baby person. Fetal Personhood is proclaimed and now inclusive in Public Safety in the future town charter of Castle Rock, Colorado.

**BE IT FURTHER RESOLVED** that the Castle Rock Town Council and citizens support orphanages and adoptions as the only alternative to ‘Life Ending Medical Procedures (LEMP)’ and encourages the State and Federal governments to support orphanages and adoptions at higher levels and enact legislation to ease the burden of orphanages and adoption of innocent life. The developing baby is a person in the Mother’s Womb!

# Let the Beating Heart

(Pro-Life Chant)

© Anne Delaney, O.F.S. 2009

The musical notation is written on a single staff in treble clef. It begins with a key signature of one flat (Bb) and a tempo marking of 'Lento ♩ = 49'. The melody consists of quarter and eighth notes. Chord symbols are placed above the staff: F, C/E Dm, Am Dm, F, Bb, and F Dm. The lyrics are written below the staff: 'Let the beat - ing heart. let the ~~beat~~ - ing heart show you there is life in the womb.' The word 'beat' is crossed out with a horizontal line. A dynamic marking of 'mp' is placed below the first measure. A hairpin crescendo is shown below the second measure, and a hairpin decrescendo is shown below the final measure. The tempo marking 'Lento' is written above the first measure, and 'poco rit.' is written above the final measure.
