## FROM THE DESK OF THE CRIME ANALYST

### VANDALISM TIPS

Vandalism tends to increase in the summertime. Remember the below information in case you become a victim to vandalism:

- Work together as a neighborhood to keep an eye out for each other’s property.
- If you see suspicious people, call the police department and try to obtain descriptions of the suspects and any vehicles.
- Take photos of the damage for your insurance company.

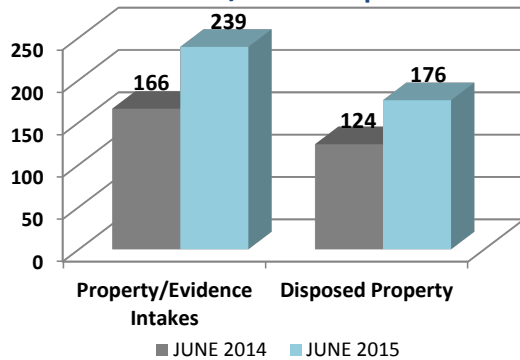

Don’t become a victim to crimes of opportunity while you are out of town. Summer is here and people are taking vacations, day and weekend trips and are just out of their home more often. Keep these tips in mind while you are out and about:

- Do not “post” that you will be out of town on social media; it makes you and your home an easy target for crime.
- Secure your pet doors.
- Keep doors and windows closed and locked.
- Activate alarms.
- Put lights on timers inside your home.
- Call the Castle Rock Police Department’s non-emergency telephone number (303) 663-6100 to request Increased Patrol (House Watch) while you are away. This service is also available under our website’s **Quick Links** page: [CRgov.com/Police](http://CRgov.com/Police).

## DETECTIVE UNIT

The Detective Unit has experienced a 21% increase in case assignments over this time last year and 87% over this time in 2013. Criminal filings have also increased by 27% over 2014 and 31% over 2013. Investments in personnel, resources and criminal analysis have enabled staff to keep pace with the workload and community demands for outstanding investigative services.

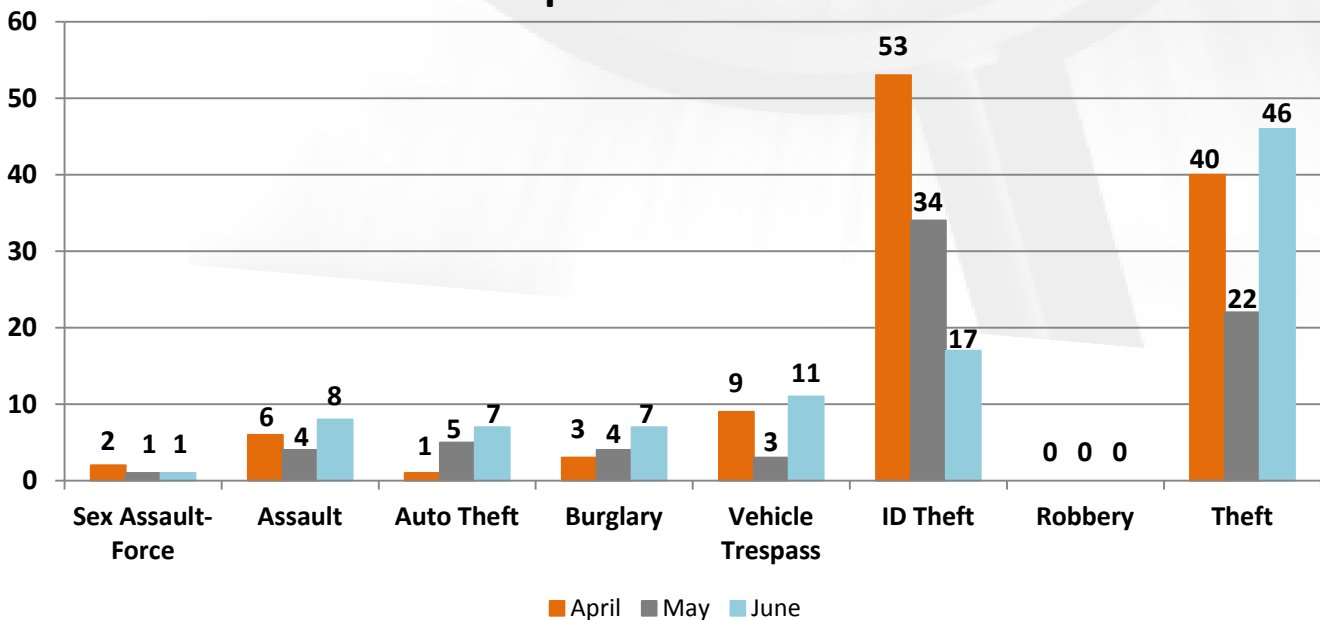

During June, we have seen increases in automobile thefts, trespasses to vehicles and associated crimes such as garage burglaries. Stolen personal items and vehicles from these recent crimes have been recovered in Colorado Springs and Lakewood. Frequently, these crimes occur in clusters and several neighbors are listed as victims in one police report.

These types of thefts are crimes of opportunity and typically occur during the nighttime hours in quiet residential neighborhoods. Residents are encouraged to lock their cars, keep their car windows up and keep garage doors closed.

Clearance Rates Comparison for JUNE  
(2013-2015)

\* Please note that the offenses shown above without data reflect zero incidents for that specific offense. The offenses displaying 0% reflect incidents occurred but they have not yet been cleared.

## LIQUOR ENFORCEMENT

Liquor code inspections were conducted at six Castle Rock businesses in June.

One minor violation was noted at that business.

## VICTIMS ASSISTANCE UNIT

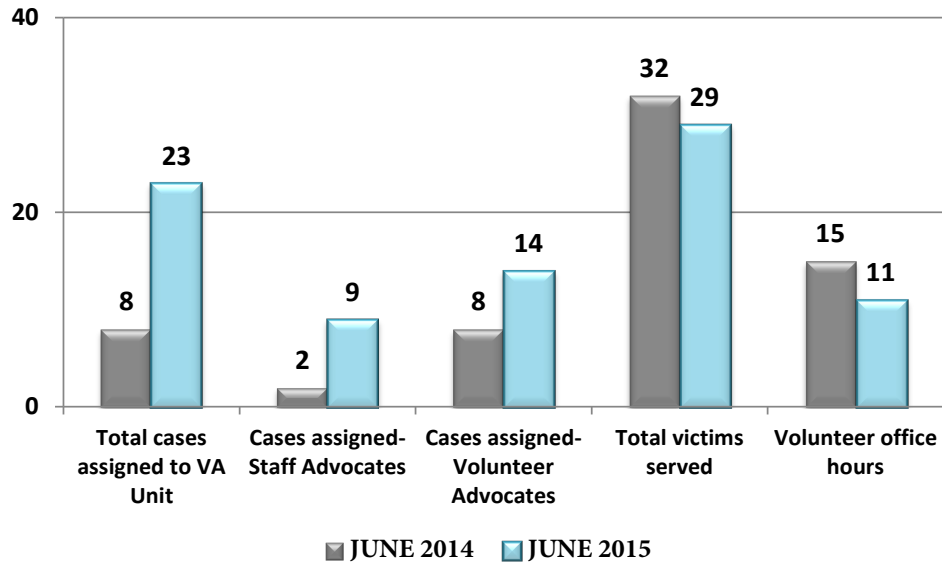

The Castle Rock Police Department Victims Assistance (VA) Unit has been collaborating with the Douglas County Sheriff's Office, Parker Police and Lone Tree Police departments' VA Units to create an ongoing professional relationship regarding mass disasters.

In the event there is a disaster in any of the above referenced jurisdictions, each VA Unit will be familiar with other advocates from these agencies.

Our first meeting took place on June 8, 2015 at the Parker Police Department. Debbie Boyle, VA from Douglas County Sheriff's Office, presented on the topic of CART - *Child Abduction Response Team*.

After the presentation, an exercise was completed providing all advocates an opportunity to work together. We are working to continue this collaboration by conducting joint meetings and trainings several times a year.

### VA Unit JUNE Statistics (2014/2015)

## IN THE SPOTLIGHT

September 2014 was the last DEA Drug Take Back Initiative event. Our agency's commitment, along with the support of the community, collected 1,216 pounds of prescription medications over a 3-year period. That was medication kept out of the wrong hands and/or out of our water system.

We are now able to continue to take back drugs all year long through a program overseen by the Colorado Department of Health and Environment. They have provided us with a drop box that is installed in our lobby and is available during our regular business hours of 8 am - 5pm.

***Please remember***

We accept: prescription medications, prescription ointments, prescription patches, vitamins, over-the-counter medications, and pet medications.

We cannot accept: liquids, needles, inhalers, radioactive medications, or aerosols.

Make EVERY Day

In June, Text to 911 went live for all Public Safety Answering Points (PSAPs) in Douglas County with the four major carriers. Texting to 9-1-1 provides accessibility to the hearing and speech impaired population and provides an alternative to reach help in dangerous situations when a voice call is not possible.

\*Enter the numbers "911" in the "To" field. The first text message should be brief and contain the location of emergency and type of help needed. Push the "Send" button. Keep messages brief and concise.

## MISSION

The Castle Rock Police Department is dedicated to excellence through community safety, innovation, and public trust. Our goal is to provide for the safety and welfare of both the citizens and visitors of the Town of Castle Rock utilizing effective community-policing philosophies, including crime prevention, traffic enforcement, criminal investigation, crime-analysis and community involvement.

## VISION

We are committed to partnering with the community to improve the quality of life, prevent and reduce crime, and provide excellence in police service.

## Pleasant encounter

*Just wanted to point out the pleasant encounter I had with Officer Frost last night. He pulled me over for a headlight, which I was not aware was out. The officer was courteous and respectful. I believe the positive should be pointed out as well as the negative. Thank you and your team for helping make Castle Rock a place I want to live.*

## Special thanks from DA

*Sgt. Ratcliff, I wanted to take a minute and tell you what a wonderful job Detective Dickinson did on the [recent] case.. The case was thoroughly investigated and Tom was happy and willing to do anything I asked in terms of follow-up, trial preparation, sitting advisory ...*

**“...all the Castle Rock officers on this case did a wonderful job...”**

*To that end, I must say that all of the Castle Rock officers on this case did a wonderful job and were thoroughly prepared. Especially Detective Maes who was incredibly impressive on the stand. He knew every part of his multiple page report and was thorough and came across completely honest and trustworthy. Officer Watts also did an excellent job...This was a fine example of the overall effort of the Castle Rock Police Department.*
