POLICE DEPARTMENT

AUGUST 2021

One-By-One Policing

To serve people one-by-one so together, we can create environments that are safe and secure, and where people can thrive

One-by-one policing is Castle Rock Police Department's vision and is a unique way of leading and serving people, which is central to our mission of providing a safe and secure community. This is our purpose, our cause, our belief, and it all starts within our organization. This page is dedicated to the ways in which we as a department reach out to our community one by one and where the community reaches back.

"Hi there! I just wanted to give a shout out for Officer Stoneking who assisted in my son's car accident yesterday! He was so supportive and kind with both kids involved and truly made the experience less traumatizing for my son (new driver/first accident/citation)!!! Thank you to all of you and please let him know we thought he was great!!!"

Anne H. & Gavin A. (8/18/21)

"Just a reminder not to leave valuables in your car. A friend left her purse in my car while we were hiking at Gateway Mesa and they broke a window and stole it. Officer Yowell with CRPD was excellent."

Tyson J. (8/13/21)

"I recently got into a car accident and just wanted to leave a note that both Officer Stoneking and Officer Webster were extremely kind, and I appreciated the way they handled the situation. I have never been into an accident or received a ticket before this instance so I am grateful I had this experience with both Officers who helped calm my nerves and assure me it was going to be ok."

Jamie M. (8/12/21)

Dispatch reported a caller stated Officer Houser had just left her house and was "polite, charming, warm and lovely." She also extended compliments to the police force as a whole.

Jan (8/4/21)

"I wanted to send a quick email to tell you about my experience with Officer Manzanares. I had an elderly woman knock at my door who was confused and was asking for directions. The woman had 4 or 5 sets of written directions in her hands so it seemed I wasn't the first stop. I didn't feel right sending her off so I called the Castle Rock Police since it was obvious this woman needed help. Officer Manzanares arrived to take care of the situation. Her professionalism, calmness and caring were evident in handling the issue. She made the confused elderly woman feel safe and was able to get her home. I don't think this is normally the type of issue the police have to handle and this is why I thought it was so impressive how Officer Manzanares resolved things. She was amazing and just wanted to let her bosses know. Have a Great Day!"

Tom H., SMSgt (8/15/21)

"Hello Chief Cauley! My family and I moved to Castle Rock from the Springs in May (two years there, we moved there from the east coast!). We are absolutely LOVING living here. We are so happy to call it home! I just wanted to pass along some words of appreciation and encouragement. It has been such a pleasure to see such a citizen-facing and community-minded squad. The social media is incredible and the EVENTS... so much fun! I know officials in your capacity have been having a rough couple of years, but please know (and pass along to your officers) that there are many of us out here so grateful for all the work you do for all of us, to make it safe and even fun!"

Cindy (8/9/21)

Sweets For Service Appreciation

Another sweet surprise from Rocky Mountain Chocolate Factory Café Castle Rock! We are so thankful for the support of Jacob, Bri and Jackson who generously gifted our department with a mountain of mouth-watering fudge! Each year, our local Rocky Mountain Chocolate Factory hosts its "Sweets for Service" campaign. When you purchase fudge in the month of July from their store, Jacob, Bri and Jackson match it with a fudge donation to Castle Rock's first responders.

Our officers, dispatchers and staff are so thankful for your kindness!

PIO Temby's Corner AUGUST's Top Post

August 16, 8:54 a.m.

The top post this month goes to Technology!

Using technology to keep Castle Rock safe! Over the weekend, one of our license plate readers flagged a stolen license plate coming into Town. The bad guy wasn't able to hide from our Watch III team who located the vehicle in a residential neighborhood. Through the investigation, our officers uncovered a pound of methamphetamine - amongst other drugs - along with firearms and other stolen license plates. Oh - and the subject was arrested.
