**Castle Rock continues to be one of the safest and fastest-growing communities in the country.** To achieve this, we build upon our One-By-One Policing philosophy through our three strategic pillars:

**People:** We invest in our team members by providing quality training and the best equipment available. We are laser-focused on creating a healthy organizational culture where our members can thrive.

**Innovation:** The ability to innovate is key. We embrace the latest technology and best practices to solve problems and address crime.

**Community:** Policing is a team effort. Creating safe communities must involve trust and partnerships. We are grateful for Castle Rock's support and don't take it for granted.

“

"This is a proud moment for all of us and a testament to the outstanding police agency we have built together - one relationship, one interaction and one act of service at a time. "
