Castle Rock, Colorado, welcomes Veterans of Foreign Wars Post 12230

A new Veterans of Foreign Wars post is being established in Castle Rock. The VFW's mission is to foster camaraderie among United States veterans of overseas conflicts. They serve our veterans, the military and our communities. They advocate on behalf of all veterans. The group's vision is to ensure that veterans are respected for their service, always receive their earned entitlements, and are recognized for the sacrifices they and their loved ones have made on behalf of this great country.
