I am owner of 11 Circle Drive and received your letter regarding your desire for comments.

I would like to go on record as supporting my neighbors application to go forward. To my knowledge I have never met Jason or Kathryn. As a resident of Castle Rock since 1963 and residing in the immediate area at three different locations, I wish the Gray's success, best of luck and a joyful life in what I to this day, consider the nicest area of town. Please contact me should you have any further questions.

Take care neighbors, stay well.

Regards,

David Hoagland
