**Title:** Town Manager Report – Development Project Updates

---

This report contains development updates and new submittals or requests submitted to staff since the last update to Town Council. The high-growth nature of Castle Rock results in numerous and diverse questions from individuals seeking information about existing conditions and future plans and formal applications for development. More information on community development activity and formal land use applications are located on the Town website under the Development Activity Map link, which can be accessed at [CRGov.com/DevelopmentActivityMap](https://CRGov.com/DevelopmentActivityMap)

### New Quasi-Judicial Applications Requiring Public Hearings

#### The Brickyard Mixed Use Development Site Development Plan

A new Quasi-Judicial Site Development Plan (SDP) application was received for the 18.8 acre Brickyard mixed-use development located at 401 Prairie Hawk Drive. The

site plan proposed both vertical and horizontal mix of uses, to include 506 multifamily residential units. The units will be a for-lease product, primarily apartments/condo style, with 24 townhomes. Approximately 178,000 square feet of non-residential uses will include a destination hotel with pool, shoppes and bar, as well as, restaurants, retail, office, and conference venue space throughout the development. Parking will be provided through a combination of on-street and structured garages, and will comply with the Municipal Code requirements for joint use of parking spaces. Two points of access to the development will be provided from the east, via existing Prairie Hawk Drive, and one connection will be made on the west through Miller's Landing to Plum Creek Parkway. Improvements to the existing Prairie Hawk Drive to Wolfensberger Road, and west to Plum Creek Parkway are required, and will be detailed in the Brickyard Development Agreement.

The Brickyard Planned Development Plan dedicates 10.36 acres of public land to the Town, which is planned to be the Town's new Sports Development Center. The Sports Development Center will provide a strong southern anchor to the Brickyard mixed-use development. The Sports Development Center is being designed by the Town, subject to Town Council approval, and is not a part of this Site Development Plan.

The Brickyard Site Development Plan will require public hearings before the Planning Commission and Town Council. The Brickyard mixed-use development is in Council Member Bracken's district.
