**Please indicate why you are interested in serving as a member of the Board(s) or Commission(s) indicated above. (Please attach additional sheets if necessary)**

I am interested in serving on the Historic Preservation Board as I would like to assist in developing inclusive participation, working together, not adversarial when opinions differ. The process does not seem to promote this goal but my hope is that a refined approach may be developed. I personally think Kevin Tilson, Downtown Alliance, has already done an outstanding job of showing respect, building consensus and facilitating communication among the many Downtown organizations. I see him being very skilled at his job and serving as an inspirational role model. I sincerely believe we can do great things by working together. I would like to contribute to the process.

**What qualifications and / or experience do you have that would prepare you to serve as a Board or Commission member? (You may attach a resume, however, it is not required)**

I have previously served several terms as a member of the Historic Preservation Board. In addition, I participated on the Downtown Zoning Overlay, Front Street Overlay and Sign Ordinance Committees. Board participation each year at Colorado Savings Places has been an additional opportunity to learn more about historic preservation topics. I have also served as President of the Castle Rock Historical Society and volunteered in the formation of Friends of Craig & Gould.

I maintain an active Colorado Real Estate license - mainly for educational purposes and a more in-depth knowledge of real estate fundamentals. I am an Independent business owner in Downtown Castle Rock.

**Please indicate all current memberships in community organizations, business associations, boards, clubs, foundations and/or volunteer activities.**

As a property owner in Craig & Gould, 620 2ND Street, I am automatically a member of Friends of Craig & Gould. Although I was instrumental in the formation of the organization I have chosen not to serve on the board. Instead I continue to encourage resident awareness of local issues and topics affecting the neighborhood. I am currently leasing my home to allow more time to focus on my business & other local issues. Being a landlord has also been something I've wanted to experience. My intent is to move back into the home when the current lease expires in May, 2016. No other memberships.

**Please list previous employment history for the prior 5 years.**
