Shannon,

Happy Wednesday.

I wanted to let you know that tomorrow is my last day at DCCF. It has been a pleasure working with you and the Town of Castle Rock for the past couple years and I wish you the very best.

With my transition, we haven't prepared our normal marketing Mid-Year Report as in years past, so I am just giving you a summary here.

So far in 2024:

DCCF has granted:

- 18 individual grants
- 18 Douglas County organizations received grants
- \$50,000 granted in total
- 6 grants to Castle Rock nonprofits (1/3 of all grants made)
- \$21,000 granted to Castle Rock nonprofits (42% of all funds granted)

I hope this works for you.

If you have any questions, I have copied our Board Chair (Tera Radloff) and our Director of Development (Kirsten Swanson) on this email.

My best,

Mike Waid, *Executive Director*
